1. A Brief Introduction to the Department:

The Bachelor of Vocation or B.Voc. was started in 2016 by Kalindi College, University of Delhi under the Vocational Education & Training Scheme of University Grants Commission (UGC) and Ministry of Skill Development, Government of India. The Bachelor of Vocation (Web Designing) or B.Voc.(Web Designing) is a three years full time vocational programme focused on job-oriented curriculum as per the requirements of the job market. The Faculty of Applied Social Science and Humanities, University of Delhi is regulating and looking after the Department of Vocation. We have dedicated state-of-the-art practical lab and class room which is equipped with latest technology for B.Voc.(Web Designing) programme.

2. Programme Structure:

Duration, Course Credits and Awards

Duration	Skill Education Component Credits	General Education Component Credits	Total Credits (Cumulative)	University Awards
1ST Year	36	24	60	Diploma in Web Designing
2nd Year	36	24	120	Advance Diploma in Web Designing
3rd Year	36	24	180	Bachelor Degree in Web Designing

3. Scheme of Examination and Assessment

General Education Component (GEC) Papers is examined by the University of Delhi.

Skill Education Component (SEC) Papers is assessed by Sector Skill Council (NASSCOM), New Delhi.

4. Scope of the Course

Similar to other bachelor graduate programmes, the students of B.Voc.(Web Designing) are eligible to join Post Graduate (PG) Courses, various government sector jobs like – UPSC, SSC, State Public Service Commission, Banks, Railways, Central Government job, State Government job and Local Government job. Apart from all these opportunities, students may join private sector companies as well. And a unique opportunity is that the students of B.Voc. can start their own business in their respective expertise/field.
