1. Brief Introduction of Department:

The Department of Economics as a part of Kalindi College came into existence in 1967. The subject was first offered in B.A. (Programme). Then from the year 1985 onwards, B.A. Honours in Economics was offered to the students.

The study of Economics as a discipline encourages analytical thinking and a pragmatic approach to problems related to Economics. In addition to providing a strong foundation in Economic theory, the focus is on issues specific to the Indian context. The process of rational decision making taught in Economics is of great value, irrespective of the career a person chooses.

2. Scope of the Subject:

Economics provides a platform for varied vocations like IES, IAS, MBA, MFC, etc. Those with an inclination towards banking and marketing can join their analytics team, while more academically oriented students can pursue M.A. and Ph.D. The Civil Services, RBI and the Niti Ayog are very popular pursuits for those interested in administration and framing economic policies. Today, students of Economics are in demand in prestigious international organisations like the World Bank, IMF, UN etc.

10. Highlights of Department Society Activity

Kalindi College Economics Society (KaCES) ranked one of the top ten Economics societies of Delhi University in the session 2019-20. During 2019-20, among a series of programs, KaCES organized “TALENT HUNT AND INVESTITURE CEREMONY 2k19”. Dr. Anjula Bansal, the college Principal, was the main guest. There were varieties of games, followed by other activities, in which students and teachers alike participated enthusiastically that indeed strengthened the bond among them. In addition to this, there was a wall painting competition, held by KaCES on October 01, 2019 with the theme “Swachh Bharat”. Two students, Priti, Geography (Hons.) and Nikita Gandhi, History (Hons.) jointly got the first position. In the series further, KaCES organized its annual economics fest, A₹THASAAR’20, on February 13, 2020 under the convenorship of Dr. Anjali Bansal. The Guest of Honor was Mr. Devir Singh Bhandari, an Indian film director and social entrepreneur, and the chief guest was Ms. Parul Gaur, Deputy Commissioner of Income tax. The event was graced by programs namely: The Wolf of Wall Street (mock stock), The Blind Side (case study), The Mindflayer (quiz), The Impassioned Eye (mobile photography) and The Final Destination (treasure hunt). Over 200 students from 15 colleges of DU participated in the festival. There were exciting prizes and gift hampers for the winners.

In the interaction session of students with Ms. Parul Gaur, alumnae of college, she spoke at length about the journey of success, and gave answers to various important queries of students. This was really an inspiring session for the students at large.

11. Scholarships and Prizes instituted for students of the Department
