# PRINCIPAL'S MESSAGE

Dear all,

Since its inception Kalindi College has long been a source of attraction for students all over India. The college has a pool of immensely talented students who excel in almost all walks of life. Here at Kalindi we build a strong teaching - learning culture thereby encouraging students to become inquisitive and responsible future leaders.

Kalindi has a rich culture of pursuing excellence and has continually reinvented itself in terms of academic programs and research infrastructure. The students are exposed to a host of academic, sports and extracurricular activities on its vibrant and beautiful campus. The presence of great infrastructural facilities and a highly experienced teaching faculty ensures that our students realize their full potential. Kalindi has produced several distinguished alumni from politicians, economists, civil servants to people in the corporate world and is eager to produce more. At Kalindi College, students are valued as individuals whilst being encouraged to learn and grow together, building their confidence in a secure, exhilarating and contented environment. Our aim is to endorse a positive attitude towards learning and working, whilst respecting each other. This enables students to achieve their full potential. Our outstanding academic success has come through encouraging and developing high standards of numeracy and literacy in a well-balanced and broad curriculum and mode of training our students.

Our aim is to develop skills and knowledge and provide our students a broad and balanced exposure to education. We are a friendly, caring and nurturing team, Ensuring the time the students spend with us is an enjoyable, positive experience which establishes the skills required to set them on their journey through education.

In 2016-2017, we have been found to be „Outstanding“ across all areas and have been awarded an “A” Grade by the NAAC team. I take great pride in mentioning that Kalindi College won Second prize of Rupees 7 Lakhs and third prize of Rupees 5 Lakhs as “University Award of Good Practices” in Antardhvani-2013 and 2015 respectively.

The alumni of the college have occupied and are occupying various significant crown positions in India and abroad. Intelligence and contributions of our students are very significant in making a big impact on the success of our nation. We are committed towards making your recruiting experience productive, efficient and positive. I invite the recruiting organizations and our undergraduate students to find the best match between their interests and potential.

**Best wishes!**

# FROM THE DESK OF PLACEMENT CELL

Dear Recruiters,  
Greetings from Kalindi College!

We welcome you to the 2020 - 21 Campus Placement Session at Kalindi College, University of Delhi with great pride and enthusiasm. We are proud to share with you that our esteemed institution in its golden jubilee year has been accredited with 'A' Grade by the National Assessment and Accreditation Council (NAAC). In our constant endeavor to achieve greater heights, our focus remains on holistic development of our students, providing them a platform for honing their soft skills, behavioral skills and attitude through participation in various co curricular and extra-curricular activities. The pedagogy adopted at Kalindi College follows the Choice-based Credit Scheme (CBCS) of University of Delhi. The syllabi for all courses under CBCS has been crafted after due diligence with focus and relevance to the current trends as is evident in the introduction of Skill Enhancement Courses in all disciplines. Besides, the college offers several add-on courses pertaining to foreign languages and information technology.

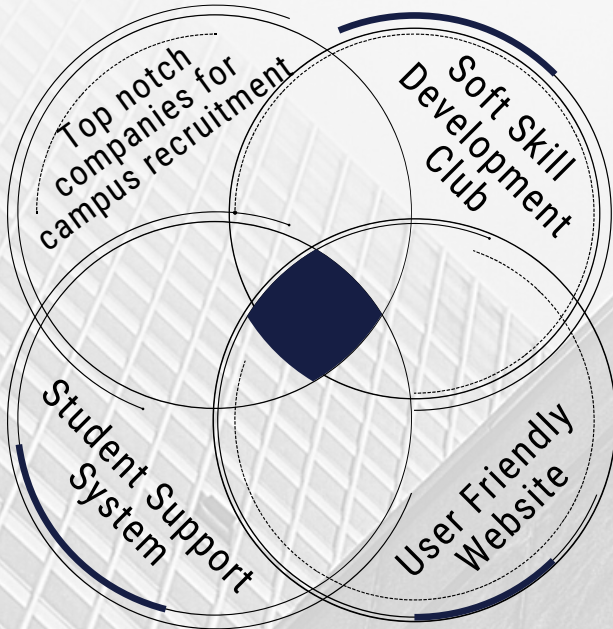

The Alumni of Kalindi College are a testimony to the strong foundation provided by the institution which has enabled them to prove their metal and reach positions of eminence in their careers. Many of our students are placed in top companies like PWC, E&Y and banks such as American Express, HDFC, Kotak Mahindra etc.

It is our privilege to present to you our group of dynamic, talented and passionate students raring to become successful managers. We assure you that our students are well equipped with professional and personal skills to excel in whichever sector they choose to work in. We strongly believe that the graduates you recruit from Kalindi College will be very effective in playing an important role in your organization.

We invite prestigious companies like yours to be a part of our recruitment process and come to our campus for recruitment. We look forward to a long and lasting association.

Regards  
Placement Cell  
Kalindi College

# WHAT'S NEW?

# ABOUT THE COLLEGE

Kalindi College has come a long way through history. Established in 1967, the college offers a nourishing environment to cater to the academic and psychological journey of curious young minds. Kalindi's motto- "ज्ञानं शीलं धर्मश्चैव भूषणं" meaning the real ornaments of humans are knowledge, modesty and sense of duty clearly reflects the virtue that every Kalindian carries with them. Supported by a combination of excellent infrastructure and highly qualified and competent teaching faculty; the college nurtures and grooms a number of highly enthusiastic and hardworking females each year.

The mission of the college is to maintain an inclusive teaching-learning environment and inculcate human values in its every student. It strives to enable students to be responsible at local, national and global level. It has always been aiming to provide information and skill based knowledge and to blend tradition with modernity and professionalism. The college has excellent infrastructure including spacious LCD-projector equipped classrooms, modern laboratories, a state-of-art multi-media journalism studio, a well stocked library, cyber centre, a sports utility centre, music room and a vibrant and lush green campus for other extracurricular activities.

The college holds a number of departmental fests and organizes national and international seminars and conferences where speakers of high eminence come to guide the students and widen their horizon of thinking. The college offers various academic programs and has an enabling environment to allow the young minds to realize their potential.

# RECRUITMENT PROCESS

## PRE PLACEMENT TALK

The pre placement talk (PPT) helps companies and placement cell members interact with each other. The representatives of companies share the profile of their company , key aspects of business , work environment and opportunities available to students.

## APPLICATION AND SHORTLISTS

In response to job description floated by the companies, interested students apply through the placement cell. A detailed resume is submitted by the students as part of the application process. A process is followed by the placement drive within the college premises or the students commute to the head office with a placement cell representative

## PLACEMENT INTERVIEWS

The final placement process is that companies can interview the students they have shortlisted on the date provided by the placement cell. Before the interview takes place , a presentation is presented by the company official to discuss about the company in detail followed by the Q and A session. The placement interview gives the company and the student an opportunity to discuss the role in detail and make the right choice

## OFFERS AND ACCEPTANCE

The company can make an offer to the student after the final interview. For an offer to be valid , it should include details of role , location , remuneration , and other relevant terms and conditions required
