

Annual Report 2023-24

The Department of Geography has always committed for excellence, perfection and provides a magnificent environment to the students for overall development. The new academic session began with a warm welcome to all the first-year students through an orientation programme held in Geo Lab on 3rd Nov 2023. The TIC Prof. Seema Sahdev introduced the new students to the academic and cultural activities of the department through an engaging presentation.

Symposium on G-20: Connecting young India towards inclusive and action oriented goals

The Geography department of Kalindi College, University of Delhi organized 'Symposium on G-20 : Connecting young India towards inclusive and action oriented goals' on 4th September 2023. For the symposium event, two speakers were invited Prof. Praveen Kumar Pathak (Professor, JNU) and Dr Ankur Yadav, (Assistant Professor, JNU) to encourage and inspire the audience. Prof. Praveen Kumar Pathak initiated his speech on the topic India's G-20 Presidency and Pathways to Atmanirbhar Bharat by introducing the theme of G20. He talked about evolution and how young minds reshape stereotypes. His innovative instances highlight the message in the storylines such the Technological evolvement, Reliance accomplishments, Post Covid remarks, ISRO's success. He also addressed the need for self-development and risk taking, the issues of gender equality, availability of resources as well as management of available resources.

Dr Ankur Yadav spoke on Global South, G20 and India's Presidency. His examples and in depth knowledge enlightened the audience about Climate Justice, Ukrainian Russian Conflicts, Nuclear power development. He mentioned how leadership and development are prominent qualities, and how India has been successfully carrying it. His speech included the SDG goal implementation, why G20 is important, and how it could shape the future of India. He gave vivid instances about the need for national diversity, global South situation, importance of being acknowledged and how these concerns are linked to G20.

INTERNATIONAL INTERACTIVE SESSION

An international interaction session was held in Kalindi College, Delhi University on 8th February 2024 with Dr. Iulian Dinca Assistant Professor from University of Oradea, Romania.

Professor Iulian Dinca presented a captivating presentation about distinctive physical features. He talked about e-tourism in Romania. MOU was signed between Erasmus+ Department of Geography, University of Oradea, Romania and Department of Geography, Kalindi College, University of Delhi. This Academic collaboration can lead to the exciting opportunities for both institutions involved.
