DETAILED REPORT:-

Teacher-In-Charge: Ms. Neelam Bareja

Society Convener: Dr. Abhishek Kumar Singh

ANANTATA, The Mathematics Society organized a Paper Presentation Competition on 27th September, 2022. The programme was started with the Inaugural Session in Seminar Room. The Inaugural Session commenced with Saraswati Vandana and the traditional lamp lighting ceremony in the presence of Respected Principal Ma'am Prof. Anula Maurya, our distinguished guest Dr. Harindri Chaudhary, (Associate Professor, Deshbandhu College, University of Delhi). Lamp Lightening was followed by the presentation of planter by Ms. Neelam Bareja (Teacher-in-Charge, Mathematics Department) to Principal Ma'am Prof. Anula Maurya and by Dr. Abhishek Kumar to Dr. Harindri Chaudhary.

In the beginning there was a welcome address given by Ms. Neelam Bareja. This was followed by the inspirational words of Principal Ma'am Prof. Anula Maurya.

This was further continued by a very inspiring and enlightening talk by guest of honour Dr. Harindri Chaudhary (Associate Professor, Deshbandhu College). Later on badges were given to the office bearers of Mathematics Society.

In Competition there were 21 teams from different colleges and courses registered for the competition, out of which 12 teams were from Kalindi college and 09 teams were from other colleges. Out of which 14 teams were participated in the Competition.

This competition was organised to enhance the research and analytical skills of the students in their respective specialization.

The competition was conducted under the guidance of Dr. Abhishek Kumar Singh as the Society Convener and Ms. Neelam Bareja as the teacher- in-charge of Mathematics department. The theme of the competition was " EMINENCE OF INDIAN MATHEMATICS". Total number of participants in the event were 36.

Participants showed their presentations to the judges and explained the topic of their presentation.

Participants submitted their presentation files to the technical team of the department beforehand. The presentations were judged by:-

Dr. Harindri Chaudhary
(Associate Professor, Deshbandhu College),

Dr. Anju Gupta
(Professor, Kalindi College)

Mr. Hari Kishan Bhardwaj
(Assistant Professor, Kalindi College)

All the presentations of the participants were captivating and well-prepared. The judges appreciated the efforts of the participants and corrected their mistakes by guiding them.

Dr. Harindri Chaudhary had guided students and motivated them for good research. She is a good mentor and motivational teacher. As an external judge she delivered great tips for research. Her remarks were fruitful and beneficial for all.

Mr. Hari Kishan Bhardwaj as an internal judge given good remarks and also motivated students. He had given focus on applications of each topics and said about their uses in modern era.

Dr. Anju Gupta as an internal judge praised every student for their hard work and even inspired them to learn more in field of mathematics. She also pointed out the extra points which should be kept in mind while presenting the paper. The programme was ended by an inspirational speech by Dr. Abhishek Kumar and vote of thanks by Chaitika (President of Mathematics Society).

DETAILED REPORT :

The concept of Alumni Association evolved for needs from both the ends that is Academicians and Professionals, in the aim of building a bridge between college life and career life, so that the fresher graduates are made proactive to face the current challenges of competitive professional world. Both the ends shall work hand in hand to help each other for achieving the

goal. The idea took shape and formation of Alumni Association turned into reality.

ANANTATA- The Mathematics Society of Kalindi College in association with Alumni Association and Alumni Committee organized an alumni interaction session “IMPETUS 2.0”.

A programme to facilitate, consolidate and coordinate Alumni Interaction Session in Seminar Room, Kalindi College on 12th October, 2022.

The Alumni meet is to reconnect with the alumni and celebrate their success and various achievements. It was organized in blended mode. Total 9 alumni from education and private sectors were invited. 3 alumni joined offline and rest joined online. The inaugural session commenced with saraswati vandana and the traditional lamp lighting ceremony in presence of TIC Ms. Neelam Bareja(TIC, Department of Mathematics), all faculty members of Department of Mathematics and our alumni.

The interaction was started with the introductory speech by Ms. Neelam Bareja.

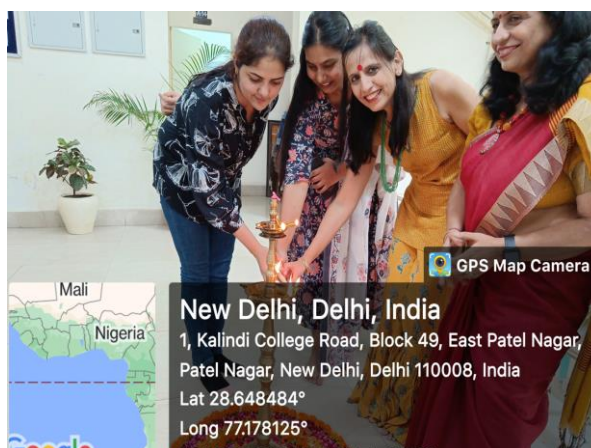

Dr. Abhishek Singh showered his blessings on all the alumni and addressed everyone.

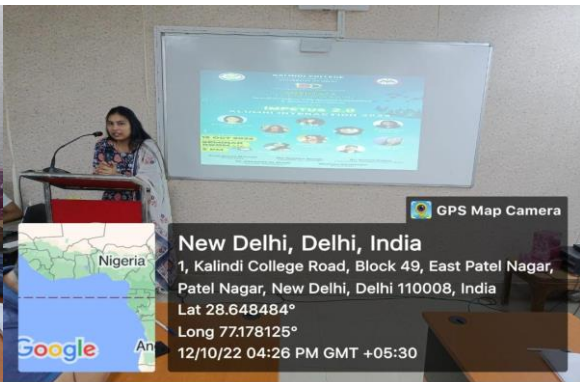

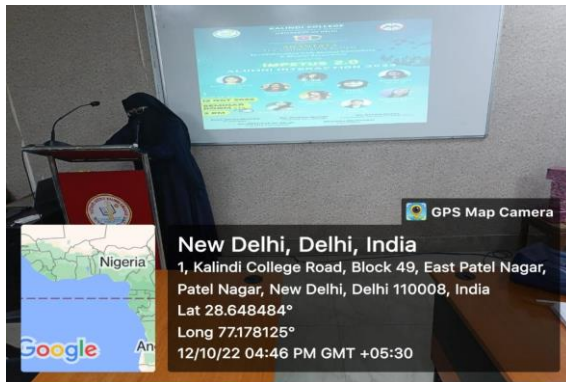

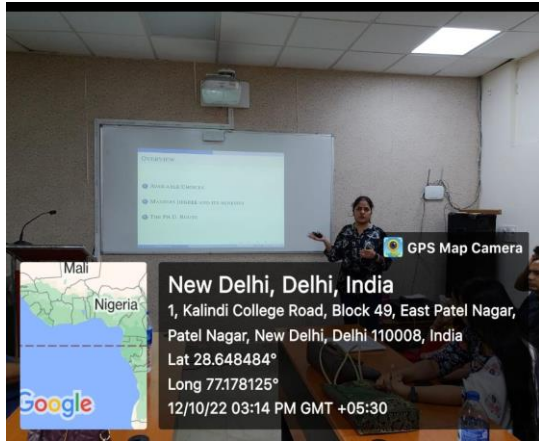

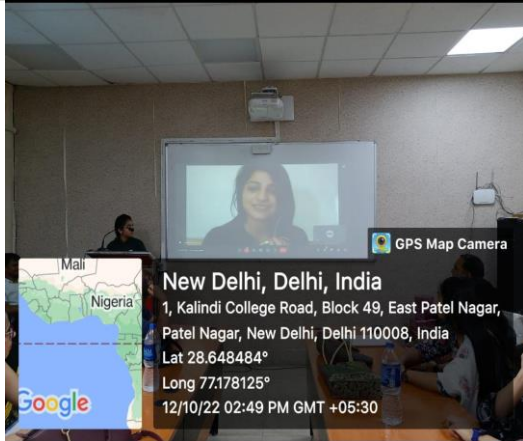

Thereafter all the alumni shared their memories with Kalindi College. They shared their experiences in Kalindi and delivered great tips for our career. Alumni also gave motivational talk regarding preparing for higher studies and placements. Later on Q and A session was started in which all the alumni gave satisfactory answers to the queries of every student. Their guidance was fruitful and beneficial for all students. The session was ended by the vote of thanks by the president of Mathematics Society Ms. Chaitika Bhatnagar. The event was hosted

by Ms. Pooja Sharma and Ms. Vanshika Sukhijia.

Resource Persons:

Mr. Ved Veer Arya (Joint Secretary and Additional Financial Advisor at DRDO)

Mr. Jagdish Rai Garg (Ex-Faculty from Kurukshetra University)

Dr. Arindam Bose (Associate Professor, Centre of Excellence in Teacher Education, TISS, Mumbai)

Mr. R.K. Singh (Former Engineer-in-Chief, Doordarshan, ICT and Broadcast)

DETAILED REPORT:

ANANTATA, The Mathematics Society of Kalindi Collge organised a “National Symposium on Prodigious Ligature Between Ancient Mathematics and Artificial Intelligence”. The inaugural session commenced with Saraswati Vandana and the traditional lamp lighting ceremony in the presence of our honorable guest speaker Mr. Ved Veer Arya Ji and all the faculty members of Department of Mathematics

Following which Mr. Ved Veer Arya Ji (Joint Secretary and Additional Financial Advisor at DRDO) was presented with a memento and a planter as a token of delight and respect by Ms. Neelam Bareja (TIC, Department of Mathematics) and Dr. Abhishek Kumar (Assistant Professor, Department of Mathematics).

Then there was a welcome address given by Ms. Neelam Bareja. After that our very first speaker Mr. Ved Veer Arya Ji delivered a keynote speech on “Archeoastronomy and Surya Siddhanta”. He gave insightful knowledge on astronomy of ancient culture and motion of various planets.

Thereafter Mr. R.K. Singh Ji (Former Engineer-in-Chief, Doordarshan, ICT and Broadcast) was welcomed and presented with a memento and a planter as a token of regards and pleasure by Ms. Charu Khanna (Associate Professor, Department of Mathematics) and Ms. Anshu Chotani (Associate Professor, Department of Mathematics).

Mr. R.K. Singh Ji brilliantly spoke on the topic “Artificial Intelligence and Vedic Mathematics”. He gave a deep knowledge on machine learning, data science and vedic mathematics.

Thereafter Dr. Arindam Bose (Associate professor at TISS, Mumbai and a collaborative professor in the Postgraduate Programme of Mathematics and Science Teaching (PECMA) in Federal University of Sao Paulo (UNIFESP), Brazil) gave a deep knowledge on “Mathematics in Cultural Practices”. The session was conveyed through a visually engaging and interactive presentation. “Practice within a culture affect understanding” he explained. It was indeed a knowledgeable one.

Next our last speaker Jagdish Rai Garg Ji, Retired professor from Kurukshetra University delivered on the topic “Ancient Mathematics”. He gave valuable insight and words of wisdom on Ancient Mathematics.

The programme was successful and ended with vote of thanks by Ms. Neelam Bareja and the President of our society, Ms. Chaitika Bhatnagar. The seminar was very informative and provided the participants with enormous knowledge on various aspects of Ancient Mathematics, the recent advancements in artificial intelligence and related technology.

The certificates were distributed to all active participants as per rules of workshop.

Prof. Hari Om Vats (Founder, Director of Space Education and Research Foundation)

Detailed Report:

As a part of academic activity, ANANTATA, The Mathematics Society of Kalindi College organized a Lecture on the Glimpses of Space Research by Prof. Hari Om Vats Sir (Founder, Director of Space Education and Research Foundation) on 11th November, 2022 from 11 A.M. onwards in Administrative Block, Seminar Room. The event was attended by all the teachers of the Mathematics Department and all the three years students of various departments.

The inaugural session commenced with Saraswati Vandana and the traditional lamp lighting ceremony in the presence of our honorable guest speaker Prof. Hari Om Vats Sir and all the faculty members of Department of Mathematics.

The event was started with the welcome speech of Ms. Neelam Bareja (TIC, Department of Mathematics). Following which Prof. Hari Om Vats Sir was presented with an Anga Vastra by Mr. Avneesh Kumar and and a planter by Dr. Abhishek Kumar Singh (Convenor, Mathematics Society) as a token of delight and respect.

Thereafter, Prof. Hari Om Vats Sir delivered a keynote lecture on space research. He started with sharing information about different educational institutions which works for the space development. He gave deep insight of how structure of Sun and various other planets works. His lecture was presented via power point presentation including graphics, images and videos. The students attended the whole event keenly and they showed their eagerness towards the session by asking their questions and doubts. The event was ended with a motivational speech by Mr. Avneesh Kumar and a poetry by Dr. Abhishek Kumar Singh. The event was hosted by Ms. Pooja Sharma of B.Sc. (H) Mathematics, II Year.

DETAILED REPORT :

The Sangam Parisar of Kalindi College echoed with the blessings on the morning of 28th April, when the Mathematics Department Family came together to bid farewell to the outgoing batch of 2020-2023 students. It was the morning of mixed emotions for all present at the Sangam Parisar to witness the official send-off for the 3rd Year students at the valedictory ceremony, 2023. The day was a fiesta devoted to the years spent together with friends and teachers to reminisce joyous moments. Students of I and II year organized this event with great enthusiasm and of course endeavored to leave a trail of nostalgia behind for the III year students. It was a beautiful morning, the sun shining brightly as the batch of 2020-2023 showed up, dressed in their finery. The young ladies glowed in fuchsia-colored saris. Elegantly dressed, the outgoing students entered the college premises and they were well received by II year students.

The event began with Saraswati Vandana and the traditional Lamp Lighting Ceremony in the presence of all mathematics department teachers and our beloved III year students. Following which there was a welcome address given by Ms. Neelam Bareja. After that Ms. Garima Gaur delivered a keynote speech on Maryam Mirzakhani.

The formal program was followed by lunch and games organized for the students. Students captured the memorable moments with their friends by taking many pictures at the various photo booths made especially for that day. It was followed by a captivating dance performance by the I and II year students dedicated especially for their seniors. All students of Batch 2023 were given tags and gifts as a token of delight.
