Events Organised (Session 2025–26)

1. Oath Taking Ceremony (2025)

The Oath Taking Ceremony marked the official commencement of the new session of COMQUER – The Commerce Society. The newly appointed office bearers took an oath to uphold the values of leadership, responsibility, and teamwork while serving the society. The ceremony inspired members to work with dedication and commitment towards the successful functioning of the society throughout the academic session.

2. Ad Sense of Humour (2025)

Ad Sense of Humour was a creative advertising competition that encouraged students to showcase their marketing, communication, and presentation skills through humorous advertisements. Participants presented innovative ideas with confidence and creativity. The event promoted teamwork, originality, and public speaking among students.

3. **Commerce Chaos (2025)**

Commerce Chaos was an engaging commerce-based competition designed to test participants' knowledge, analytical thinking, and problem-solving abilities. The event included interactive rounds that challenged students on various business and commerce concepts. It provided an enjoyable and competitive learning experience.

4. **Treasure Hunt (2025)**

The Treasure Hunt was an exciting team-based activity where participants solved clues and completed challenges to reach the final destination. The event encouraged logical reasoning, teamwork, and quick decision-making. It witnessed enthusiastic participation and made learning both interactive and enjoyable.

5. **Biz Tambola (2025)**

Biz Tambola was a unique business-themed version of the traditional Tambola game. Instead of numbers alone, participants identified commerce and business-related terms while playing. The event combined learning with entertainment, making it both informative and engaging.

6. **Vanijya Insights – Annual Magazine (2025)**

COMQUER successfully published its annual magazine, Vanijya Insights, providing students with a platform to share articles, research, opinions, and creative content. The magazine highlighted emerging business trends and encouraged academic writing and innovation among students.

7. **Newsletter – Sustainable Business Today (2025–26)**

COMQUER published its official newsletter, Sustainable Business Today, focusing on sustainable business practices, innovation, and emerging trends in the corporate world. The newsletter featured insightful articles, student contributions, and updates on the society's activities and achievements. It encouraged awareness of responsible business practices while providing students with a platform to enhance their research and writing skills.

8. **NSE Educational Visit (2026)**

COMQUER organized an educational visit to the National Stock Exchange (NSE) to provide students with practical exposure to financial markets and stock exchange operations. Industry experts shared valuable insights into investment, trading, and career opportunities in finance. The visit successfully bridged the gap between classroom learning and industry practices.

9. **BizMesh – Annual Fest (2026)**

BizMesh, the Annual Fest of COMQUER, brought together students from various colleges to participate in exciting commerce and management competitions. The fest provided a platform for learning, networking, creativity, and healthy competition. It was successfully organized with enthusiastic participation and concluded with prize distribution and recognition of winners.

Department of Commerce: Dhanverse

Samridhi Arora	General Secretary
Khushi	Treasurer
Parul	Editorial Head
Khayati	Editorial Head
Vrinda Taneja	Event Head
Anusha Gupta	Deputy Editorial Head
Mehak Sureka	Deputy Event Head

1. Freshers'25

On 14th October 2025, Comquer—the Commerce Society of Kalindi College—in collaboration with Dhanverse, organized a vibrant multi-event celebration that showcased student talent and departmental spirit. The event began with an insightful lecture on “Stress Management” by Ms. Gagandeep Kaur, who inspired students with her emphasis on adaptability and emotional resilience. This was followed by a formal Oath-Taking Ceremony for newly elected badge holders, marking an important milestone for both societies. The atmosphere then shifted to celebration with electrifying performances by Krish Sehgal and Krish Arora, who captivated the audience with their music and energy. The highlight of the day was the Miss Freshers contest, judged by Ms. Sweta Sachdeva, where participants displayed confidence, talent, and creativity, culminating in the crowning of a deserving winner. Overall, the event was a grand success, blending learning, leadership, and entertainment while reflecting the unity, enthusiasm, and dynamic spirit of the student community.

2. Community Outreach Program at S.D. Girls Sr. Sec. School, East Patel Nagar

The Community Outreach Program conducted by Dhanverse at S.D. Girls Sr. Sec. School, East Patel Nagar on 4 November 2025 aimed to educate 48 students (aged 15–17) on “Investing in a Greener Tomorrow: The Power of Sustainable Choices.” Held from 10:30 AM to 12:30 PM, the interactive workshop focused on building awareness about the connection between financial decisions and environmental sustainability through presentations, discussions, brainstorming activities, quizzes, and case studies. Students were introduced to concepts like green finance, eco-friendly investments, and sustainable living practices, encouraging them to adopt responsible financial behaviour. The session highlighted key messages such as making informed investment choices, supporting eco-friendly initiatives, and understanding how small actions can create significant environmental impact. The program received positive feedback from both students and teachers for its relevance and engaging approach, successfully achieving its objective of promoting financial literacy combined with environmental consciousness.

3. Seminar on “AI and Personal Finance”

The seminar on “AI and Personal Finance,” followed by an Inter-College Fin-Olympiad, organized by Dhanverse on 14 November 2025, aimed to enhance students’ understanding of the role of Artificial Intelligence in modern financial decision-making. Conducted from 10:30 AM to 12:00 PM and led by CA Deepak Gupta, the seminar provided valuable insights into AI-powered tools such as robo-advisors, automated budgeting, and data-driven investment strategies, emphasizing smarter financial planning and risk assessment. The session was interactive, encouraging discussions on fintech trends and careers, and concluded with a felicitation of the speaker. This was followed by a competitive Fin-Olympiad with three rounds—General Olympiad and two Rapid-Fire rounds—where 14 participants showcased strong analytical and financial skills, with top performers receiving E-certificates. The event received positive feedback for its relevance, clarity, and engaging format, successfully promoting financial awareness, fintech literacy, and analytical thinking, while inspiring students to stay updated with technological advancements in finance.

4. Seminar on “Sustainable Financial Solutions: Promoting Financial Literacy and Informed Investing”

The seminar on “Sustainable Financial Solutions: Promoting Financial Literacy and Informed Investing,” organized by Dhanverse in collaboration with AMFI on 28 January 2026, aimed to enhance students’ understanding of responsible investing, financial planning, and sustainable wealth creation. Conducted from 10:30 AM to 1:00 PM for students and faculty of Kalindi College, the seminar featured Prof. Amit Kumar Singh, who provided an academic perspective on investment management, IPOs, and research-based financial analysis, and Shri Surya Kant Sharma, who offered practical insights into mutual funds, financial planning, risk assessment, and the role of regulatory bodies like AMFI. The event began with a ceremonial lamp lighting and included an interactive Q&A session that deepened students’ understanding of financial concepts and real-world applications. A Meritorious Award Ceremony was also held to recognize outstanding students across academics, sports, and extracurricular activities. The seminar received positive feedback for its balanced approach, successfully promoting financial literacy, informed investing, and ethical financial practices while encouraging students to adopt a long-term, sustainable perspective toward financial decision-making.

5. Seminar on “Leadership in the Artificial Intelligence Era”

The seminar on “Leadership in the Artificial Intelligence Era,” organized by COMQUER and Dhanverse on 5 February 2026, aimed to explore the evolving role of leadership in a technology-driven world. Conducted from 10:30 AM to 12:30 PM for students and faculty of Kalindi College, the session featured Prof. (Capt.) Bhupinder, who provided valuable insights into how AI is transforming business strategy, decision-making, and leadership dynamics. The seminar began with a ceremonial lamp lighting and Saraswati Vandana, setting a reflective tone, followed by an engaging keynote that highlighted the importance of adaptability, ethical responsibility, and balancing technology with human judgment. Through practical examples and interactive discussions, students gained a deeper understanding of AI’s role in governance, innovation, and future careers. The event concluded with a felicitation of the speaker and received positive feedback for its clarity and relevance, successfully fostering technological awareness, leadership skills, and a future-ready mindset among participants.
