REPORT ON CREATIVE WRITING COMPETITION

An online Creative writing competition under the banner of “Azadi Ka Amrut Mahotsav” was held on 17th sep, 2021 from 5:30pm to 6:30pm, organized by Physithon – The Physics Society of Department of Physics of Kalindi College, under the Convener ship of Dr. Seema Gupta and co-conveners; Dr. Rashmi Menon and Dr. Triranjita Srivastava.

A total of 42 students were present in the event from all departments of Kalindi College. The link for the event was shared at 05:15pm. And all the participants joined event with full enthusiasm. When everyone joined, Krishpi Soni explained all the rules of the event to the participants and everyone was asked to switch on their cameras. All participants submitted their content in word document on the submission link shared with them by 6:35 pm. Then after the completion of event all participants gave their feedbacks through a feedback link. It was a successful and very interesting event.

The Judge for this event was Dr. Chaity Das, from English Department of Kalindi College.

The topic of the competition was:

The winners of the creative writing competition are: -

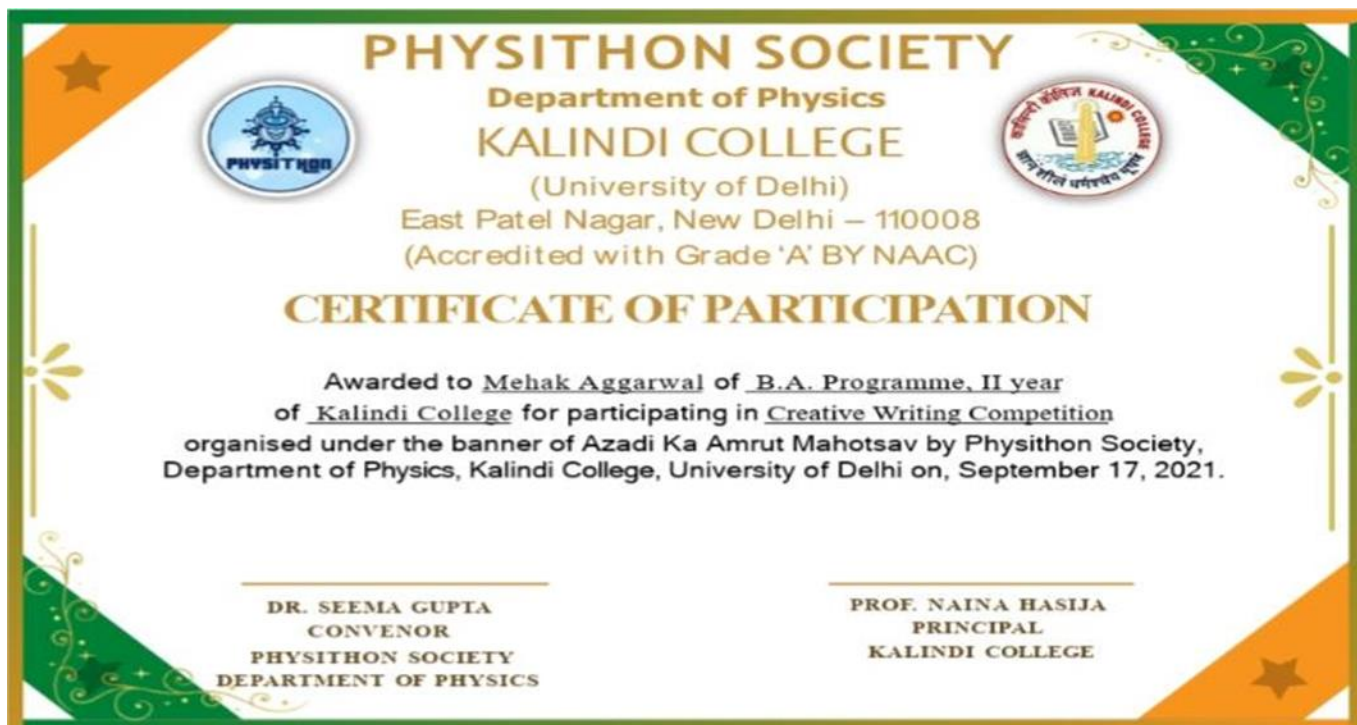

POSITION	NAME	DEPARTMENT	YEAR
1 st	Anjali Jakhar	Bsc. (H) Chemistry	II
2 nd	Supriya Lariwal	B.A. English Honours	III
3 rd	Anubhuti Mathur	Bsc. Life Science	II

Attendance list of the participants

S. No.	NAME	COURSE	YEAR
1	Priya	B.Sc (H) Physics	III
2	Kanchan	B.Sc. physics hon.	III
3	Apurba Sen	B.a programme	II
4	Anubhuti Mathur	BSc. Life Sciences	II
5	Monali Ghosh	B.Sc(H)Chemistry	II
6	Supriya Lariwal	English Honours	III
7	Riya Bisht	B.Sc (H) Physics	III
8	Sonia Mawri	Bsc. Hons. Chemistry	II
9	Shivani Badola	B voc (Web Designing)	II
10	Anjali Jakhar	Bsc. Hons. Chemistry	II
11	Sanjana Arya	B.Sc (H) Physics	II
12	Mehak Aggarwal	Ba Programme(Computer science)	II
13	Prachi Kadiyan	B.Sc (H) Physics	III
14	Shweta	B.Sc(H) Physics	II
15	Parul Sharma	Bsc cs hons	II
16	Yati Gupta	B.Sc (H) Physics	II
17	Shashi choudhary	B.Sc (H) Physics	II
18	Disha	B.Sc (H) Physics	III
19	Bhawana	B.Sc (H) Physics	III
20	Tanu Bhati	B.Sc (H) Physics	II

REPORT ON CAREER VARTALAP

A career counselling session with the alumni of Physics Department, Kalindi College was held on 22nd October, 2021 from 5:30 to 6:30 pm, organized jointly by Alumni Committee and Physithon – The Physics Society and was conducted under Convenorship of Dr. Seema Gupta & Ms. Neelam Bareja, Co-Convenors: Dr. Rashmi Menon & Dr. Triranjita Srivastava and Programme Coordinator: Dr. Savita Sharma.

We had **Ms. Jyoti Verma**, The VICE – PRESIDENT of GLOBAL TECHNOLOGY SOURCING – Batch(2004-2007) and **Ms. Ritu Vyaghrambare**, The SUBJECT MATTER EXPERT – Batch(2012-2015) onboarded with us for our event.

A total of 55 students were present in the event from the departments of Physics and Physical Sciences of Kalindi College. 34 students attended from BSc(H) Physics and 21 students from BSc Physical Science. The link for the event was shared at 05:15 pm. And all the students joined the event with great enthusiasm. When everyone joined, Ipsa and Sakshi hosted the event with greetings and a brief yet admirable intro for our speakers. Everyone had a wonderful response and had chat-full of queries which were then guided and answered by the speakers.

The invitation email sent to the speakers:

Greetings from PHYSITHON- The Physics Society of Kalindi College, University of Delhi. We hope you are doing well.

We are thrilled to invite you to deliver a lecture and have a discussion with the students as a resource person at the event "GENDER, CULTURE & EVERYDAY EXPERIENCE" going to be held soon on 27th October, 2021.

We feel that imparting education and spreading awareness about society's various aspects is one of the important issues which needs to be discussed amongst the youth. The event being organised

REPORT ON “GENDER, CULTURE AND THE EVERYDAY EXPERIENCE”

An online international seminar under the banner of “GENDER, CULTURE AND THE EVERYDAY EXPERIENCE” was held on 27th October, 2021 from 5:30 PM to 7:00 PM on Google Meet. The event was organised by PHYSITHON- The Physics Society of Kalindi College, University of Delhi under the convenership of Dr. Seema Gupta, the co-conveners, Dr. Rashmi Menon and Dr. Triranjita Srivastava and the programme coordinator, Dr. Savita Sharma.

Mr. Shiv Datt Sharma and Miss Nandita Dutta were invited as the keynote speakers for delivering lectures to the students attending the webinar. Mr. Shiv Datt Sharma is a founding member of the Centre of Studies in Gender and Sexuality at Ashoka University, and is currently pursuing a PhD in Gender Studies at Emory University, U.S.A. He is also a past recipient of the prestigious Fulbright-Nehru Scholarship and holds a Masters in History. Miss Nandita Dutta is the author of a first-of-its kind book, F-rated: Being A Woman Filmmaker in India. She holds a Masters in Gender Studies from the School of Oriental and African Studies, University of London, where she was a chevening scholar and is currently pursuing a PhD at University College London.

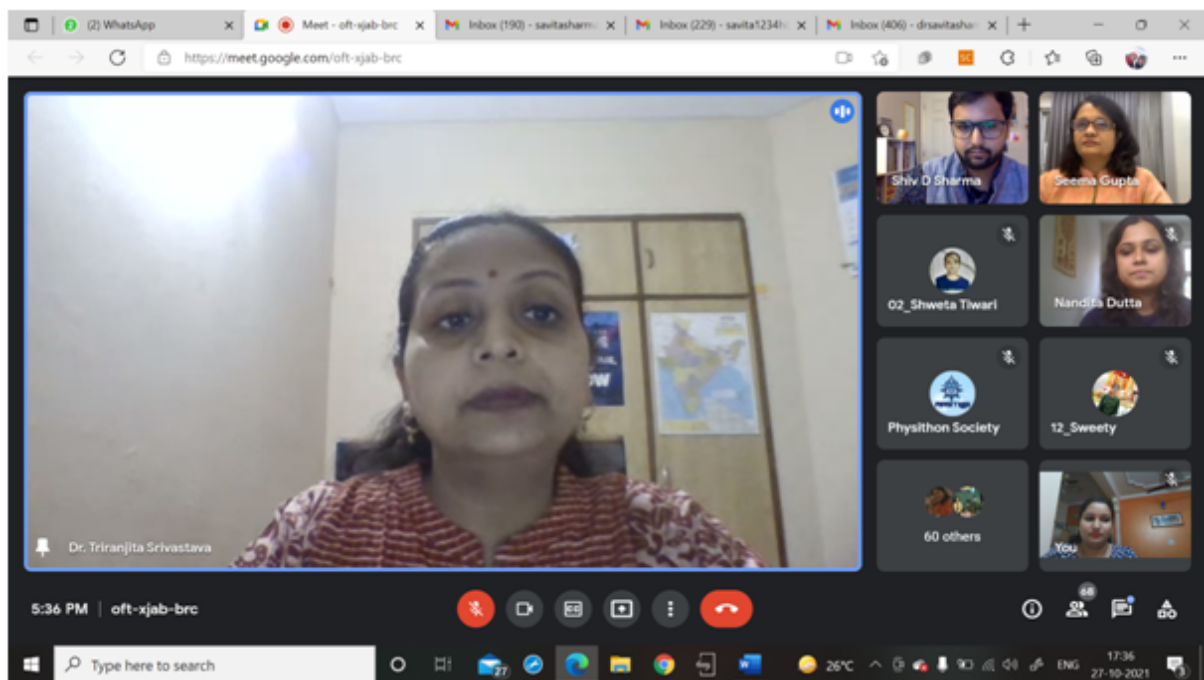

The co-convener, Dr. Triranjita Srivastava gave opening remarks and welcomed the audience to the event. The convener, Dr. Seema Gupta welcomed the honourable guests and gave a brief introduction of the event. Programme coordinator, Dr. Savita Sharma introduced the keynote speakers, Miss Nandita Dutta and Mr. Shiv Datt Sharma. The event was also aired on youtube on the “Kalindi College” channel.

The link for the online webinar was shared to the registered participants via email at 3 PM on 27th October, 2021. A total of 81 students participated in the webinar from different departments of Kalindi College and other colleges as well. The presentations used by the speakers were thought provoking and the whole discussion with the students was highly impressive. The event was interactive wherein many students exchanged their respective opinions and different perspectives on different topics relevant to gender and society.

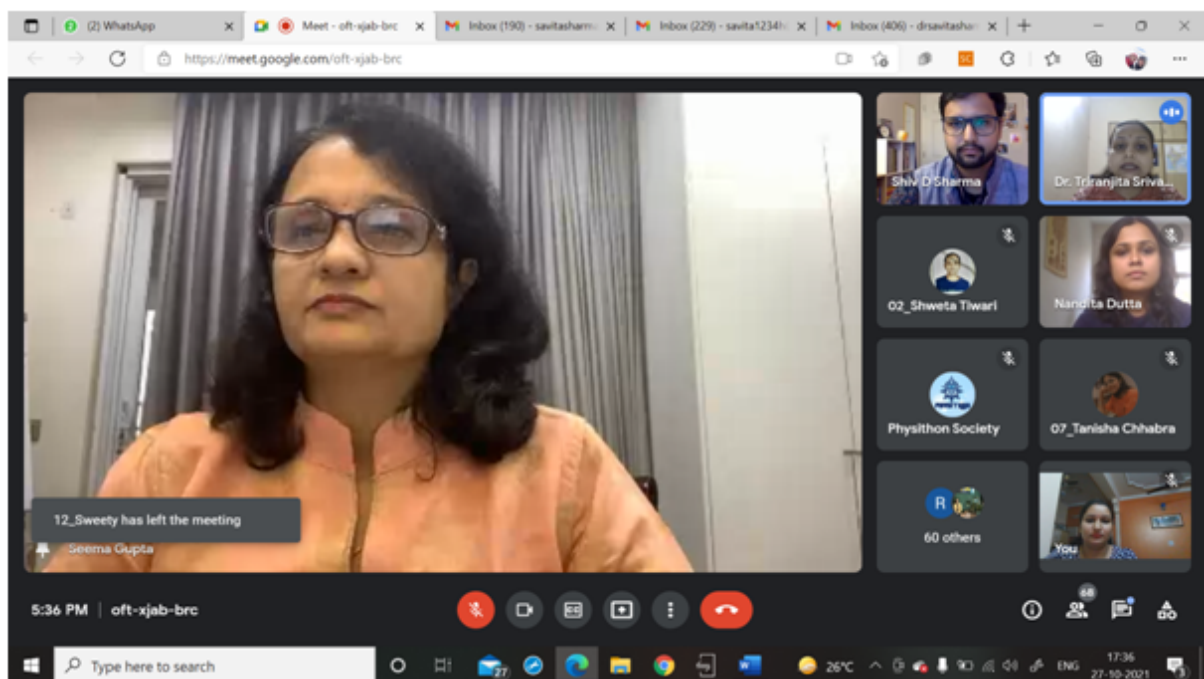

In the end, the audience expressed their gratitude and appreciated the guest speakers for presenting an imperative topic in an intriguing manner. Overall, the event aiming for gender sensitization was amazing and informative for all the students and other attendees.

Department: Physics

Name of the activity: Lecture on “How to use Google Classroom and Google Meet”

Funding Agency (Internal/External) and Amount: NA

Name of the Conveners: Dr. Seema Gupta

Date/s (-to-) and time (-to-) of activity: 22-11-2021

Collaborating agency if any: NA

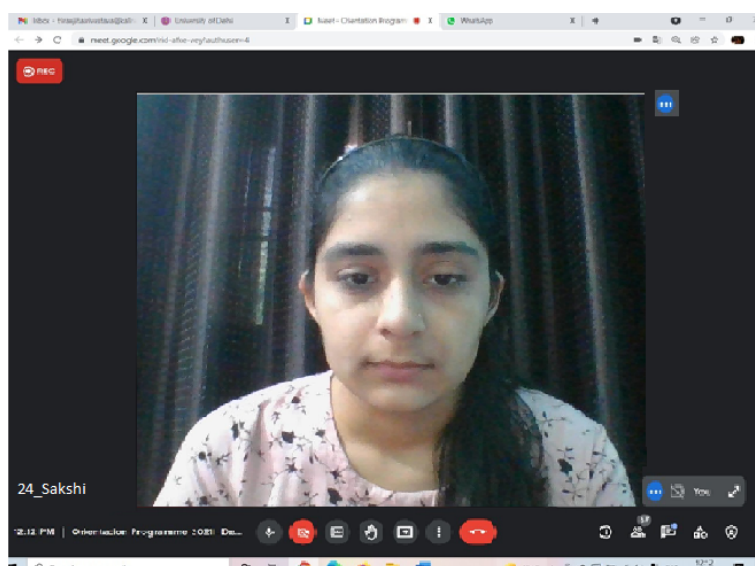

Number of students and teachers: 82

Number of participants outside Kalindi College: NA

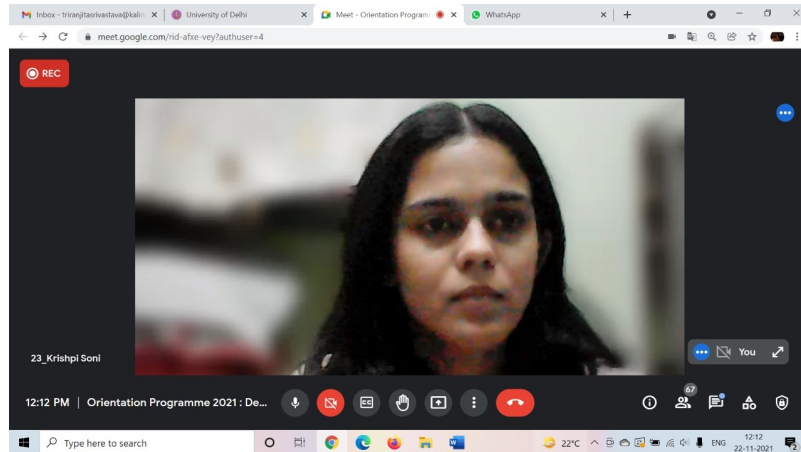

Report on Lecture on “How to use Google Classroom and Google Meet”

A Lecture on “How to use Google Classroom and Google Meet” was organized by Physithon - *The Physics Society* under the Convenership of Dr. Seema Gupta and Co-Conveners – Dr. Rashmi Menon and Dr. Triranjita Srivastava for B.Sc. (H) Physics Ist yr and B.Sc. Physical Sciences Ist yr students on 22 Nov. 2021. The lecture was delivered by Ms. Sakshi and Ms. Krishpi Soni students of B.Sc. (H) Physics IInd yr. Around 82 students were benefited by the talk. The event was very interactive and highly appreciated by the students.

Report of Rewiring your genetics: from genetics to epigenetics

- Department/Committee/Cell/Cultural Clubs, Others: PHYSITHON SOCIETY
- Name of the activity: REWIRING YOUR GENETICS: FROM GENETICS TO EPIGENETICS
- Funding Agency (Internal/External) and Amount: INTERNAL, Rs. 2000/-
- Name of the TIC/CONVENER/COORDINATOR/NODEL OFFICER/OTHER:
Dr. SEEMA GUPTA
- Date/s (-to-) and time (-to-) of activity: 15 January 2022, At 3:00 PM
- Collaborating agency if any: NONE
- Number of students and teachers: 113 Students & 12 Faculty Members
- Number of participants outside Kalindi College: 8 Students & 4 Faculty Members

Presents

National Webinar On
'Rewiring Your Genetics: From
Genetics To Epigenetics'

Keynote Speaker:
Dr. Sujata Mittal

MS
Sr Gyne Oncologist
Lifestyle Medicine Expert
Holistic Cancer Coach
Functional Medicine Expert

3 PM | 15 Jan' 22

REPORT ON REWIRING YOUR GENETIC: FROM GENETICS TO EPIGENETICS

On 15th January 2022 at 3 pm a National Webinar was conducted by Physithon – The Physics Society of Kalindi College. The topic for the event was “Rewiring Your Genetics: From Genetic to Epigenetic”, our eloquent speaker for the evening who made the webinar an extremely informative and interesting one was, Dr Sujata Mittal who is, MS, Se Gyne Oncologist, Lifestyle Medicine Expert, Holistic Cancer coach and Functional Medicine Expert. The event was conducted with the constant guidance and support from our Principal – Prof. Naina Hasija, Convenor – Dr. Seema Gupta, Co-Convenors – Dr. Triranjita Srivastava and Dr. Rashmi Menon, Program Coordinator – Dr. Savita Sharma, with their help the event was a huge success for all of us.

The event was conducted on the platforms of Google meet and You-Tube and a total of 137 students were present from the departments of Physics and Physical Sciences of Kalindi College and students from other colleges attended the event too. 66 students attended from BSc(H) Physics, 31 students from BSc Physical Science and 30 students from other colleges. The event started sharp at 3:10 p.m. All the students joined the event with great enthusiasm. When everyone joined Seema ma'am, Triranjita ma'am and Savita ma'am started the event with a warm welcoming speech and a brief yet admirable introduction of our honorable speaker. Everyone had a wonderful response and had chat-full of queries which were then guided and answered by our speaker.

SOME PICTURES FROM THE EVENT

The screenshot shows a Zoom meeting interface. The main window displays a presentation slide titled "Nuclear Transfer Studies". The slide contains four diagrams labeled 1 through 4, each showing a process of nuclear transfer between different cell types. Diagram 1 shows a somatic cell and an egg cell. Diagram 2 shows a somatic cell and a zygote. Diagram 3 shows a somatic cell and a zygote. Diagram 4 shows a somatic cell and a zygote. The diagrams illustrate the process of nuclear transfer and the resulting cell types.

Below the slide, a location card for Berla, Haryana, India is visible, showing a map and the following coordinates and time:

Berla, Haryana, India
G259+W28, Berla, Haryana 127308, India
Lat 28.510184°
Long 76.017804°
15/01/22 03:21 PM

The Zoom interface also shows a list of participants on the right side, including Sujata Mittal, Triranjita Srivastava, Sevita Sharma, Seema Chugh, Physics Department, Physalithon Society, and 22 Bhushma.

Dr.Sujata Mittal discussing about Nuclear Transfer Studies.

The screenshot shows a Zoom meeting interface. The main window displays a presentation slide titled "Physical Detox". The slide lists several points:

- Diet
- Foods to be avoided
- Gut Health
- Intermittent Fasting
- Good sleep
- Avoiding Toxic Exposures
- Supplements
- Body cleansing through enemas/colon therapy

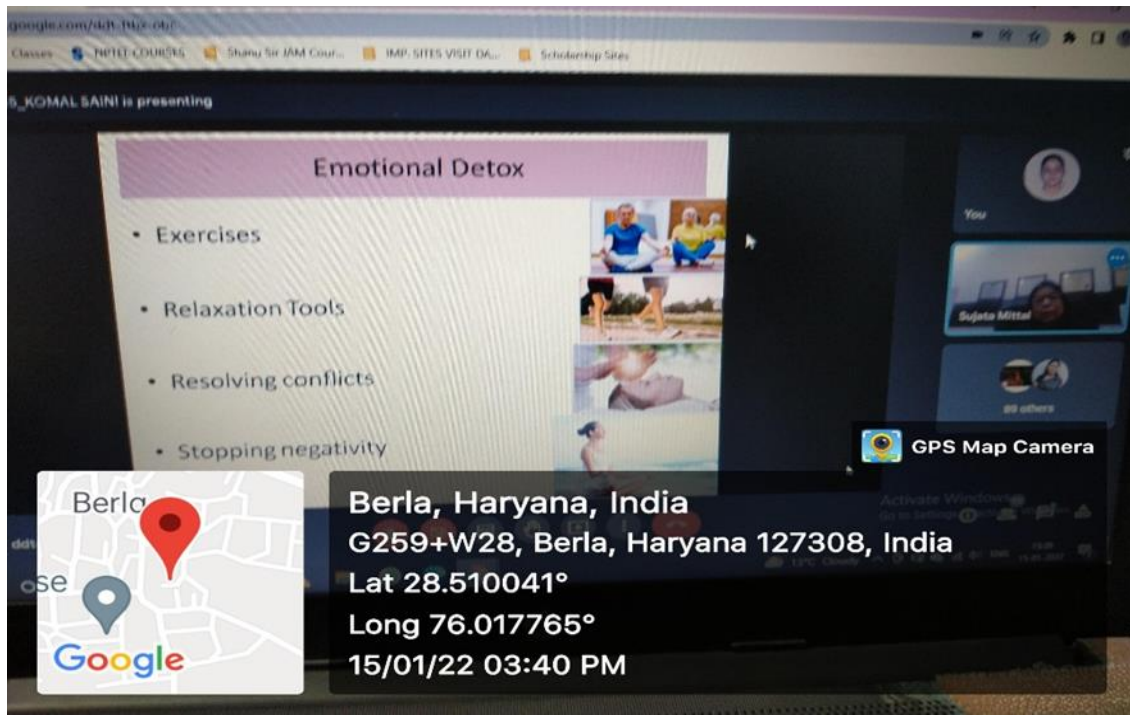

The slide also includes images of a bowl of salad, a person's midsection, a bottle of supplements, and a person lying down.

Below the slide, a location card for Berla, Haryana, India is visible, showing a map and the following coordinates and time:

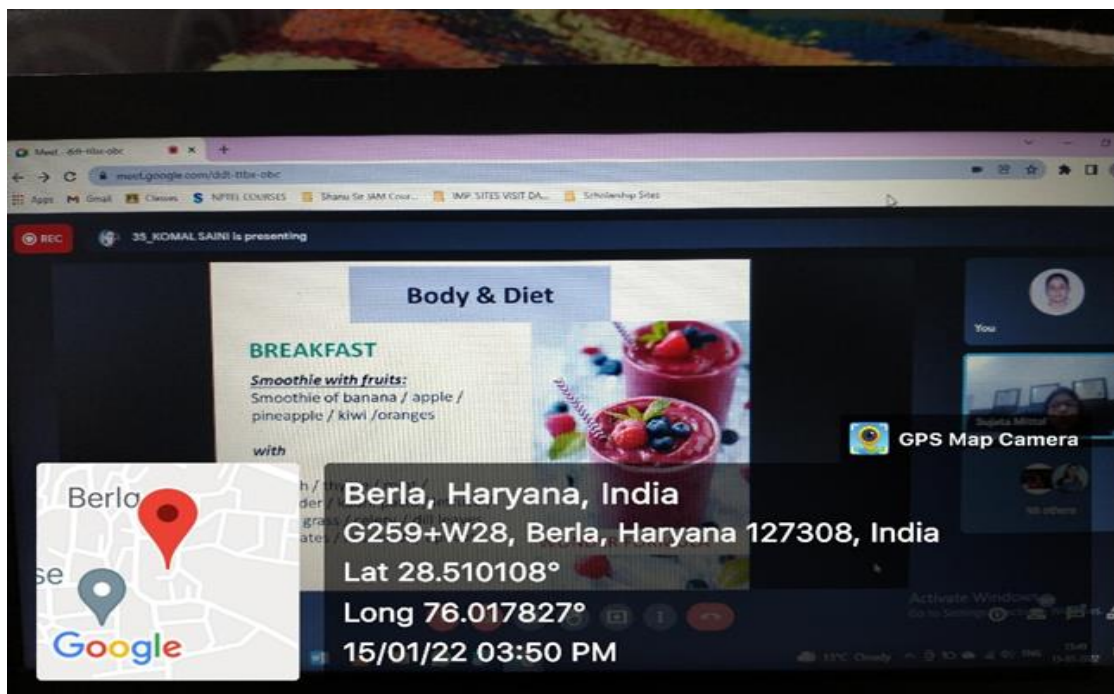

Berla, Haryana, India
G259+W28, Berla, Haryana 127308, India
Lat 28.510182°
Long 76.017801°
15/01/22 03:39 PM

The Zoom interface also shows a list of participants on the right side, including You, Sujata Mittal, and 88 others.

Dr.Sujata Mittal discussing about, what Physical Detox is.

Dr.Sujata Mittal discussing about, what Emotional Detox is.

Dr.Sujata Mittal discussing about, what's a healthy diet for a body.

REPORT OF COSMATRIX'22

- Department/Committee/Cell/Cultural Clubs, Others: PHYSITHON SOCIETY
- Name of the activity: COSMATRIX'22
- Funding Agency (Internal/External) and Amount: (Internal) Rs. 10,200/-
- Name of the TIC/CONVENER/COORDINATOR/NODEL

OFFICER/OTHER: Dr. SEEMA GUPTA

- Date/s (-to-) and time (-to-) of activity: 29 January, 2022, 10:30 am -4:00 pm
- Collaborating agency if any: NONE
- Number of students and teachers:

Felicitation Ceremony: 5 Faculty members, 51 Students

Space Wanderers: 27 Students & 1 Faculty

Guess & Get: 45 Students & 1 Faculty

Testing Time: 44 Students & 1 Faculty

What If?: 18 Students & 1 Faculty

- Number of participants outside Kalindi College:

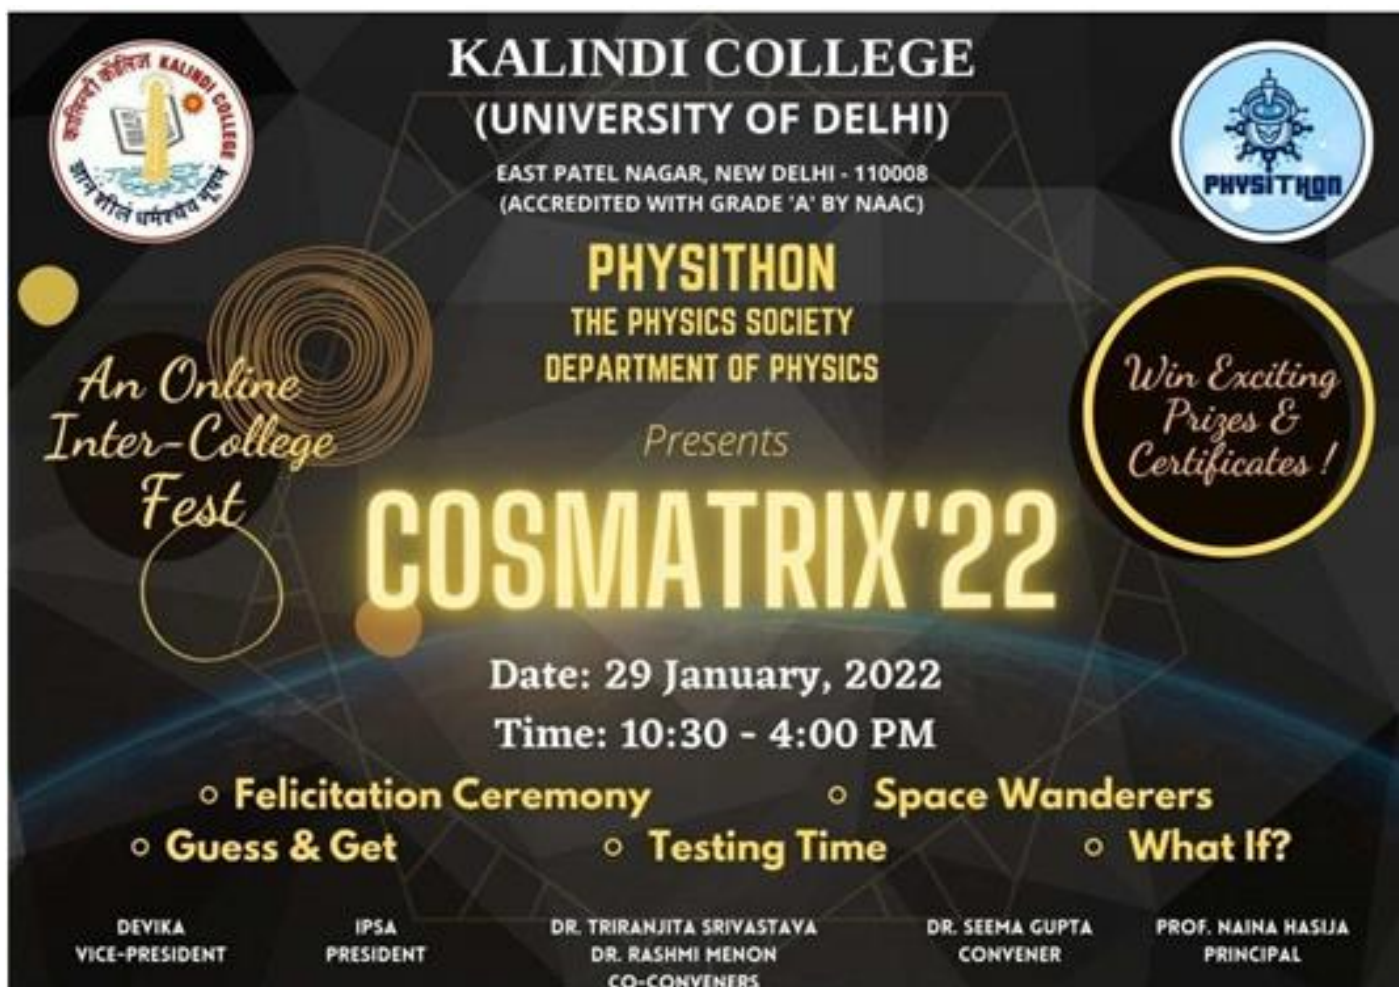

Felicitation Ceremony: 2 Students

Space Wanderers: 6 Students

Guess & Get: 6 Students

Testing Time: 6 Students

What If?: 8 Students

COSMATRIX'22 REPORT

An inter-college fest, “COSMATRIX’22” was organized by Physithon, the Physics Society of Kalindi College on 29th January 2022. Due to the pandemic, the fest was held on a virtual platform which was a new and great learning experience for many of the participants. The event consisted of a felicitation ceremony and 4 activities.

The activities organized were:

1. Space Wanderers
2. Guess and Get
3. Testing Time
4. What If?

The students participated with so much enthusiasm and joy.

All four activities were conducted by the whole team. The whole event was a huge success for the Physithon team.

FELICITATION CEREMONY

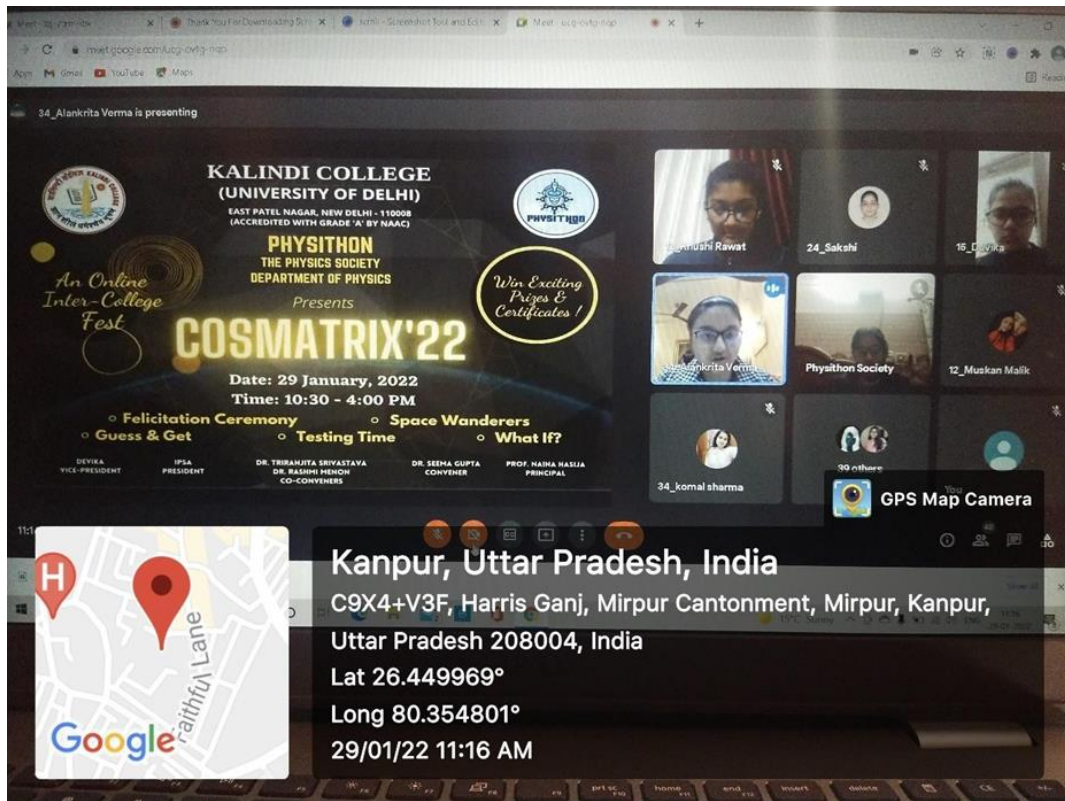

On 29th January 2022, from 10:30 am onwards, the event started with the felicitation ceremony which was organized to give recognition to the office bearers and volunteers of the Physithon Society for session 2020-21. The Convener, Dr. Seema Gupta, and Co-conveners Dr. Triranjita Srivastava and Dr. Rashmi Menon started the ceremony with a warm and welcoming speech and admirable introduction of our office bearers of 2020-21.

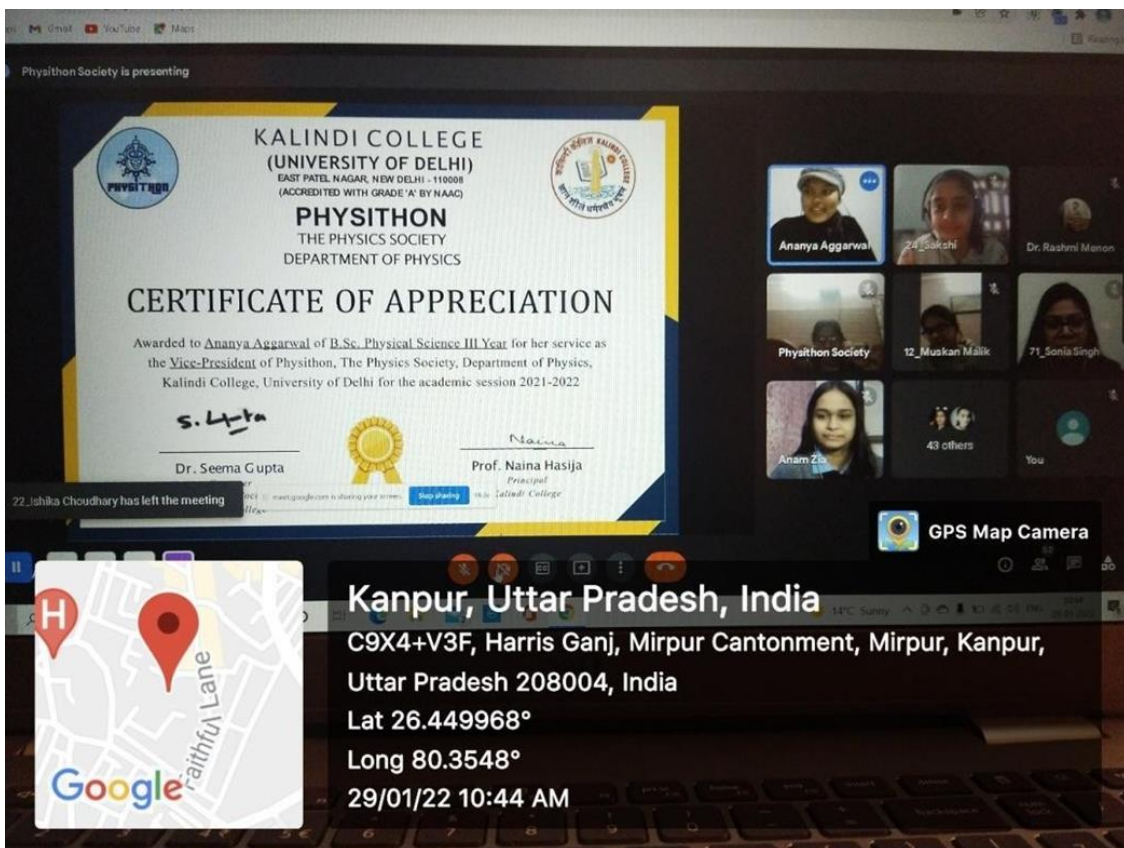

Then, Anam Zia, Ex-President of Physithon Society said a few words where she briefly described her journey as the President of the society and the importance of societies along with the academics which was followed by the Ex-Vice President of the society, Ananya Aggarwal. After that, the certificates were presented to the President, Vice President, and the rest of the office bearers and volunteers of session 2020-21. Students from the Department of Physics and Physical Sciences attended the felicitation ceremony as well.

It was a nostalgic moment for both the students and the teachers as we concluded the ceremony with a vote of thanks. The ceremony culminated with the hope that the coming years will see more dedicated and passionate students towards society and take it to greater heights.

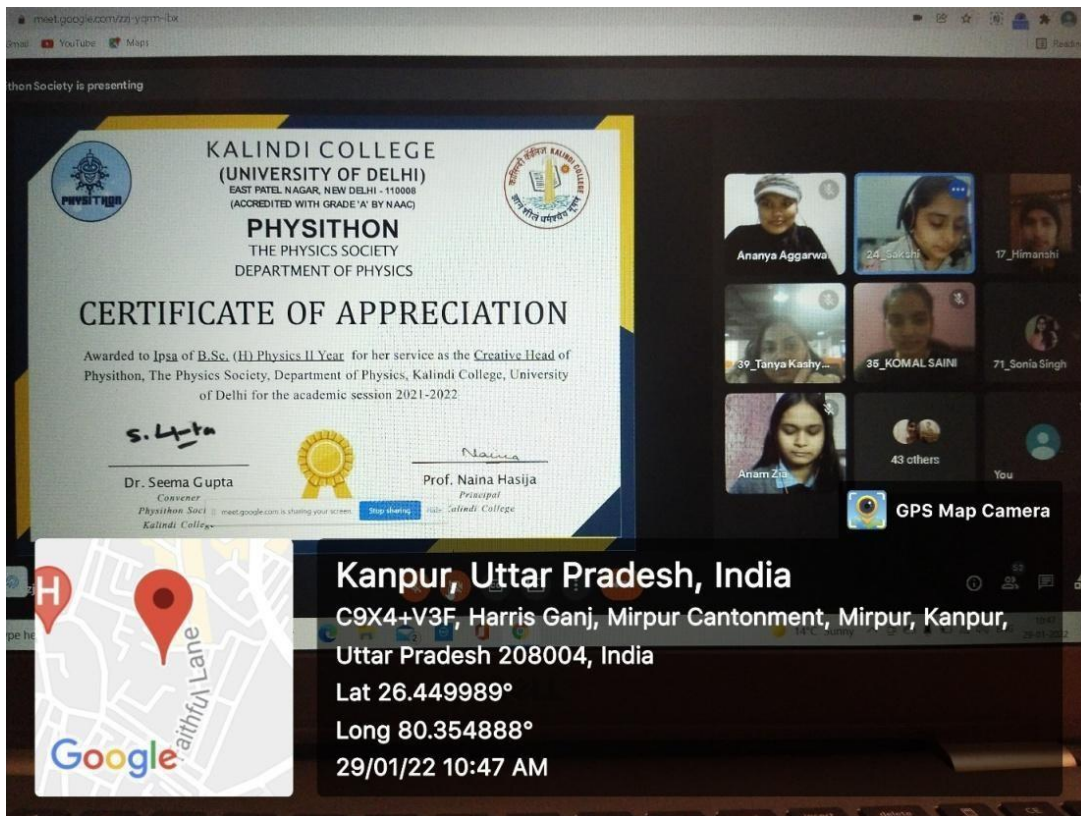

- PHOTOS FROM THE EVENT

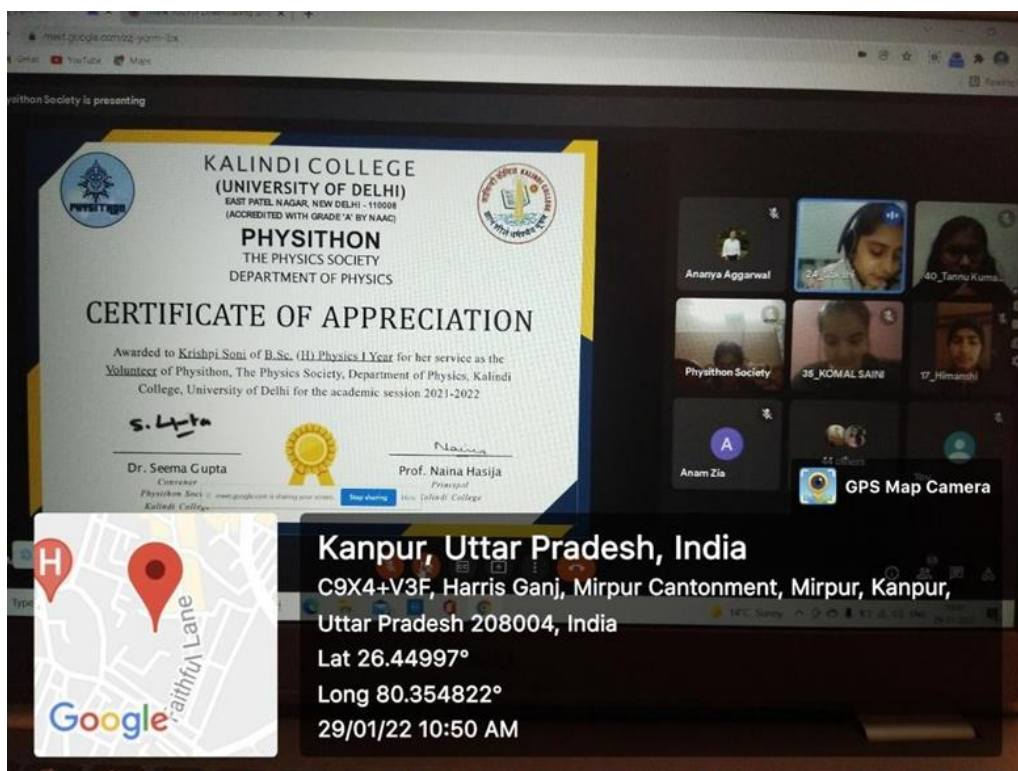

The poster of the Cosmatrix event was displayed in the meeting

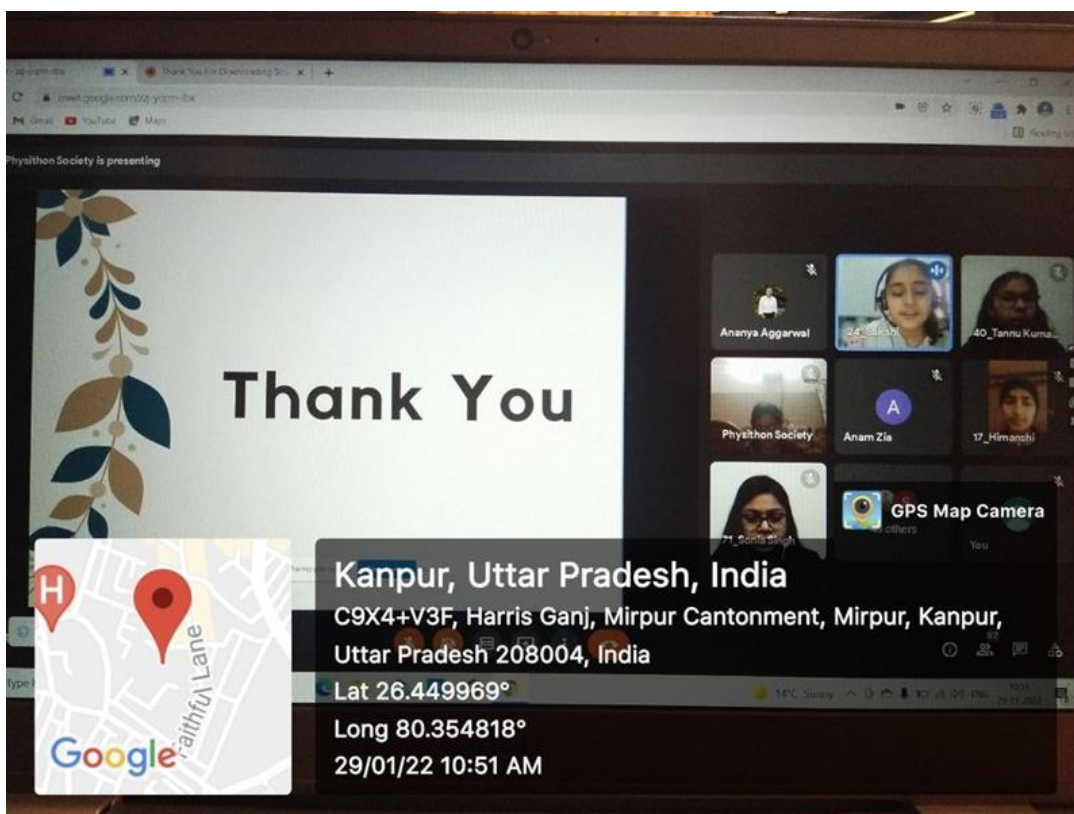

Vice-President of session 20-21 speaking about her journey

Awarding certificates to the Office Bearers of session 20-21 for their services at Physithon

Certificates being awarded to the Volunteers of session 20-21

Thanking and closing remarks by Physithon

EVENT 1: WHAT IF?

WHAT IF?

🕒 11:15 AM | 29 Jan' 22

Registration Link: <https://forms.gle/3m7Af3P5gEEg3C218>

RULES

1. Topics for the event will be provided in the meeting itself.
2. Participants have to select only 1 topic and write an essay on it with a maximum word limit of 500 words.
3. Participants will have to complete and submit their work through a google form within a time limit of 1 hour.
4. The content should be typed in a word file (MS Word Document) and it should be in English only.
5. No handwritten work will be accepted.
6. In case of any discrepancy, final decisions will be taken by the judges.
7. Any kind of plagiarism will lead to disqualification.

Report:

An Inter-college online essay writing competition was organized on 29th January 2022, 11:15 am by the Physithon Society, Physics society of Kalindi College. It was coordinated by Dr. Mazhar Ali. Students from Kalindi College and other colleges participated in the event. Topics for the event were provided in the meeting itself and participants had to select only one topic from the given ten topics and write an essay on it. Students participated with great enthusiasm. The topics were very interesting so overall it was a fun event.

Winners:

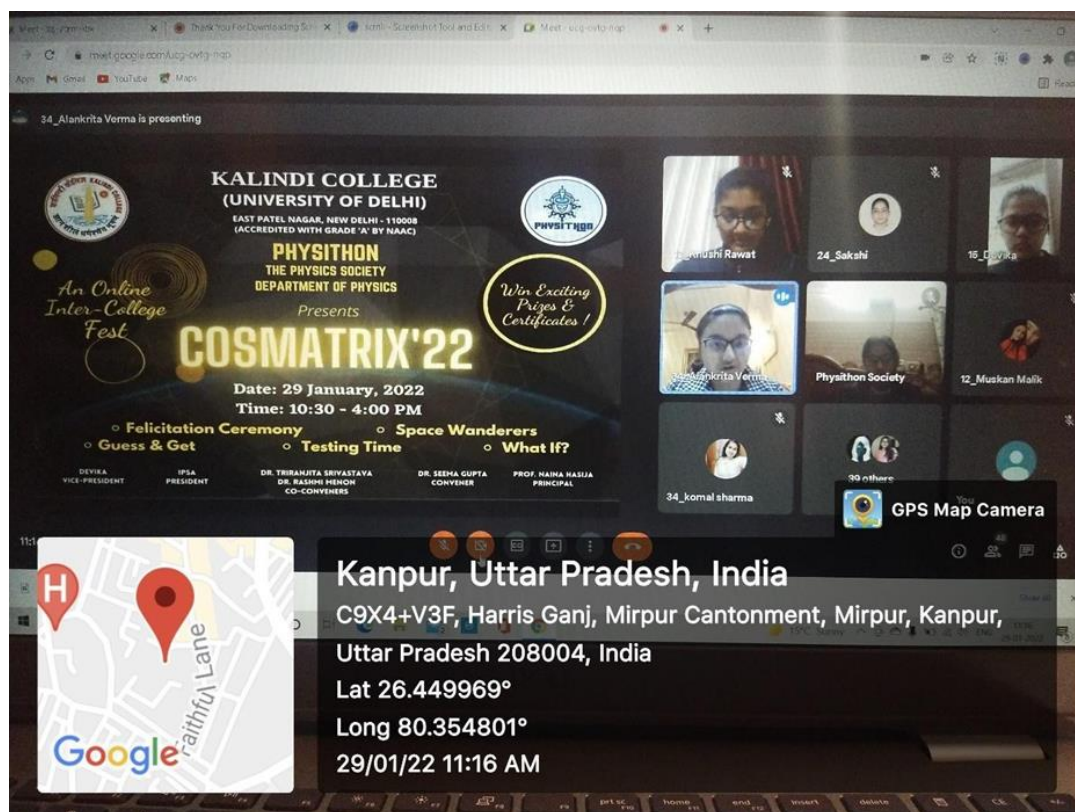

S. No.	Position	Name	Course & Year	College
1.	I	SHUBHANGI SHARMA	B. SC. PHYSICAL SCIENCE, III YEAR	KALINDI COLLEGE
2.	II	ASHISH KUMAR SHARMA	B.SC. (H) PHYSICS, III YEAR	MOTILAL NEHRU COLLEGE
3.	III	SHRISHTI SHARMA	B. SC. PHYSICAL SCIENCE, I YEAR	KALINDI COLLEGE

Certificates:

1/29/2022 12:46:47	Dolly Kapoor	B.Sc. Physical science, 1st year	Kalindi College

Reviews:

- It was a nice experience. Glad to be part of the competition.
- All the topics were very interesting.
- This is amazing
- It was a good experience giving our views on great topics
- topics are very interesting
- "Just as the name, Every Topic reminds me of the 'What if' channel of YouTube.
- I don't agree with the last topic mentioned because we are not yet sure about the big bang. The topics were revolving around only one genre, maybe I was expecting every subject as it was not mentioned to be about space only. But having space enthusiastic, was awesome for me. I liked the posters very much! Beautiful"
- It was a very enjoyable event. The topics were very interesting and I enjoyed this event. Thanks for organizing.
- Good
- Wonderful event
- Such a different topic a saw, so amazing, and very nice to take part in this event. Enjoyed it a lot while writing.
- Interesting topics

- Good experience
- Nice
- I want more of these types of competitions.
- Good
- It was a good experience
- It was an amazing Competition. Centered on what if it allowed me to explore my mind and imagination. I loved it.
- It was super fun!
- The topic is interesting...I enjoyed lots
- The topics were nice and the event will be encouraging for all the people who enjoy writing.
- The topics were very interesting
- It was a really good competition, I liked it, and you all should conduct this type of competition frequently. Through this, we learn how to manage time and obviously knowledge. Thank you for conducting this competition.
- It was an amazing experience
- great topics
- Very Interesting Event

EVENT 2: SPACE WANDERERS

Report:

On 29 January 2022 at 12:15 the space wanderer's activity was conducted by Physithon -The Physics Society of Kalindi College. The event was conducted under the guidance and support of Mrs. Varsha on the platform Google Meet. A total of 34 students from Kalindi college and other colleges participated in the event. Students participated with great enthusiasm. Pragya, the volunteer of Physithon Society, started hosting the activity and briefed the participants about the activity including the rules and how the quiz will be conducted. The whole quiz was conducted on Kahoot App where we had two rounds. A total of 10 students cleared round 1 and then were selected for round 2. We got a great and active response from the participants. There was a good number of feedback and responses. Once the quiz was over top 3 were selected after discussion with the teacher.

Winners:

S. No.	Position	Name	Course & Year	College
1.	I	ADITI SINGH	B.SC. (H) COMPUTER SCIENCE, III YEAR	SHAHEED RAJGURU COLLEGE FOR APPLIED SCIENCES FOR WOMEN
2.	II	ANUSHKA	B.SC. (H) PHYSICS, III YEAR	ATMA RAM SANATAN COLLEGE
3.	III	ASHISH KUMAR SHARMA	B.SC. (H) PHYSICS, III YEAR	MOTILAL NEHRU COLLEGE

1/29/2022 14:34:40	Simran	B.Sc. physical science with computer science (1st YEAR)

Reviews:

- Amazing and love it.
- Enjoyed :-)
- It was so much fun
- Nice game
- It was fun, great efforts by the Physics society
- Good
- It was fun.
- Was a fun quiz! Looking forward to more :)
- Excellent
- Nothing! Just it was a great test of my reflex actions. Enjoyed Kahoot!!

- Very nice quiz
- Good experience.
- It's fruitful and informative
- Another alternative would be much better, I could barely get 2 2nds to read the questions.
- Amazing quiz
- Too good
- It was a fun and nice event
- The game was amazing
- The quiz was amazing.
- It was fun at all and amazing
- It was great fun. Some ques are good & some are out of mind 😜. but overall, it was good. Thank you!!
- Nicely prepared quiz with ample time to answer
- My network was working fine even then there was a lag sometimes
- Excited
- it was amazing to be part of this quiz
- Very nice quiz and nice question. enjoyed a lot
- The quiz was really interesting. I enjoyed it very much and thank you our seniors for making these efforts for us. Excited for more events further
- It was very thrilling and an amazing experience
- I am very upset. I am unable to join the game I tried many times.
- Very interesting game but I miss so many ques to respond and at least you should 30sec. To response, 20 sec. Are very less.
- It was a great event
- Quiz was good but less time was given to read the questions
- It was a fun yet a bit difficult quiz.
- The quiz was good. Got to learn several things. Hope to participate in many more events like this in the future.
- A demo must have been given or some instructions on how to attempt the quiz.
- Nice
- Great quiz but network lag.

EVENT 3: GUESS AND GET

GUESS & GET

🕒 1:45 PM | 29 Jan' 22

[Registration Link: https://forms.gle/v2Je6MnKvGcoSHix8](https://forms.gle/v2Je6MnKvGcoSHix8)

RULES

- The first pdf will be unlocked containing a riddle whose answer will be the password of the next PDF.
- Solve PDFs in sequence to reach the final answer.
- Winners will be decided on the basis of how fast they will reach the correct answers.
- Write passwords only in CAPITAL letters and use only a single space to distinguish between two words. For eg. MY PASSWORD.
- Use only the registered email I'D of one participant while filling the answers in google forms.
- Answers with any different mail I'd (s) will be disqualified.
- Individual as well as team participation is allowed.

Report:

'GUESS AND GET ' event were organized on 29th January 2022, from 2:30 pm onwards by Physithon- The Physics Society of Kalindi College, Delhi University. The event started with giving instructions to the participants from the Discipline head - Sakshi. The questions were sent via mail to each participant. Dr. Arvind Kumar, professor of the Physics department of Kalindi College was also present throughout the event to encourage students.

Feedback from the participants was full of their enthusiasm and how much they enjoyed it.

The event culminated with the hope of spreading a spirit of competition and promotion of science among students.

Winners:

Reviews:

- Interesting quiz
- The very nice event was enjoyed a lot
- It was interesting but the 1st question must be given correctly
- It was an amazing event
- A question was wrong, but the rest of the orientation and competition was nicely arranged.
- The game is just amazing. I enjoyed a lot
- Nice experience

- It was awesome.
- PHILOSOPHER
- It was super interesting and also different from the usual events. Hope you will organize similar events in the future as well.
- Robert P. Crease
- Enjoyed a lot
- Nice
- It was fun to do and enjoyed it a lot.
- Good one!! Enjoyed
- Good
- Amazing
- It was an amazing experience.
- I have enjoyed very much
- Enjoyed the event congratulations to the organizing team
- It was a great, perfect mixture of creativity, knowledge, and fun. Loved it!!!!
- It was a fun activity that I enjoyed the most
- It's amazing
- It was an interesting Competition. It allowed me to twist my mind. I loved it.
- Amazing activity
- Well organized event
- It was good
- It was amazing
- It was so much fun.
- The questions were a little ambiguous. There were a few grammatical and logical errors in the questions. You could have made the questions clear. The event got over very quickly. And the meeting before the event seemed unnecessary.
- INTERESTING AND REFRESHING
- Amazing game, very much like it
- You guys did a good job. The questions were good and also the idea of this pdf with password thing. I would love to participate in such a contest in the future too.

EVENT 4: TESTING TIME

Report:

On 29 Jan 2022 at 3:00 pm, the testing time activity was conducted by Physithon-the Physics society of Kalindi College. A total of 68 students were present along with Mr. Ankur Anand Sir and the members of Physithon society. The students from Kalindi College and other colleges participated in the same.

At 2:55 pm, a link was shared in the WhatsApp group made a day before the event and the participants were asked to start joining. At 3:05 pm, Tannu Kumari Gupta started hosting the event and briefed the participants about the activity including the rules and how the quiz will be conducted. We had 2 rounds.

At 3:08 pm, a link for round 1 was shared via WhatsApp group and the quiz was started at 3:15 pm. The top 10 winners for 1st round were announced and they were now eligible for 2nd round. At 3:34 pm, a link for 2nd round was shared. The feedback form was shared at 3:37 pm. The final winners were announced at 4:34 pm. It was a fun event that received positive feedback from the participants.

Reviews:

- Good experience
- Good Quiz
- Very interesting quiz, it was, the options were similar but only we have to choose the phenomenon behind the pictorial quiz
- Nice
- Good and amazing
- "I guess, it could have been better. The options given were kind of similar. Or even that when we told to fill the 'phenomenon'. There were phenomena related to a particular event.
- e.g., that was a diffraction pattern.
- That banking of road one.
- That bomb explosion.
- Anyhow, I was probably expecting it to be up to mark after previous events. The options mentioned were Kind of absurd, similar, unclear. It was like just designed in a kind of hurry. Sorry."
- Very Interesting
- Nice
- Good. But the answers were quite uncleared, especially in the last round.
- The quiz was amazing
- It was good
- "It was a wonderful experience, the odd-even with brackets showing 2 names was not understandable.
- It should be made clear before, I guess. Otherwise, glad to be part of the competition.
- Amazing
- The quiz was amazing. Hoping to participate in more of these types of quizzes...thanks
- It was a very good experience, giving this quiz to check ourselves and to increase our IQ and mental ability. So, thanks for this.
- "Great... Awesome...
- There was a lot of fun. Thank you for organizing this event.
- The quiz was quite interesting. I was excited to be a part.
- I want an organizer to organize these types of events more.
- Enjoyed it
- "I found many answers incorrect as set by quiz setter. 2nd round was a mess. I was sure that many of them I attempted Correct but it was showing incorrect. From next time please ensure that things are correct at the backend or it can be a bug on the Kahoot app."
- Good
- Good

**A Departmental Event
Celebrating
National Science Day**

28th February, 2022

9:30AM-3:00PM

Venue: Science Block, First Floor

Report:

On 28 February, 2022, Vigyanotsav event was organised by the Physithon society, Department of Physics, Kalindi College, University of Delhi to celebrate the national science day. Following three activities were conducted:

1. Vigyan Vichar: The Technical Writing Competition
2. Vigyan Manthan: The Paper Presentation Competition
3. Vigyan Chitran : The Poster Making Competition

Few fun activities like crossword, wordsearch and quiz, were also conducted. It was an intra-college event and many students from Physics (H) and Physical Sciences participated in the event.

It was the first offline event after the college reopened and was a huge success.. At the end of the event, Macrocosm – Newsletter committee of Physics department introduced their Newsletter of the year 2022 and the event ended with vote of thanks by the convener, Dr. Seema Gupta.

Physithon Team with the teacher of Physics Department

Vigyanotsav Poster Made by the Secretary of Physithon Society

Dr. Monika Bassi was examining the technical writing work of the participants

Tanya Kashyap (Office bearer of Physithon society) was examining that everything works fine so that no problem is faced by any participant.

Vigyan-Manthan:

VIGYAN-MANTHAN

PAPER PRESENTATION COMPETITION

Date: 28 February, 2022
 Time: 10:30 AM - 12:30 PM
 Venue: Lab 1, Science Block, First Floor

RULES:

1. THE PPT CAN BE ON ANY CONTEMPORARY TOPIC OF SCIENCE
2. THE TIME LIMIT FOR PRESENTATION IS 5 MINUTES INCLUDING THE QUESTION AND ANSWER PART.
3. PARTICIPANTS NEED TO SEND THE PRESENTATION ON PHYSITHONSOCIETY@GMAIL.COM
4. ONLY INDIVIDUAL PARTICIPATION IS ALLOWED.
5. PARTICIPANTS ARE REQUIRED TO FOLLOW COVID NORMS.

Event Conveners

Vigyan-Manthan was a power point presentation by students. The event was judged by Prof Rachana Kumar and Prof. Pushpa Bindal. The winners of the event were:

Position	Name	Course	Year
1	Tanu & Nilangi	B.Sc. (H.) Physics	III
2	Swarnima Gola	B.Sc. Physical Science	III

Vigyan-Chitran:

VIGYAN-CHITRAN
POSTER MAKING COMPETITION

Date: 28 February, 2022
Time: 1:00-2:00 PM
Venue: Lab 3, Science Block, Second Floor

RULES:

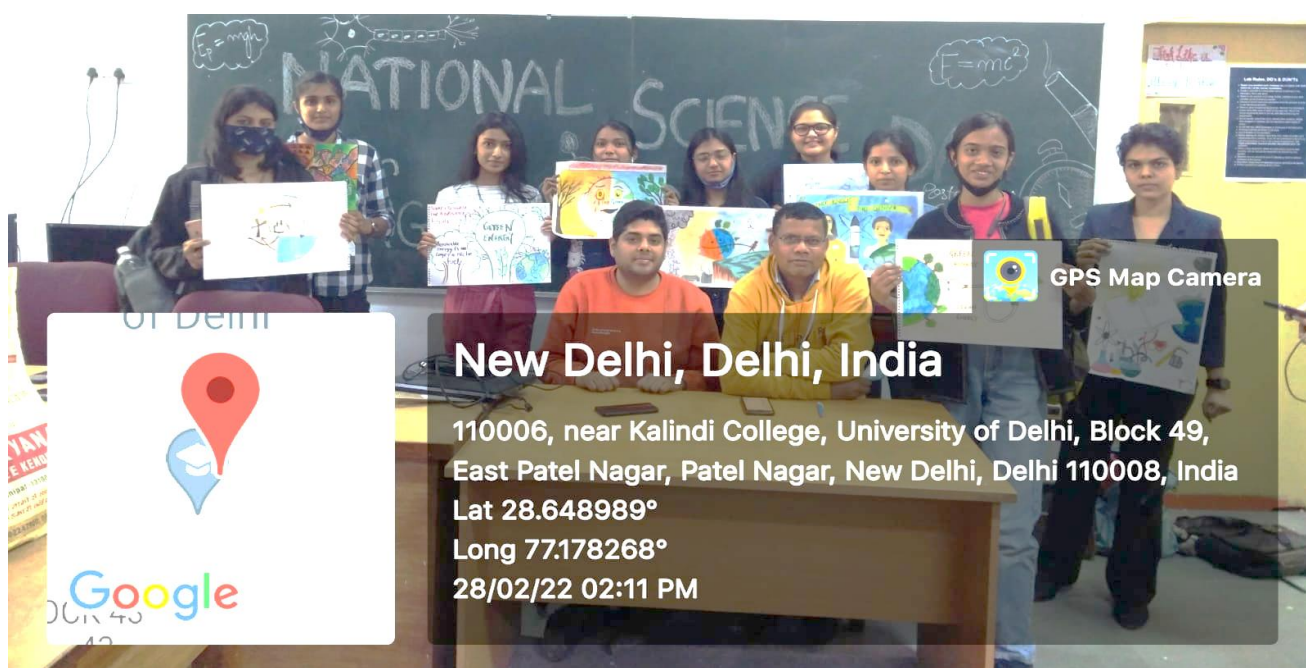

1. PARTICIPANTS SHOULD BRING THEIR OWN A3 SIZE SHEET AND COLOURS.
2. THE TIME LIMIT IS OF ONE HOUR.
3. THE TOPICS FOR THE POSTER MAKING ARE:
(A) SCIENCE FOR COVID HELP
(B) WOMEN IN SCIENCE
(C) GREEN ENERGY
4. PARTICIPANTS ARE REQUIRED TO FOLLOW COVID NORMS.

Dr. Arvind Kumar
Dr. Savita Sharma
Coordinator

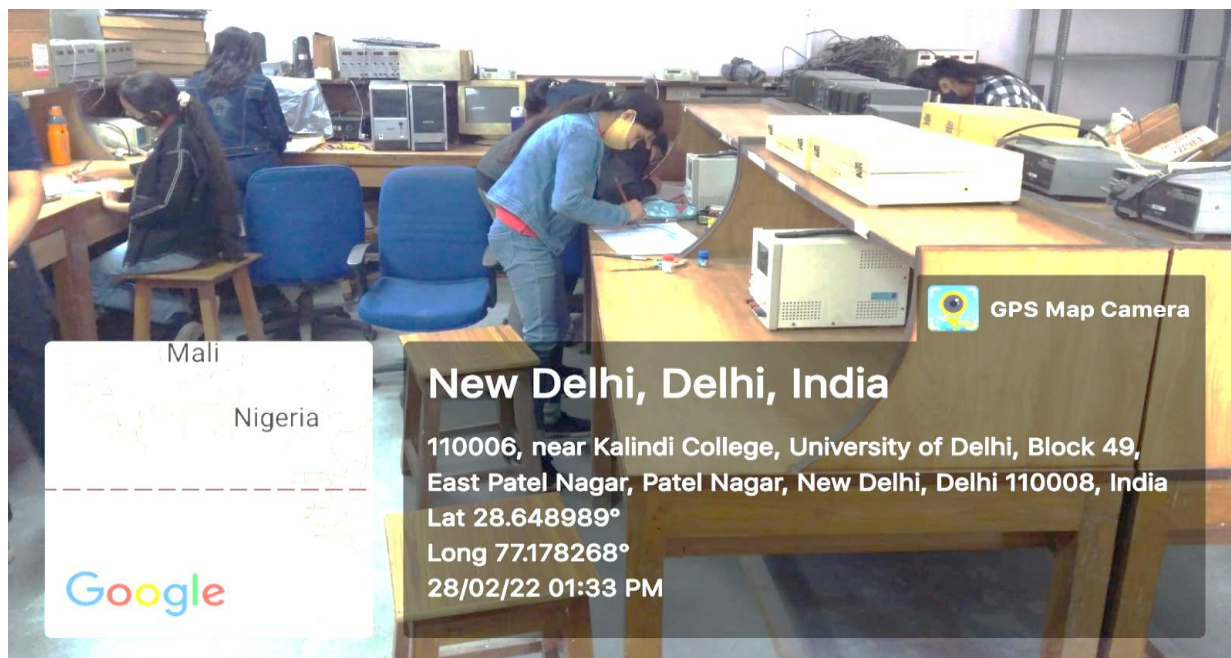

Vigyan-Chitran, a poster making competition was coordinated by Dr. Arvind Kumar. In this, the participants were already provided the topics and they had to show their creativity by drawing. This event was conducted in the Lab 3 of the science block of Physics Department. The winner were as follows:

Position	Name	Course	Year
1	Mansi	B.Sc. Physical Science	III
2	Isha Verma	B.Sc. (H.) Physics	I
3	Gazal Miglani	B.Sc. Physical Science	III

Photos From The Event:

All participants photo with the teacher coordinators of the event.

Participant making their poster

Some fun activities were also organised. The winners of fun activities:

Crossword:

- Ruchi Yadav from B.Sc. H Physics, 2nd year
- Priya Sharma from B.Sc. H Physics, 1st year
- Riya Pal from B.Sc. H Physics, 1st year

Wordsearch:

- Priya Sharma from B.Sc. H Physics, 1st year
- Charul from B.Sc. Physical science, 3rd year

10 quiz questions:

- Charul from B.Sc. Physical science, 3rd year.

Attendance of Vigyan Vihar:
