

Report of ECO CLUB (2019-20)

Convener: - Dr. Seema Sahdev

ECO CLUB of Kalindi College, University of Delhi is a multidimensional, highly active society that runs in coordination with the department of environment, Govt of NCT of Delhi. The Eco Club plays an important role in creating environmental awareness amongst the future generation. Eco club is a group of teachers and students dedicated to making our campus less wasteful, raising awareness for eco-friendly causes and promoting environmentally friendly habits like reducing, reusing and recycling.

The main objectives of eco club include:

1. Motivate the students to keep their surroundings green and clean by undertaking plantation of trees.
2. Sensitize the students to minimize the use of plastic bags, not to throw them in public places as they choke drains and sewers, cause water logging and provide breeding ground for mosquitoes.
3. Organize tree plantation programmes, awareness programmes such as quiz, essay, painting Competition, rallies, Nukkad Natak etc regarding various environmental issues.
4. Build attitude to help individuals and social groups acquire a set of values and feeling of concern for environment and the motivation for actively participating in environmental implement and protection.
5. Teach skill to students to help individual for identify and solve environmental problems.
