Contents

COVER STORY

20

This new year both planet and people need urgent support for survival

22-35

THE PANDEMIC
Ensuring equitable access to COVID-19 vaccine is a global responsibility

36-46

FARMERS

India's farm sector needs government support, and there's no doubt about it

48-56

CLIMATE

Countries must not differ or dither over their support to avert global warming

COVER STORY

28

Land rights of over a million people and the status of forests, spanning almost double the size of Kerala, remain unsettled for over half a century

10 Digest

A tribal farmer reaps rich benefits by tweaking natural farming techniques

16 Slow progress

India is nowhere close to achieving the 2022 target of doubling farmers' income

22 Cattle virus

The highly contagious lumpy skin disease has made its way into India

26 Obituary

India has lost two great conservationists whose passion remains unmatched

38 Pandemic

Will mutations in SARS-COV-2 derail the development of vaccines?

44 Factsheet

While child mortality has reduced, healthcare needs attention, shows NFHS 5

Contents

50

Revisions in scientific nomenclature fail to feature in India's wildlife law, leading to management hurdles

54

Will COVID-19 change the global world order just like previous pandemics did?

46 **Open access**

The path to ensure free access to scientific research is riddled with obstacles

48 **Patently Absurd**

Big publishers are moving to block the easy flow of scientific knowledge

58 **Civil Lines**

Global surge in protests raises questions over the democratic system

56

Little is known about the fiery stems of *chui* relished across West Bengal
