UNIVERSITY OF DELHI

THE ANNUAL RIDE

-A glimpse of our NSS Work

ABOUT NSS

The National Service Scheme (NSS) is an Indian government-sponsored public service program conducted by the Ministry of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year in 1969.

Aimed at developing student's personality through community service, NSS is a voluntary association of young people in Colleges, Universities and at +2 level working for a campus-community linkage.

MOTTO OF NSS

"NOT ME, BUT YOU"

The program aims to instilling the idea of social welfare in students, and to provide service to society without bias. NSS volunteers work to ensure that everyone who is needy gets help to enhance their standard of living and lead a life of dignity. In doing so, volunteers learn from people in villages how to lead a good life despite a scarcity of resources. It also provides help in natural and man-made disasters by providing food, clothing and first aid to the disaster's victims.

The best way to find yourself is to lose yourself in the service of others.

SEPTEMBER EDITION 2020

NSS AT GLANCE

VIRTUAL PLANTATION

Every man needs the oxygen for their life and Trees are the foremost source of oxygen as well trees helps to reduce the level of CO_2 . As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees has become one of the most important today's aspects. It was 24th SEPTEMBER 2020, Thursday the NSS unit of Kalindi college, university of Delhi took a great initiative to plant trees in the nearby surroundings on the occasion of NSS Day. Due to covid-19 we organize the virtual plantation in which each of the NSS volunteers plant the saplings in their surroundings. It was attended by NSS Programme officer Dr. Alka Chaturvedi, and all the NSS volunteers. This is an important step of afforestation to maintain the ecological balance of nature. The volunteers also placed bricks as barricades and each student took the responsibility to nourish and maintain the allocated plant. At the end of event all were happy and experience proud after the tree plantation event was finished, because it really feels great to do positive for the nature.

ONLINE DONATION DRIVE 2020

Corona virus has spread all over the world including India. During the outbreak of this communicable disease. Restrictions has been imposed by the government on routine activities as a part of social distancing norms to prevent the spread of the disease. The coronavirus pandemic has largely hit out the India's economy and people's daily life especially the poor people. Poor people are getting badly affected by it especially those who used to earn daily wages and consume daily. In India about 33 million population is farm labor who get food by working in someone field, but it has been curved due to COVID 19. Moreover, people like rickshaw and auto driver are also not earning as much money as they used to. So that they could survive with their families in the lockdown. They don't even have the essential things which we need us in daily lives. So, our NSS volunteers has taken the initiative of donating essential stuff that we have put together at our respective homes to the poor peoples. In the light of ongoing pandemic and condition of poor people, NSS Kalindi College organized Online Donation Drive event on NSS Day, 24 Sep, 2020. Under the guidance of our NSS Program Officer Dr. Alka Chaturvedi, our NSS volunteers Donated the essential things like stationary, clothes and medical supplies to the needy and poor peoples. And those who couldn't donate, had made a donation box which we will donate later. All this was conducted safely, we made sure that all the volunteers made donations are in our local areas or homes. The purpose of this entire program was to help the people in need and spread awareness among the people in this pandemic.

COLLEGE, DU IN ASSOCIATION WITH
KRANTI: SWAASTH**

The NSS Unit is working with Zoological society and Kranti: Swaasth from 15 april, 2021.

Around 25-30 NSS volunteers are working to fight against covid-19. We started a initiative with connecting people having Covid related medical and plasma requirement with donors and other verified source available.

At first, we started verifying all the information we have regarding plasma donors, medicines ,injections, beds and oxygen cylinder.

After getting a list of verified information for various requirements , we created google form links for patient requirements.

After getting request from the patients we started them to connect with the verified information. We got a great support from the members of Kranti group. We shared the google forms on various social sites. After collecting enough data we shared the verified information with everyone by providing the links for verified resources as it helps the patient to search the verified information of their need. After few days the student union team also started working with us for helping the Covid patients. In addition to plasma and medical requirement we shared information of meals for Covid patients, medical assistance and ambulance services.

REPORT ON PLANTATION DRIVE

05/05/2021

Students of DELHI UNIVERSITY –THE **NATIONAL SERVICE SCHEME** of **KALINDI COLLEGE** participated with great Zeal and Enthusiasm on the occasion of **PLANTATION DRIVE** on 05.5.2021. The students of various courses planted saplings in the house and community to raise awareness and consciousness about environment among the masses. Plantation is not just something that should be done for doing sake instead it is a necessity, the urgent need of the hour. Planting of trees is especially important to protect our environment against air pollution and global warming. The drive was a huge success, empowering students with substantial knowledge of environment, plants and making them understand the importance of oxygen.

NATIONAL SERVICE SCHEME

KALINDI COLLEGE
