This year's online version of the journal is being initiated keeping in mind acute social and global condition as an outcome of Covid-19, with the intention to sustain intellectual engagement and exchange of ideas amongst scholars.

In her article "*India, the Global Skill Capital: Myth or Reality*" Anita analyzes the possibilities and the potential challenges towards India becoming the 'global skill capital' under 4IR (Fourth Industrial Revolution). Different challenges like the presence of a huge 'informal sector', digital divide, lower LFPR among women, mis-match of skill demand and supply have been explored. It has been proved that 4IR creates opportunities and posits challenges towards making India the 'global skill capital'.

In "Understanding Economics: Its Complexities and Interrelationships" Dr. Anjali Bansal explains the meaning and scope of economics for a layman in the language of professionals. The article examines, from a factual standpoint, how economics is a (social) science, yet different from other 'exact' sciences, and discusses its inter-relationships with other social sciences. It further elaborates on the importance of economics in our day-to-day life; for professionals, academicians, and above all for managers – the decision-makers of the economy at different levels.

Divya Verma, et. al, in their article "*Relevance of Cultural Practices in India Amidst COVID-19 Pandemic*" have presented a link between the precautions taken during COVID-19 and the common cultural practices being followed in the Indian Subcontinent. These cultural practices have a longer history of practice and implementation in relation to community hygiene which aim at providing a safe and disease-free environment for the people of a society.

In "India's Foreign Policy and Migrant Workers in West Asia", Dr. Nisha Bakshi looks at the growing importance of the Indian Diaspora communities in the West Asian countries whose contributions across the globe have gained the attention of national and international governments. The paper particularly talks about the special place migrant workers have gained within the Indian foreign policy and national development goals.

Prof. Punita Verma, et. al, in their article "*Parametric evaluation of ion-atom collision processes*" highlights the various research methodologies in accelerator-based experimental atomic physics research in India. Using the information obtained by performing an exhaustive literature survey on the measurement of X-rays that are emitted during ion-atom collision processes, qualitative interpretations on selecting the optimized experimental parameters, depending on the process to be investigated, have been reported.

Dr. Sunita Meena's paper "US Relations with Russia in the Caspian Region: Cooperation or Competition" studies the bilateral relations between US and Russia in the energy resource rich Caspian region, by looking at both cooperative and competitive aspects of two rivals particularly in the context of Ukraine Crisis and Syrian Civil War.

Dr. Sunita Sharma in her paper, “*Sports- Facilities and Importance for Special Category*” surveyed the facilities of sports in special schools of Delhi. For the study, she considered ten special schools of Mentally Retarded students which are being run by the government and non-governmental organizations. Study and research reveal that there are inadequate facilities for sports and games for the students of these schools.

In the paper “*Imagining and Confronting ‘Burmascape’- Visualizing Burma*”, Tanu Sharma looks at the visual and Orientalist representation of the East to critically understand the identity formation and meaning-making process of the Orientalist discourse through a close reading of George Orwell’s *Burmese Days*.

अकादमिक जर्नल (हिंदी अनुभाग)

संपादिका- डॉ .निशा गोयल, सह -संपादिका-डॉ .रक्षा गीता

लगभग दो वर्षों से अधिक समय से कोरोना वायरस ने विश्वचक्र को लगभग विराम सा ही लगा दिया। लाकडाउन के कारण शिक्षा पर भी प्रभाव पडा, लेकिन ‘आनलाइन शिक्षण’ ने शिक्षा को एक नया माध्यम देकर इसकी गति को अवरुद्ध नहीं होने दिया। कालिंदी महाविद्यालय की ‘अकादमिक जर्नल’ भी शोध को बढ़ावा देने के लिए सदैव तत्पर रहती है और इस वर्ष के भी अकादमिक (21-2020) जर्नल में हिंदी माध्यम से सात लेख और संस्कृत माध्यम से एक लेख समाहित है ।

वनस्पति विभाग से डॉ .कल्पना कुमारी का लेख “महिलाओं के सशक्तिकरण में सामाजिक मीडिया की भूमिका” महिलाओं की प्रत्येक युग में स्थिति, विभिन्न क्षेत्रों में उनके योगदान, उनके संवैधानिक अधिकार और महिलाओं के प्रति बढ़ते हुए अपराधों के विषय में बताता है। यह चिंता का विषय है कि अभी भी महिलायें सामाजिक मीडिया से नहीं जुड़ पाई हैं। यद्यपि स्त्री को जागरूक करने के लिए सोशल मीडिया भी एक अच्छा प्लेटफार्म उपलब्ध कर रहा है, जो स्त्रियों के जीवन में बदलाव लाने का एक सशक्त माध्यम है। इस कथन की पुष्टि लेखिका ने अपने लेख में “मी टू आंदोलन” के माध्यम से की है। तथापि वे घर और बाहर की जिम्मेदारियों के बोझ तले इतनी दबी होती हैं कि विश्व की सूचनाओं को अनदेखा कर देती हैं।

संस्कृत विभाग के डॉ .देशराज ने अपने लेख “रस के आस्वाद एवं प्रकार” में भरत के नाट्यशास्त्र से रस के सामान्य लक्षण को प्रस्तुत करते हुए आस्वादत्व को ही रस माना है। इसी परम्परा में धनंजय, महिमभट्ट, विश्वनाथ और पण्डितराज जगन्नाथ आदि के विचारों को प्रस्तुत किया है और स्वाद को विकास, विस्तर, क्षोभ और विक्षेप इन चार-प्रकार का माना है।

संस्कृत विभाग की डॉ. निशा गोयल ने दो लेख प्रस्तुत किए हैं, जिनमें से एक तो प्राचीन वैदिक समय का है-“वाजसनेयिसंहिता में प्रयुक्त स्वर सन्धि-”, जिसमें यजुर्वेद की वाजसनेयिसंहिता में प्रयुक्त होने वाली स्वर, व्यंजन एवं विसर्ग सन्धि में से स्वर सन्धि के विभिन्न प्रयोगों को उद्धरण सहित प्रस्तुत किया गया है।

लगभग दो वर्षों से कोरोना नामक महामारी ने सम्पूर्ण विश्व को अपनी चपेट में लिया हुआ है और इस भयंकर महामारी ने लाखों लोगों को काल का ग्रास बना दिया है और लगभग सारा तंत्र अस्त-व्यस्त होने के कारण आनलाइन प्रक्रिया का दौर शुरु हो गया है। इसी को डॉ. निशा गोयल ने अपने दूसरे लेख “कोरोना: एक चुनौती या अवसर” में प्रस्तुत करने का अचिंतनीय प्रयास किया है।

ज्ञान की इसी परम्परा में अपना योगदान देने की प्रक्रिया में हिंदी विभाग की डॉ. रक्षा गीता आधुनिक काल के स्वर्ण युग छायावाद के चार प्रमुख स्तम्भों से इतर प्रथम आलोचक “छायावाद के आदिश्री मुकुटधर पाण्डेय” को प्रवर्तक के रूप में स्थापित करने का महनीय प्रयास करती हैं।

इष्ट प्राप्ति और अनिष्ट के परिहार के लिए वेद में प्रदत्त तत्त्वों का यथार्थ अवबोध मीमांसा शास्त्र प्रस्तुत करता है। हरिदत्त कृपालु द्विवेदी कृत ‘कल्पकलिका’ मीमांसा शास्त्र की आधुनिक टीका है। संस्कृत विभाग के डॉ. रंजित कौशिक ने “मीमांसादर्शने अर्थापत्तिः” नामक अपने संस्कृत लेख में कल्पकलिका टीका के अनुसार समस्त भारतीय दर्शन में अर्थापत्ति प्रमाण का विवेचन किया है।

मन की शान्ति एवं एकाग्रता आज हर प्राणी की आवश्यकता एवं आकांक्षा है। आज मनुष्य यह समझ चुका है कि आज के युग में मानसिक एवं शारीरिक सन्तुलन का कितना महत्त्व है। संगीत साधना हर व्यक्ति के जीवन में संबल का कार्य करती है। संगीत का प्रभाव जडचेतन सभी पर देखा जा सकता है। इसी बात को संगीत विभाग की डॉ. रेनु गुप्ता ने अपने लेख “संगीत साधना से मानसिक एवं बौद्धिक विकास” के द्वारा स्पष्ट करने का प्रशंसनीय कार्य किया है।

हाशिये पर तो महिलाएं सदियों से ही रही हैं, स्त्री विमर्श ने उन्हें उनके अधिकारों से अवगत करवाने की महत्त्वपूर्ण पहल की है। आज की स्त्री में अपनी अस्मिता के प्रति चेतना भी जागृत हो रही है, लेकिन विमुक्त जनजातियों के समाज की स्त्रियां अशिक्षा, अज्ञानता और रूढ़िवादी सोच के कारण बहुत बदतर जीवन जीने को विवश हैं। हिंदी विभाग की डॉ. विभा ठाकुर ने अपने लेख “विमुक्त जनजातियों की स्त्रियों के मुक्ति स्वप्न” में भगवान मोरवाल द्वारा लिखित ‘रेत’ के आधार पर कंजरी और ‘पिछले पन्ने की औरत’ के आधार पर बेडिन जाति की स्त्रियों की सामाजिक स्थिति के कटु यथार्थ को सामने लाने का सराहनीय प्रयास किया है।

हमें आशा है कि ज्ञान रूपी प्रकाश की यह परम्परा इसी प्रकार शिक्षण के क्षेत्र को आलोकित करती रहेगी।

Equal Opportunity Cell
Convener: Dr. Anjani Kumar

The Equal Opportunity cell has always worked for the benefits of differently abled students in the recent years. The society is fully committed to provide friendly and supportive environment to the students of differently abled persons. The college in general has 5 students belonging to differently abled category and they all belong to orthopedically challenged. Due to the efforts of Equal Opportunity Cell and College Administration, Kalindi College has designed the infrastructure for the larger benefits of such students who find difficulty in terms of movements and mobility. Unfortunately, due to the deadly pandemic in 2020-2021 and consequent nationwide lockdown of Higher Educational Institutional, EOC could not perform its regular activities. However, members of the EOC performed counseling activities for the psychological and educational needs of the differently abled persons. The counseling by the individual members largely happened in online mode as well as telephonic conversation. Such conversations, EOC believe helped differently abled persons to cope with challenges faced by them due to the deadly corona virus and lockdown. The sessions were also meant to solve the problems of differently abled students faced during their online classes at the time of lockdown.

The EOC believe and hopeful that various activities and sessions will be organized in the near future so that differently abled persons can interact, engage and get some confidence during their educational journey with the college. We at EOC always show such a faith in the members as well as our students to move ahead with determination. Thus, we are determined enough and hopeful too that the country

will win this fight against the virus and we could do our activities, events, and counseling and student interactions with wider participation.

As has always been, the prime motive of the placement cell is to provide the undergraduate students of the college with internship and placement opportunities in organizations of various industries.

During this era of competition, being equipped with the required skills is a must. Hence, Kryptus has not only focused on providing internships and placements but also organized webinars under ‘Soft Skills Development Cell’ that gave the students an insight into the skill sets expected by the recruiters. Soft Skills Development Cell is just an extension of the Placement Cell ‘Kryptus’, which helps students to gather knowledge on group discussions, personal interviews, resume building, and other such requirements.

Activities undertaken

Since the academic year, 2020 – 2021 has completely been a virtual one, the Placement Cell has functioned in fully online mode to help the students earn internships and placements. The seminars were converted into webinars for the continual provision of the required skill sets to the students.

- In August 2020, the new academic session of 'Kryptus' began with an online orientation to provide a glimpse of the working of the Placement Cell to its college students and to help them know the corporate world a bit better. The orientation was attended by around 100 students.
- Internships have always been helpful to students not just as an addition to their CVs, but also as an addition to their skills. Therefore, Kryptus initiated the activities for the session with an internship provided by the organization, **Amjunction**, followed by another organization **SuccessR**. Both these companies provided various internship profiles to the undergraduate students of our college.
- Apart from internships, Placements are another important, rather a necessity for most of the final year or alumni students. Hence, Kryptus got one such opportunity from **ZI Media** that extended its Business Development Executive Profile to the final year students and the alumni of the college.
- As a large number of students are usually skewed towards an MBA degree post their undergraduation, therefore Kryptus felt the need to facilitate the students with proper knowledge regarding the exams for this post-graduation degree. A webinar on '*How to prepare for CAT/GMAT*' was conducted on 23rd August 2020 for I and II year students by Mr. Saurabh Mittal, an alumnus of FMS and DTU. The webinar was fruitful as it witnessed the participation of around 60 students getting their doubts and queries cleared from the expert.
- MS Excel is not a skill; it is a mandate in today's world. Therefore, keeping this in mind, Kryptus in collaboration with **Yuja Mascot Consultancy Hub** conducted another webinar on 30th August 2020 to provide the students with knowledge about MS Excel and its importance.
- There are a lot of domains that can be explored when it comes to internships. **Kollege Konnection, Step Up Student, Clear Exam, Flairboat** are some of the organizations that provided a plethora of internships to the students in different domains.
- In September 2020, '**JDM Financial Services**' in collaboration with **Kotak Life Insurance and Investment Sector** extended its internship opportunity to the undergraduate students of Kalindi College. Out of the 50 applicants, 2 students got the opportunity to intern with the organization post the selection process.
- As far as skills are concerned, interning with an NGO also equips a student with the relevant skills while fulfilling the objective of community service. Therefore, Kryptus facilitated an internship opportunity with an NGO named **Ahimsa** for its college students to make them aware of and understand the work culture of NGOs.
- A student is usually perplexed when he/she is on the verge of his/her final year. Therefore, to clear the bewilderment, the Placement Cell collaborated with **T.I.M.E.** Institute to conduct a webinar on '*What after Graduation?*' The webinar was conducted by Ms. Tarannum Naseem wherein she mentioned the kind of opportunities lined up for students as per their undergraduate course.
- **Frantiger Business Consulting Pvt. Ltd.**, another organization that provided both internships as well as placement opportunities to the students of the college.
- The preliminary step to get ahead in any field is an 'Aptitude Test'. Consequently, Kryptus allowed the students to appear in a '*Mock Aptitude Test*' by **Prep Junction** where the organization gave a full-fledged test to the students to give them a glimpse of the kind of questions that can be expected in such exams.
- **GAP Entertainment, MBAtrek Pvt. Ltd., Zori World, GoDutch, FinCradle, TALKx** are some of the organizations that provided internship opportunities to Kalindi College students.
- The first relation between an applicant and a recruiter is the 'Resume'. Better the resume, the higher is the chance of an applicant getting shortlisted for further selection procedures. Keeping in mind this basic requirement, Kryptus collaborated with **Edudictive** that conducted a webinar about the *Do's and Don'ts of Resume* and gave insights to students on how to build an impressive Resume.

- During the academic session, the Cell provided several internships from organizations such as *The Story Lane, Imbue, YMC Hub, My Ways*, and other organizations.
- Placement Opportunities from *ICICI Prudential* and *EigoPathshala* were also provided for the 2021 batch and the alumni of the College.
- A total of 11 Internship Profiles were being offered to the students by an organization named *Arbitrium*, while Human Resource India provided the students with a total of 3 internship profiles.
- The journey from ‘*Campus to Corporate*’ is both confusing as well as exciting. Therefore, *Mr. Gagandeep Singh*, who is currently in Wood – P&O Global Shared Services spared a couple of hours out of his busy schedule to conduct a webinar for the students of our college where he explained all that it takes from campus to corporate and shared his personal experiences.
- In February 2021, a Placement Opportunity was provided to the batch of 2021 and the alumni by *Decathlon* for both Part-Time as well as a Full-Time Employee for the profile of ‘*Omni Sports Leader*’.
- Several other organizations such as *Bajaj Capital, Apna Campus, Pixstory, ZeroKaata, PB Financial Services* provided internship opportunities to the students.
- Meanwhile, organizations such as *Reading Right, Newzera Tech Labs Pvt. Ltd., New Directions Counselling Services* provided placement opportunities to the final year and the alumni students.

Though the entire year had been completed online, the Cell still worked relentlessly to find good internship and placement opportunities for the students of the College. During this tough time, the Cell got an overwhelming response from the students in the webinars conducted along with a fair number of students getting themselves enrolled in internships.

With this, the Cell successfully conducted its academic session of 2020 – 2021.

Student's Union Report

Convener: Dr. Meena Charanda

Co-Convener: Dr. Shanuja Beri

Kalindi College, an institute known for its academic excellence is a 50+ years old part of the University of Delhi. Not just academic excellence, Kalindi College is also well known for its contribution to the holistic development of all the students. To ensure curricular skill enhancement of students, Kalindi College encourages maximum student participation in all spheres.

To give students an equal opportunity to develop and adapt leadership qualities, Kalindi College appoints a 20 members student's union every year. To develop a channel of communication between the administration and students.

Student's Union 2020-21 was appointed on 28th January 2021, wherein Kim Kalyani from B.A. Journalism Honours took over as the president, Riya Ranjan from the political science department as the Vice President and 18 other members followed with different posts.

Considering the Covid 19 pandemic, the student's union ensured that the activity club periods were appropriately functional in an online mode and that students were made to understand the importance of cultural activities. The shutting down of University could not affect the zeal of artistic minds at Kalindi College, And the student's union made sure there were no barriers in conduct of activity periods .

Various clubs like dance, debating etc took the sessions online and experienced huge participation. Not just the regular sessions; the club representatives also organised various special sessions to not let students feel like they were missing out on opportunities due to the pandemic.

On 20th April'21, Kalindi College Students Union launched the "Mission Help" which was a covid relief programme run by the students of Kalindi College in association with KRANTII. The aim of the same was to help the people in need with the verified leads of resources like oxygen cylinders, hospital beds etc. 150+ students from Kalindi College worked day and night to verify the availability of resources.

A Google form was circulated around to be filled by the people seeking help and further after extraction of details, people were contacted by the volunteers. The programme ran for over a month and 1000+ requests were attended. This was not all, there was a special SOS group designated to evacuating patients in critical condition. Under which patients with even 30 SPO₂ were evacuated and admitted to hospitals under the guidance and help from veterans and doctors.

The students maintained a database of all the resources and verified them everyday to check the real time availability. The social media handles of student's union were put into right use and leads were shared across platforms. Various renowned organisations like 'Humans of Bombay' also joined the initiative and helped students amplify the right information.

Looking at the effort put in by the students, Media organisations namely 'The Print' and the 'The Times of India' featured the work done by Kalindi College Student's Union during the Covid 19 crisis. The snippets of the articles are attached below.

The students union could not organise the annual fest and other events considering the pandemic and university shut down but the efforts were channelised towards the need of the hour. When the nation was shook by the increasing covid 19 cases and scarcity of resources, Mission Help was a sigh of relief.

Post Mission Help, Students Union also started a social media campaign named 'You are Heard' which aimed at giving voice to the student volunteers from across the country. The campaign featured various unsung heroes who came forward and helped in the times of covid 19 pandemic in various capacities. Student volunteers from across the nation came forward with their experiences and shared their volunteering experiences. The campaign ran for over 2 weeks and ended with a thank you note for all the young covid warriors.

Furthermore, the magazine also gives space to the photographs of the events and activities that the college organizes throughout the year.

The theme of Pravah this year is "One Pandemic, Many Tales". We are today in the midst of a strange global crisis where a virus has challenged our life itself as well as its structures. In its wake, the pandemic has disrupted normal life as we know it at all levels. Outward restrictions on movement etc. have led to isolation and lent an urgency to the need to look within – both in terms of our physical spaces and our sense of ourselves. Concomitantly, we have a greater sense and appreciation of community and the huge impact it has on us. Within months, we have had to reassess our priorities and even our values, leading to an increase in support and empathy for not only our near and dear ones, but also strangers.

This edition of Pravah reflects these preoccupations. Written in different moods and exploring different spaces, these "tales" penned by our students reflect the myriad insights of their hearts and minds.

No publication is the work of an individual. Many thanks to all those who contributed to this edition. We are grateful to our Principal Prof. Naina Hasija for her support. Heartfelt thanks to all the teacher members of the Pravah Magazine Committee for their labor and dedication. We also appreciate the hard work put in by the entire team of student editors: Mansi Sabharwal from III BA (H) English and

- **Feature Writing Workshop**

Mitrakshar organized a Feature Writing Workshop on **7th November, 2020** guided by Amrita Dutta. Ms. Dutta is currently writer-editor at ‘The Indian Express’ with over fifteen years of experience in Indian mainstream newspapers like ‘The Asian Age’, ‘The Telegraph’ and ‘Hindustan Times’.

The workshop was structured around three feature articles circulated to the attendees beforehand who were also asked to develop a pitch for a prospective feature article. Ms Dutta untangled the expansive and complex process of developing a feature article by describing the journey of the aforementioned articles. She spoke about the importance of a seemingly insignificant detail in creating a story which appeals to the audience—we look at anything and everything and this very process can be synthesized into a story. Her emphasis on curiosity of the writer as the defining characteristic of a successful feature article gave us a glimpse into the aptitude of a good journalist. The pitches developed by the participants were individually evaluated by Ms Dutta and constructive criticism was doled out. This workshop made feature writing an interesting creative outlet and a possible career path for all attendees.

- **Webinar about “Writing History: A Study of Poetry in Nagaland” and “Poetry of Conflict: An Overview of Contemporary Manipuri Poetry**

On 16th October, 2020, Mitrakshar was proud to organise a webinar about “Writing History: A Study Of Poetry In Nagaland” conducted by Dr. Emisenla Jamir and “Poetry of Conflict: An Overview of Contemporary Manipuri Poetry” by Dr. Chingangbam Anupama. Dr. Jamir is Assistant Professor at Kohima College, Kohima. She has authored several short stories, a poetry

collection called “Loneliness is an Orange” and contributed to “The Many That I Am: Writings from Nagaland”. Dr. Anupama is currently Assistant Professor in the Department of English at Post Graduate Government College, Chandigarh. She was involved in the curriculum creation of IInd year B.A. General Discipline-Centric Course (“Selections from Modern Indian Literature: Cultural Diversity) for IGNOU. Her works have been published in numerous eminent literary journals.

The webinar drew the attention of students and educators to the definition of national identity and ‘Indianess’. Dr. Jamir described the oral tradition of Nagaland and discussed the poetry of Temsula Ao, Monalisa Changkija and T. Kreditsu. Dr. Anupama detailed the historical influences on Manipuri poetry while exploring the works of R. K. Madhubir, Shri Biren, Thangjam Ibopishak Singh and Robin S. Ngangom. This webinar gave us an enlightening insight into Manipuri and Naga poetry and life which narrates the violence of unifying the diverse.

- **A Two-part Virtual Workshop about “Emancipatory Laws for Women in India**

Mitrakshar put together a two-part virtual workshop with Dr. Swati Jindal Garg on “Emancipatory Laws For Women In India”. Dr. Swati is currently Advocate-on-Record, Supreme Court of India and has a PhD in Criminal Law. She is also on the legal panel of various private as well as government organizations. Her position gives her a unique insight in not only the laws but also their implementation within institutions.

The lecture was well attended by students and faculty alike with a lively discussion on the nature and effect of emancipatory laws for women as well as the socio-cultural position of women in the everyday Indian context. Dr. Swati discussed in-detail the rights of women and explained the laws put in place to protect those rights. She answered queries based on the real life experiences of the attendees and juxtaposed her explanations with existing or decided lawsuits making the workshop much more engaging than a solely academic discussion. At the end of each session the attendees were quizzed on their now improved understanding of legal rights and laws protecting these rights. The first session concerning “Sexual Harassment of Women at the Workplace” took place on 19th September, 2020. The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, commonly referred to as the 'PoSH Act' was clearly delineated. After a thorough elucidation of the legal definition of sexual harassment, Dr. Swati further delved into the concept of consent and the common myths surrounding sexual harassment. The discussion also involved an in-depth look at the law’s requirement from the Internal and Local Complain Committees and also explains how the aggrieved should go about in filing their complaint and what kind of situations and alternatives they might encounter. Moreover, the session was not limited to the duties and rights of the aggrieved but also covered the duties of an employer and the conduct and attitude that they should have while handling such complaints.

The second session on **26th September** was “A Overview of Legal Acts on Domestic Violence, Dowry and Sex-Determination”. Here as well, Dr. Swati used case studies to explain the working and implementation of these laws in real life scenarios. Further, she provided an insight into the social conditions and situations that led to the formation of these laws while simultaneously describing the effects that such practices had on the lives of women. The role that society plays in the existence and/or continuance of such subjugating injustices against women was also analyzed. Another important aspect of this discussion was the misuse of these laws which contributes to undermine the efficacy of these emancipatory laws and cause overall harm to the women’s movement in India. This session allowed the students and educators to not only reflect on the legal aspects of crimes against women but also the impact of the legal institution on quotidian social life of an individual.

The interactive workshop and following discussions not only provided a thorough understanding of the laws but also led to deliberations on their shortcomings and the responsibility of each individual in overcoming these limitations in whatever possible capacity. The workshop was

incredibly enlightening for all the attendees and the most engaging feature of the workshop which resonated with a lot of listeners was the colloquial, simple language and everyday examples used by the resource person to explain extremely intricate legal matters.

- **An Online Talk on “Voices of the Voiceless”**

Mitrakshar was proud to organize the talk “Voices of the Voiceless” on 6th February, 2021 by Ms. Anchal Kanoujia, an alumna of our English Department. With a Masters in English Literature from Ambedkar University, she has worked as a Gandhi Fellow in Rajasthan. She is currently program leader at Genpact centre, Rajasthan and has chosen to make important interventions in the education sector. The talk was centred around her academic journey as a Dalit woman compelled by the still prevalent casteist mindset to explore and unpack her identity.

Through the metaphor of a relocated dumping ground which still receives people’s waste, Ms. Kanoujia discussed how the bureaucratic removal of caste system is ineffective in the face of the long ingrained casteist values. Reservation, as always, became the crux of the prejudice she encountered in personal relationships built during her university experience to the extent that not pursuing further education seemed a potentially better alternative. Shouldering the burden of casual casteism, against all odds, Ms. Kanoujia was able to not only pursue rather excel in her academics. The spirited discussion which followed made all attendees re-examine their privilege, evaluate the gruesome reality of casteism prevalent in educational spaces and applaud Ms. Kanoujia for giving voice to her struggles.

- **Two-part Virtual Session centred on Literary Theory**

In the month of February, Mitrakshar organised a two-part virtual session centred on literary theory. The first talk titled “Power from below- Gramsci, Foucault and Butler” was conducted on 13th February, 2021 by Dr. A.K Ramakrishnan. He is an educator and a former chairperson at the Center for West Asian studies, School of International Studies, JNU. Other than articles and reviews for various prestigious academic journals, he has also authored the books *US Perceptions of Iran: Approaches and Policies* and co-edited *Society and Change in Contemporary Culture*.

In his remarkably rich and comprehensive session, Professor Ramakrishnan unravelled the complex dimensions of power and its binaries situated at the wavering ends of the individual and sovereign. He analysed and individually explored the definition of power for Machiavelli, Gramsci, Foucault and Butler. From the insidiousness of hegemony to the concept of performativity, this session both untangled and problematized the system-subject relations. What followed in the post-lecture discussion was again a very informative and interesting discussion on citizenship, rights, self-determination and liberalism, to name a few. All in all, the entire session was highly engaging and insightful leaving the audience with an in-depth knowledge and curiosity for the dynamics of power at large.

The second session of the talk on literary theory was organised on 15th February, 2021. It was an enormous pleasure to hear Dr. N. A. Jacob on “Structuralism and Poststructuralism”. Professor Jacob is currently Assistant Professor in the English Department of Ramjas College, University of Delhi. His doctoral research at Rutgers University, New Jersey was focused on nineteenth-century British literature with an exploration of the relationship between the verbal and the visual, though his research interests are varied and ever-growing.

The workshop was largely structured around Jacques Derrida's critique in “Structure, Sign and Play in the Discourse of Human Sciences” of Claude Levi-Strauss’ Structuralism and from it the gradually beginning of Poststructuralism. By juxtaposing these two literary theorists, Dr. Jacob made visible the overlaps of Structuralism and Poststructuralism—how Structuralism gave way to Poststructuralism and how Poststructuralism exists in its very nascent state within Structuralism. He began with Johann G. Herder’s “Treatise on the Origin of Language” discussing ideas of relational signification, causal determination similar to those found in Levi-Strauss’ “The Science

of the Concrete” which explores the human impulse to classify, to bring order to the world. From nature, magic and myth to culture and science, the notion of structural patterns and binaries were broken and re-evaluated. The entire session was full of some very enriching and diverse concepts which both channelled and stirred up the audience's attention. The discussion that followed the lecture was a testimony to this. Towards the end, all the members were left with some essential and very informative ideas on structure, hierarchy and alienation within a system.

- **Talk on “Why read Classical Literature in the Contemporary Classroom? Some Reasons and Ideas for Reading”**

On 19th February, 2021, Mitrakshar organized a talk on “**Why read Classical Literature in the Contemporary Classroom? Some Reasons and Ideas for Reading**” by Dr. Namrata Chaturvedi. She is Associate Professor in the English Department of SRM University Sikkim. Her research interest includes Comparative Theology, Indian Classical Literature and Philosophy (Sanskrit), Asian Literature (South and East Asian) and a lot more. Her book *Memory, Metaphor and Mysticism in Kalidasa’s Abhijnanasakuntalam*’ was published last year by Anthem Press. Her works have been published in various journals including but not limited to International Journal of Asian Christianity, The Yeats Journal of Korea, IUP Journal of Commonwealth Literature, Muse India.

It was an engaging session where various ideas related to the pedagogical challenges and confusions that accompany the studying and/or teaching of classical literature were addressed and discussed. She gave a detailed and informative presentation focused on developing a deeper understanding of Western and Non- Western classical literature. Further she ventured into some specific aspects of texts included in the University of Delhi UGC curriculum, such as the concept of anticipation as an enhancer of desire in *Abhijnanasakuntalam*, the notion of ideal Brahminism in Sudraka’s *Mrichchhakatika* etc. She also discussed the need for better and more thorough academic scholarships into the, as yet, homogeneous mass of non-western classical literature. She closed the talk by requesting for patience with these ancient texts, a deeper dive into their socio-historic context, before we embark on a stringent analysis of them from our Postmodern critical lenses.

- **A Workshop on Academic Writing**

On 17th April, 2020, Mitrakshar organised a workshop on “**ACADEMIC WRITING**” by Mr. Jyotirmoy Talukdar. He is currently Senior Writing Fellow at Ashoka University and also a prolific writer who has contributed to "The Wire", "Open Magazine", "HuffPost", "The Hindu" and other well-renowned publications. He has presented his academic work at conferences organized by various prestigious institutions including but not limited to Durham University, JNU, BHU, IIT(Guwahati).

The workshop was well-attended by both teachers and students. It was an interactive and engaging session with a diverse discussion on structuring academic essays and avoiding plagiarism in them. Mr. Talukdar gave an informative presentation with exercises to keep the attendees involved whilst making them aware of the common mistakes in composing academic literature. He further focused on various forms of plagiarisms and means to properly acknowledge borrowed work. This opened up a discussion amongst the attendees who shared their own experience and realisations about having committed plagiarism inadvertently. The session was overall an enriching experience which allowed us to learn the dos and don'ts of scholarly writing.

एक दिवसीय संगोष्ठी

विषय' : भारतीय जनमानस में राम'

22 मार्च, 2021 को हिंदी साहित्य परिषद, कालिंदी महाविद्यालय की ओर से आभासीय पटल पर लिंक:<https://meet.google.com/amk-bfac-bej> द्वारा एक-दिवसीय विचारगोष्ठी' भारतीय जनमानस में राम ' विषय पर आयोजित की गई, जिसमें मुख्य वक्ता डॉ .अवनिजेश अवस्थी) राष्ट्रवादी चिंतक एवं वरिष्ठ प्राध्यापक पी.जी.डी.ए.वी .महाविद्यालय, दिल्ली विश्वविद्यालय(, विशिष्ठ वक्ता प्रो .कैलाश नारायण तिवारी) पूर्व डीन, इंटरनेशनल रिलेशन, दिल्ली विश्वविद्यालय(, प्रो .रजनी नागपाल) अध्यक्ष शासी निकाय, कालिंदी महाविद्यालय (एवं डॉ. नैना हसीजा) प्राचार्या, कालिंदी महाविद्यालय (ने अपनी गरिमामयी उपस्थिति दर्ज की। इस विचारगोष्ठी में विभिन्न विभागों के संकाय सदस्य और छात्र उपस्थित रहे। संगोष्ठी का प्रारंभ दीप प्रज्ज्वलन व अतिथि सत्कार से किया गया। प्रो .रजनी नागपाल ने अपने संबोधन वक्तव्य में कहा कि लोकभाषाओं में सबसे अधिक राम पर लिखा गया है। उन्होंने राम के विभिन्न रूपों के बारे में बताया तथा राम की समन्वय भावना, लोकमंगल की भावना के बारे में बताते हुए राम के मानवतावादी रूप की चर्चा किया। उन्होंने बताया कि आज भी लोग अपने दुःखों से मुक्ति के लिए रामचरितमानस का पाठ करते हैं।

डॉ .अवनिजेश अवस्थी ने अपने वक्तव्य के शुरूआत में रामकथा से विभिन्न उदाहरण देकर बताया कि श्री राम अपने भक्तों की रक्षा करने के लिए समय-समय पर अवतार लेते हैं। वे आम जीवन में भी हमारी सहायता करते हैं। उन्होंने बताया कि राम का उद्देश्य सिर्फ रावण को समाप्त करना ही नहीं था, बल्कि रावणत्व को समाप्त करना उनका उद्देश्य था। रावण उस व्यक्ति का प्रतीक है, जिसने समाज को अपना मोहताज बना दिया। आम जनता की आवश्यक वस्तुओं को कब्जे में रखा। राम आज भी जनमानस के मन में इसलिए बसे हुए हैं; क्योंकि राम ने आम जनता में विश्वास जगाने का काम किया है, भयभीत जनता को ताकत प्रदान करने का काम किया है। समाज को जागृत करने का काम किया है

। एक अहंकारी व्यक्ति को समाप्त करने का समाज को आत्मविश्वास दिया है। डॉ.अवस्थी ने बताया कि हमको अनेक भाषाओं में रामकथा का वर्णन मिलता है। इसका मतलब है कि राम के चरित्र को समाज ने स्वीकार किया है। भारत से बाहर भी लोगों ने रामकथा को स्वीकार किया है। अनेक देशों में उनकी अपनी राम कथाएँ हैं। राम जिस समाज में गए, वहाँ के लोग उसी रूप में ढल गए, जो लोग आज राम के चरित्र पर प्रश्नचिन्ह लगाते हैं, उनको यह याद रखना चाहिए कि राम हमेशा मानवता के पक्ष में खड़े दिखाई देते हैं। वे एक राजा के रूप में हमेशा लोकतंत्र की रक्षा करते दिखाई देते हैं। श्रीराम अपनी चारित्रिक उदात्तता का परिचय बार-बार देते हैं। डॉ .अवस्थी ने कहा कि श्रीराम का चरित्र हमको संघर्ष करना सिखाता है, इसलिए राम हमारे आराध्य हैं। राजसिंहासन पर बैठने वाला व्यक्ति कभी आराध्य नहीं

हो सकता, बल्कि राजसिंहासन को त्यागने वाला व्यक्ति ही हमारा आराध्य हो सकता है, इसलिए राम जनमानस में बसे हुए हैं।

प्रो .कैलाश नारायण तिवारी ने अपने वक्तव्य में राम के साथ सीता की भी बात करते हैं। वे सीता के विचारों को राम के विचारों से अलग नहीं मानते। वे बताते हैं कि राम अपने जीवन में लव और कुश से पराजित होते हैं, ये सीता की शक्ति के कारण ही संभव हुआ। राम लोक की रक्षा करते हैं। राम एक ऐसे राजा के रूप में चित्रित हैं, जो समाज में समानता स्थापित करते हैं, मर्यादा का पालन करना सिखाते हैं। राम का व्यक्तित्व ही ऐसा है। आम जन को प्रेरणा देने का काम करते हैं। राम पूरे संसार में मूल्यों की रक्षा करते दिखाई देते हैं। राम का व्यक्तित्व ऐसा है, जो किसी एक जाति, धर्म, क्षेत्र या सम्प्रदाय तक ही सीमित नहीं है, बल्कि राम हम सबके हैं, राम से हम सबको सीखना चाहिए। संगोष्ठी का संचालन डॉ . हेमंत रमण रवि ने किया और संगोष्ठी के अंत में डॉ .आरती सिंह ने अतिथि वक्ताओं को धन्यवाद ज्ञापित किया।
