**Entrepreneurship, Skill Development and Innovation Cell,
Kalindi College, University of Delhi**
*MoA between National Small Industries Corporation (NSIC) & Kalindi College
to enhance Student's entrepreneurial skills of self-employment*

A Memorandum of Association, (MoA) was signed between National Small Industries Corporation (NSIC) Technical Services Centre, Okhla Industrial Estate, New Delhi 110020 and Kalindi College, University of Delhi, New Delhi 110008 on 6 August, 2021. This MOA shall remain effective for three years and may be extended by the parties on mutual agreement in writing. Also, both the parties mutually agreed upon revisiting the scope of the MoA as and when needed with a view to expand the scope of the same. The expertise provided by NTSC to Kalindi College, University of Delhi as consultancy, mentorship, expert lecture, etc. will be on payable as per mutually acceptable terms. Both the parties agreed to involve their duly authorized representatives to help achieve the set goals mentioned in MoA.

The primary objective of this MOA is to enable the parties to identify mutual collaboration opportunities bringing together the strength of the NSIC and Kalindi College, University of Delhi toward sustained development of skills and education aimed at enhancement of self-employment opportunities.

MoA aims to focus upon the areas of collaborations that can be useful to provide:

1. Training programmes for the trainers and students in the area of entrepreneurship skills and education especially in Small and Medium Enterprises Sector.
2. Help in developing course curriculum.
3. Identifying entrepreneurial opportunities and programs.
4. To connect students in capacity building through seminars/ workshops in association with industries.
5. To conduct Entrepreneurship Development Programme (EDP) training designed by NTSC for students on payment basis.
6. General Provisions

This unique initiative shall definitely pave ways to enhance the entrepreneurial skills of participating students and help them to find suitable carrier opportunities for their future.
