## As per comments/ suggestions given by students, following points are listed

### Appreciation

1. College faculty are very supportive and provide adequate guidance to students.
2. The best thing is syllabus completion on time by all the teachers.
3. Quality of teachers is appreciated.
4. Teaching staff is very caring and excellent.
5. Natural beauty of college is extremely attractive.
6. College environment is overall good and help students in personality development.
7. NSS society is appreciated.
8. Library facility is very good.
9. Laboratories are well equipped.

### Table for improvement required

S. NO.	Heads	Suggestions given
1.	Administration	<p>Procedure for fees submission should be improved so that students need not to stand in queue just before the exam days.</p> <p>Admission process should be improvement so that students &amp; parents do not have to run from one point to another.</p> <p>Fees structure should be revised and lowered.</p> <p>The admin. office and bank staff should maintain strict timings so that students need not to wait.</p> <p>Admin staff/Lab staff should not be rude to students.</p> <p>Online fee facility should be improved.</p>
2.	Library	<p>Proper sitting area for reading should be there.</p> <p>More books for hindi medium students should be provided.</p> <p>Number of history books should be increased in the library.</p> <p>Computer system in library should be available early in morning at the time college starts.</p>

		Students should get more books of every subject in college.
3.	Infrastructure	<p>College building should be renovated and overall college infrastructure should be improved.</p> <p>Sangam Parisar should be renovated.</p> <p>Laboratories have old and non-working equipments, they should be replaced/repared.</p> <p>Fans/switches in classrooms should be in working conditions.</p> <p>Classes' infrastructure should be changed, better electric appliances to be installed. (like fan or AC ) and better sitting adjustment.</p> <p>Proper lock system should be there in washroom.</p> <p>Lab infrastructure should be improved.</p> <p>Computer labs need improvement.</p>
4.	Training/ Skill Enhancement & Placement	<p>Placement Cell and Project works should be improved.</p> <p>Educational/Industrial trips should be encouraged.</p> <p>Focus needs to be given on placements after graduation.</p> <p>There should be placement for B.Sc. physical science students in their third year as well.</p> <p>Women training program should be organized in the college to enable college girls physically as well as mentally protect themselves from unseen and unfortunate situations.</p> <p>Awareness programs should be conducted.</p> <p>Overall skill enhancement for girls should be done to enable them become independent after graduation.</p>
5.	Extra-Curricular Activities	<p>More Webinars should be conducted.</p> <p>Alumni meet should be conducted more often.</p> <p>College should work on more activities other than only academic.</p> <p>More recreational activities for students should be encouraged.</p>
6.	Counselling & Career guidance	<p>Career counselling should be done guiding students about options after graduation.</p> <p>Information should be provided to the students on Social issues.</p> <p>There should be a free course on personality development along with regular courses.</p> <p>Need for specific skill improvement.</p> <p>Mentoring of students for higher studies should be done.</p> <p>Students should be encouraged and guided that teachers are available for them to discuss about anything.</p>

7.	Time Table	<p>The College/classes should wind up latest by 4 pm. So that students get time for other activities also for overall development.</p> <p>Classes should be Five days per week i.e. Saturday should be an Off day.</p> <p>Students should get enough time for self study.</p>
8.	Sanitation & Hygiene	<p><b>B</b>enches in classrooms should be cleaned everyday.</p> <p>Washrooms should be cleaned &amp; proper hygiene should be maintained.</p> <p>College premises should be cleaned.</p>
9.	Drinking Water	<p>Clean &amp; hygienic drinking water should be available throughout college.</p> <p>Water coolers should be installed &amp; should be regularly cleaned.</p>
10.	Canteen	<p>Canteen facility needs to be improved.</p> <p>Rush at the canteen should be managed so that all students can get food during lunch time.</p> <p>There should be proper space for sitting in canteen.</p> <p>Healthy and nutritious food with proper hygiene must be served at subsidised rates.</p>
11.	Vaccination Camp for students	Vaccination drive for students should be arranged.
12.	Hostel Facility	There should be Hostel Facility as students living as paying guests face a lot of difficulty.
13.	Internet Facility	Internet availability should be majorly improved.
14.	Annual Fest & Farewell	Annual Fests, Cultural events & farewells should be conducted for 2020-21 passed out 3 <sup>rd</sup> years.
15.	Interactive classes & practical approach/ Teacher-student relationship/ Curriculum	<p>More interactive classes should be arranged where students can grow professionally as well.</p> <p>There should be a free course on personality development along with regular courses.</p> <p>One on one interaction between students and teachers are required for development.</p> <p>Online teaching can be made better by engaging students with the lecture and having more oral tests/viva than written.</p> <p>Improvement should be done on materials provided online, focus on understanding. Lengthy 50-100 pages assignments should be avoided.</p> <p>More Live projects should be included as a part of college curriculum as they will help students to develop a strategic approach towards problems.</p> <p>Time should not be wasted on making files in laboratories.</p> <p>More opportunities related to internship should be provided.</p>

		<p>The paper of research should be in 5th semester instead 6th. Students face a lot of difficulty in understanding research methods while preparing their dissertation at the same time. The syllabus must be more practical because in the first year, there is complete theory.</p> <p>More focus should be given to field work in geography subject rather than just laboratory.</p>
16.	Sports	<p>Encouragement of students participation in sports is much required.</p> <p>Sports ground is not available in the college.</p> <p>Importance to Sports should also be given along with academics.</p>
17.	Notice Board/ Information/ Announcements	<p>A proper team should be made to inform students regarding any announcement via message or text regarding Holidays, important deadlines etc.</p>
