About :

Kalindi College Student's Union in collaboration with Delhi University Students' Union (DUSU) organised a webinar on Netaji Subhash Chandra Bose Jayanti, officially known as Parakram Diwas.

Dr.AbhishekTandon, Deputy Director, ICSSR, graced the event as the chief Guest. After a warm welcome of the guests and participants of the webinar by Prof. Naina Hasija, Principal, Kalindi College, the keynote speaker for the event, Dr.Saumyajit Ray from School of International Studies, JNU mesmerized all by his exceptional knowledge on Netaji's life, his family, his childhood, his dedication and immense love for nation, INA and how he inspired several youth movements to achieve India's liberty at core. The life stories of

Netaji, lifted up the patriotic spirits of all participants. Dr. Ray also enlightened everyone about how the India's Independence activist stanned Swami Vivekananda, the nineteenth-century Indian Hindu monk, as his spiritual teacher. He also expressed his grief on the unpaid recognition and appreciation to Netaji for his incontestable service for the nation and applauded the unveiling of Netaji's statue at India gate as the first step of a long journey made by the central government. The webinar indeed was insightful, inspirational, informative and one of a kind. In the nation that we all thrive in, one which forgot about all that Netaji did for the nation, one with the leaders who didn't care to find the reason and truth behind Netaji's demise, this webinar was a boon. Every participant was left wishing for an offline version of the same towards the end of the webinar.

Topic: (Life Lessons From Mahabharata)

Date: 24 January, 2022

Time: 6:00 – 7:30 pm

Speaker: Shri Shubha Vilas ji

ABOUT:

Kalindi College Students' Union organized an online spiritual talk on LIFE LESSONS FROM MAHABHARATA with SHRI SHUBHA VILAS JI as the Chief Speaker. He is a lifestyle management coach, storyteller, TedX Speaker and author of some best selling books who has delivered such talks in many countries and MNCs. His radiant aura is inevitable for the audience to ignore.

Prabhu ji was welcomed by the Principal of Kalindi College, **Prof. Naina Hasija**. The session, after a prayer to the

almighty, began with a brief introduction of the Indian epic, MAHABHARATA, "book of leadership". Prabhu ji beautifully depicted the interconnection of our life and the epic as a question answer relationship. He gave life to the stories of Mahabharata as he narrated some of them; each story was linked to a crucial aspect of life such as success and failure, happiness, focus, ambitions, desires, emotional bonding and perception.

The way Prabhu ji elaborated the Mahabharata transformed the way the epic has been perceived. He shed light on the 5 factors behind success, namely Person, Place, Instruments, Endeavours and Daiwo (hand of God). In addition to this, he briefed the students with 4 yugas: 'Sat Yuga' 'Treta Yuga' 'Dwapar Yuga' and the 'Kal Yuga'. He also taught how the essence of life is hidden in such epics. The sense of calmness and spirituality the webinar instilled in all the participants is beyond words.

The questionnaire session conducted at the end removed all possible doubts of the participants related to imperfections, quest for success, dealing with anger, finding purpose of life, moral decline and importance of spirituality and devotion in politics.

- **More than an organisation, it's a family which has taken the initiative to Enhance and Empower our Indian Culture/Heritage again which has been lost in these modern days.**
- **Its main motive is to make our children and youth aware regarding the same as they are the one who will be our nation's future next.**
- **Being successful and modern doesn't mean to leave behind our culture but to take it within us as our pride and enhance and empower it in front of the world.**
- **Need to make all the events of our culture as the part of our education as education not only means gaining bookish knowledge or**

doing a job but also something that connects to our Spirituality, culture and tradition.

●If not as a participants but as a volunteers be the part of this family as this not only increases the knowledge of our heritage/culture and improves ones communication skills, confidence but also will increase ones social networks.
