ABOUT:

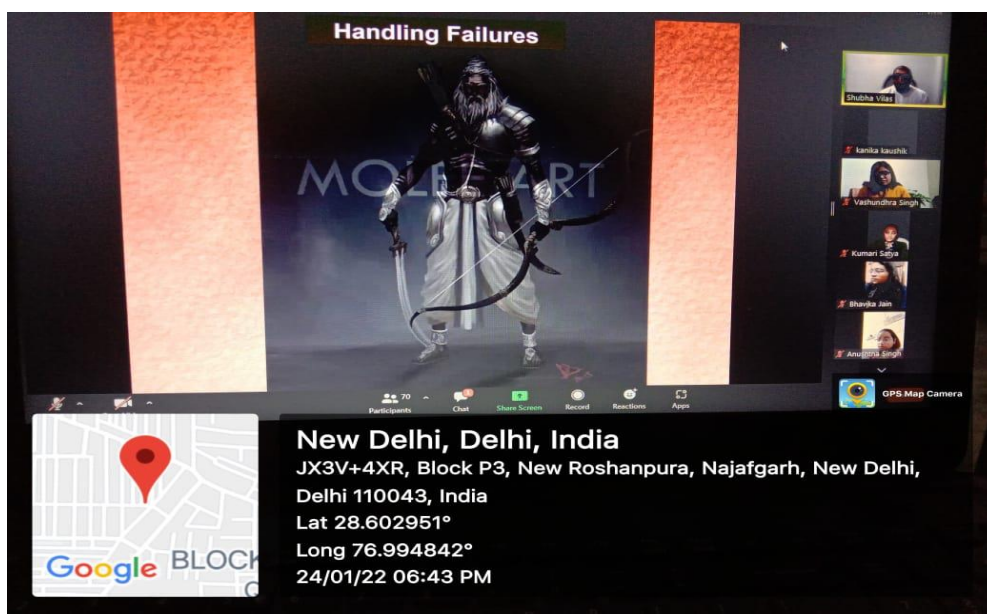

Kalindi College Students' Union organized an online spiritual talk on LIFE LESSONS FROM MAHABHARATA with SHRI SHUBHA VILAS JI as the Chief Speaker. He is a lifestyle management coach, storyteller, TedX Speaker and author of some best selling books who has delivered such talks in many countries and MNCs. His radiant aura is inevitable for the audience to ignore.

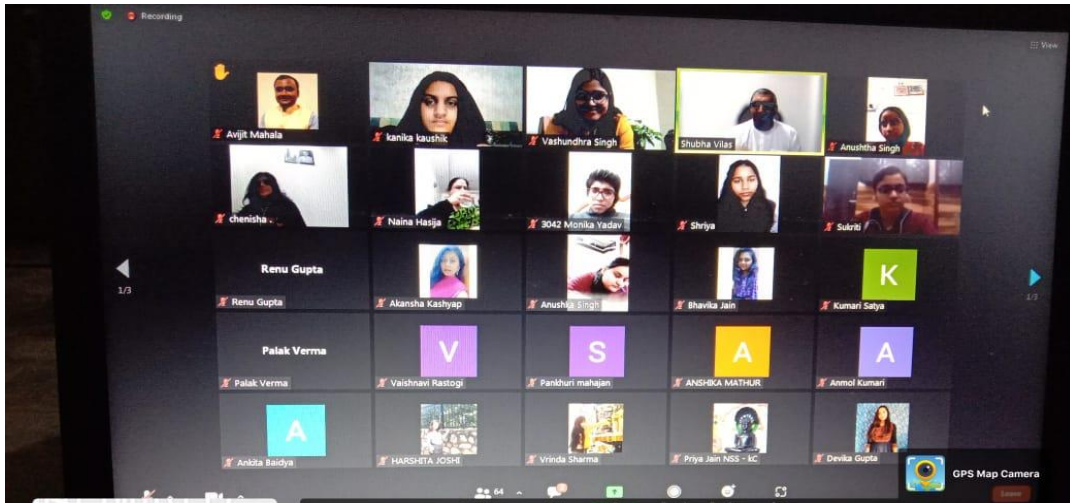

Prabhu ji was welcomed by the Principal of Kalindi College, **Prof. Naina Hasija**. The session, after a prayer to the almighty, began with a brief introduction of the Indian epic, MAHABHARATA, "book of leadership". Prabhu ji beautifully depicted the interconnection of our life and the epic as a question answer relationship. He gave life to the stories of Mahabharata as he narrated some of

them; each story was linked to a crucial aspect of life such as success and failure, happiness, focus, ambitions, desires, emotional bonding and perception.

The way Prabhu ji elaborated the Mahabharata transformed the way the epic has been perceived. He shed light on the 5 factors behind success, namely Person, Place, Instruments, Endeavours and Daiwo (hand of God). In addition to this, he briefed the students with 4 yugas: 'Sat Yuga' 'Treta Yuga' 'Dwapar Yuga' and the 'Kal Yuga'. He also taught how the essence of life is hidden in such epics. The sense of calmness and spirituality the webinar instilled in all the participants is beyond words.

The questionnaire session conducted at the end removed all possible doubts of the participants related to imperfections, quest for success, dealing with anger, finding purpose of life, moral decline and importance of spirituality and devotion in politics.
