Seven-day FDP was an intense training for all the participants with activities and assessments.

Two Week Interdisciplinary Online Faculty Development Programme on “MOOC’s, E-Content Development, Research Methodology and Statistical Tools in Open Education World”

Convener: Dr. Pankaj Kumar and Dr. Prem Pal Singh

The “MOOCs, E-Content Development, Research Methodology and Statistical Tools in Open Education World” a two-week Faculty Development Programme (FDP) with the aim to attract and bring together experts, researchers and teachers to focus on connecting classroom teaching with applied research was organized by Kalindi College University of Delhi in collaboration with Mahatma Hansraj Faculty development Centre (MHFRDC). Project ‘Study Webs of Active Learning for Young Aspiring Minds’ (SWAYAM) provides an integrated platform and portal for online courses, using information and communication technology (ICT) and covering all higher education subjects and skill sector courses to ensure that every student benefits from learning material through ICT. SWAYAM involves development of Massive Open Online Courses (MOOC’s) compliant e- content (video and text) and building a robust IT platform.

The 21st Century is the era of the information technology, entire system especially teaching and learning process is gradually moving towards blending mode. We have seen lot of changes in teaching during past few decades; nowadays we are observing all the stakeholders of academic system are using ICT tools. We neither ignore nor resist the usages of technology in open education world. The fact is that we must accept the usages of ICT, which is in dire need of changing academic environment. MOOCs and e- content are very useful for our new generation academicians. The Research Methodology and Statistical Tools are fulcrum of all types of research and innovation. The two-Week faculty development programme was helpful for all stream teachers from sciences to Humanities. There were a total 14 speakers from esteemed organizations and 138 participants from 10 different states of India have joined in this FDP.

The main purpose of this FDP was to focus on blending of classroom & online teaching with modern research approach. FDP, programme was funded by Ministry of Education, Government of India under Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching scheme. With the aim to develop skills for effective delivery and development of e-contents through various tools to manage online classes through MOOCs two live sessions per day from 9:30 am to 1.00 pm was part of first objective. Afternoon time was fixed as per the second objective with library hours from 2.00 pm to 3.00 pm every day and assessment and evaluation from 3.30 pm to 5.30 pm every day.

For the inauguration Guest of Honour Prof. Ruchi Das, Head, Dean, Faculty of Mathematical Science University of Delhi, and Chief Guest Prof. Balaram Pani, the Dean of Colleges, University of Delhi graced the occasion with their blessings and motivational words. Prof. V. Ravichandran currently working as a Professor of Mathematics at National Institute of Technology, Tiruchirappalli gave the inaugural talk on “Research Methodology” on day 1 and he also give a talk on day 2 “How to write a research paper”? Dr. Ranjana Jain currently working as Assistant Professor in the Department of Mathematics of the University of Delhi shared her knowledge with two sessions on “How to prepare E- content using various online video-making tools”. Prof. Hamendra Kumar Dangi, Department of Commerce, University of Delhi taken two sessions on Sentimental Analysis and Bibliometric Analysis. Prof. C. P. Gupta department of Finance, South Campus University of Delhi presented a beautiful analysis using statistical tools for sampling with two sessions.

Professor Shobha Bagai is currently working as Professor in Cluster Innovation Centre University of Delhi talked about statistics in open education world. Prof K. Srinivas is a valuable resource person and delivers skill based technical sessions & lectures across the country for Faculty Development Programmes, Faculty Induction Programmes, Refresher Courses and Orientation Programmes at UGC HRDCs in many Universities in India on e-Learning, MOOCs, e-governance, and Computer Applications in Project Management. Prof. K. Srinivas, the Head of ICT & Project Management Unit of National Institute of Educational Planning and Administration (NIEPA), Ministry of Education (ME) Institution shared his knowledge by taking four sessions on MOOCs.

Prof. R. K. Singh, the Head of the Department of Commerce, University of Delhi shared amazing facts on online teaching. Prof. Lalitha formerly worked as head in the Department of Mathematics at University of Delhi. She has also worked as visiting professor in Italian University in Varese. Prof. Lalitha delivered a talk on Mathematics and its application in real world. Dr. Anil Kumar Goyal, currently working as Professor in Rukmini Devi Institute of Advanced Studies, Guru Gobind Singh Indra Prastha University, Delhi delivered his talk on statistical tools and factor analysis. Professor Tarun Das presently working as Professor in the Department of Mathematics, University of Delhi. He served as Registrar, University of Delhi and Joint Director, Cluster Innovation Centre, University of Delhi. His research interest includes Compactifications and Absolutes, Topological and Differentiable Dynamical Systems shared his knowledge with a very interactive session on E-content and MOOCs before valedictory session. Our Chief Guest of the valedictory day,

Prof. P. C. Joshi, Vice-Chancellor of University of Delhi graced the occasion with very inspiring speech. Guest of Honour of the valedictory Prof. Suman Kundu also praised the efforts of both College and respective organising teams of FDP for Kalindi College and Hansraj College.

This event brings a platform to all distinguished speakers and faculties from different institutes. The recent and cutting-edge concepts presented within this FDP between all the participants. In a nut-shell, FDP provided a perfect atmosphere to discover new directions as well as potential applications in various fields of open education research.

Workshops for Non-Teaching Staff

- Internal quality assessment cell (IQAC), Kalindi College organized **Workshop for Non-teaching staff** only specifically for Admin and Account Staff on 19th September 2020. The workshop had two sessions: Morning session at 9.30AM-12.30 PM and session II from 1.30PM-3.30 PM at Google meet platform. There were 79 registrations from non-teaching staff out of which 45-50 attended the same. IQAC members, Repository committee, Software committee and library staff were also participated in this workshop. Speaker of the first session was Ms. Keyaa Mukherjee, Office Superintendent, Maniben Nanavati Women's College, Mumbai she talked on digitization of admin records and documentation with NAAC Perspective and elaborately discussed the admin issues related to document segregation, arrangement, and digitization of records.
