

BIOCENOSIS

The Biochemical Society Kalindi College

University of Delhi

is organising an

Intra-college fest

उत्सव

The Ages Of Luminous

➤ *Exciting science-related events.*

➤ *Lecture by guest speaker.*

**DATE- 22/04/2022 &
23/04/2022**

TIME- 1pm onwards

**VENUE- Chemistry
Lab**

Prof. Naina Hasija
PRINCIPAL

Ms. Amrita Tiwari
PRESIDENT

STAFF ADVISORS
Dr. Kapil Mohan Saini
Dr. Shweta Gupta
Dr. Meenakshi Verma
Dr. Sajid Iqbal

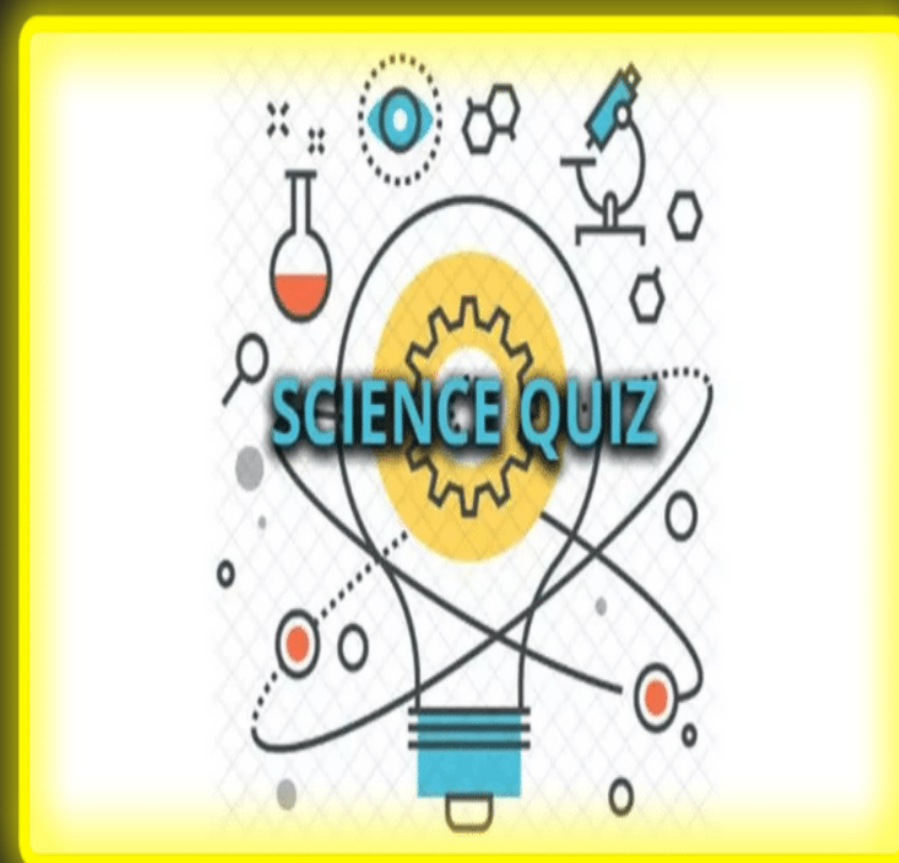

Dr. Aprajita Gaur
CONVENOR

Ms. Iqra Khan
VICE-PRESIDENT

Be a part of thrilling
competitions!!

VIGYA कला

**QUIZZERIA- A BIT
SCIENCE**

ELEMENTOGRAPHY

ON THE TRAIL

Prize money to all the winners!

Certificates to all the participants!

Vigya कला

(Science Pictionary)

DATE- 22/04/2022

TIME- 1p.m. onwards

VENUE- Chemistry lab

Identify the scientific phenomena or concept with the help of given clues.

Guidelines:

- Participation will be in group of 2.
- There will be three rounds:-
- Drawing and guessing time for the 1st round will be 2 min.
- Drawing and guessing time for the 2nd round will be 1 min.
- Drawing and guessing time for the 3rd round will be 30 sec.
- One person from every team will have to pick one chit from the bowl.
- Then they have to draw that word written on the chit.
- Second person will have to guess that word through the drawing.
- The team which will guess more correct words in given time will be the winner.

2. Quizzaria

(Science Quiz)

DATE- 22/04/2022

TIME- 1:45 p.m.onwards

VENUE- Chemistry Lab

Science Quiz- a fun event, test your basic science knowledge.

Guidelines:

1. There will be total 2 rounds.
2. Participation will be in teams of 2.
3. First round will be a rapid fire with 3 sub rounds.
4. Top 5 teams will be qualified for the second round.
5. Round 2 will be a tie breaker (in case) and will have relatively tough questions.
6. Questions will be related to science.
7. Top 3 teams will get prize money!!

3. Elementography

(Calligraphy Competition)

DATE- 22/04/2022

TIME- 2:30 p.m. onwards

VENUE- Chemistry Lab

A calligraphy competition in which participants have to guess their calligraphy subject (an element) with colored chits and hints.

Guidelines:

1. All the participants will have to pick chits of different colours.
2. The chits will contain the names of different elements from periodic table.
3. The participants will then have to write the calligraphy for their respective elements.
4. Maximum time allotted for writing calligraphy will be 30 minutes.
5. Decision of the judges will be final.

STUDENT CO-ORDINATORS

4. On the trail

(Scavenger Hunt)

DATE- 22/04/2022
TIME- 3:00 p.m onwards
VENUE- Chemistry Lab

Scavenger Hunt competition in which all the clues will be related to subjects in Life Sciences (Botany, Zoology & Chemistry).

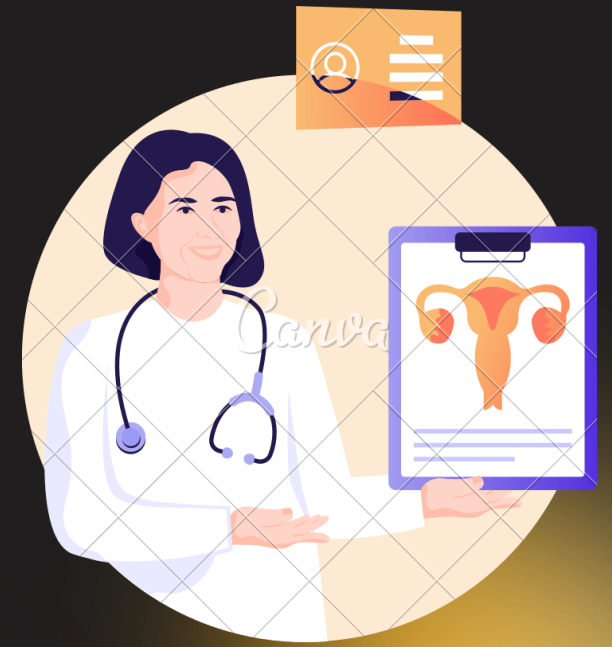

Guidelines:

1. Teams need to register beforehand.
2. Maximum Members can be 5 and minimum members can be 2 in each team.
3. There will be 3 different spots for each team.
4. The final spot will be common for all the teams
5. The first team to reach the final spot will be declared winner.
6. Teams must carry all the slips they find from the spots.
7. The winner team will get prize money!
8. The participants must report with whole team atleast 15 minutes prior to the event.
