### 4. Detailed Report:-

The Host of the Evening, Manvi Gupta, Joint Secretary of Department of Music, Kalindi College commenced the Webinar by welcoming the TIC Dr Renu Gupta, Co-Convenor Mrs Anuradha Kotiyal all the teachers and students and the very special guest of the Evening, Dr Tripti Sharma.

After a brief but informative introduction of the artist by the host of the evening, TIC Dr Renu Gupta was requested to welcome the artist and address the participants of the webinar. On that high note, the stage was handed off to the guest Vocalist. Over the span of one hour, all the attendees were mesmerised by the sheer talent, kindness, humility and vocal prowess exhibited by Tripti Sharma. She began the evening with *A bandish in Basant*, a beautiful, intricate and soulful rendition that marks the arrival of Spring. After that beautiful start, Dr Tripti taught the students a bit about her next element *Tappa* and *Thumri*, She explained the intricacy and difficulty of the music style and told students of its properties and rules. Students were also made

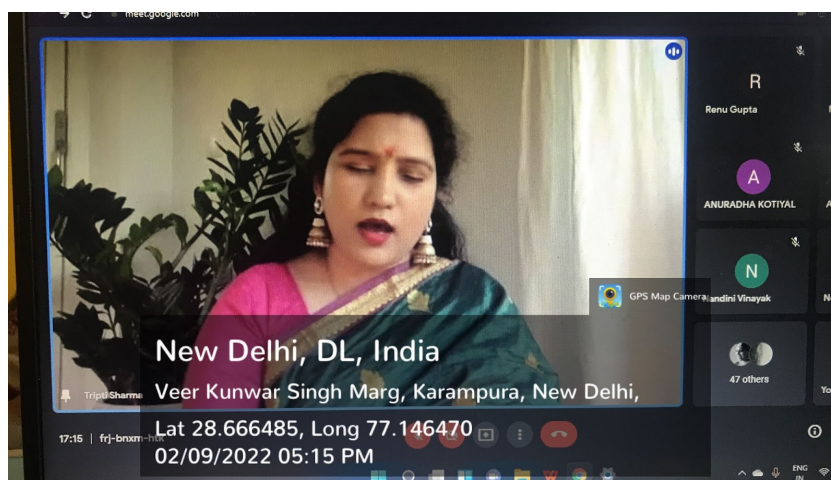

aware of the efforts and time it takes to learn the singing style. She sang it with such nonchalant proficiency that showcased her talents.

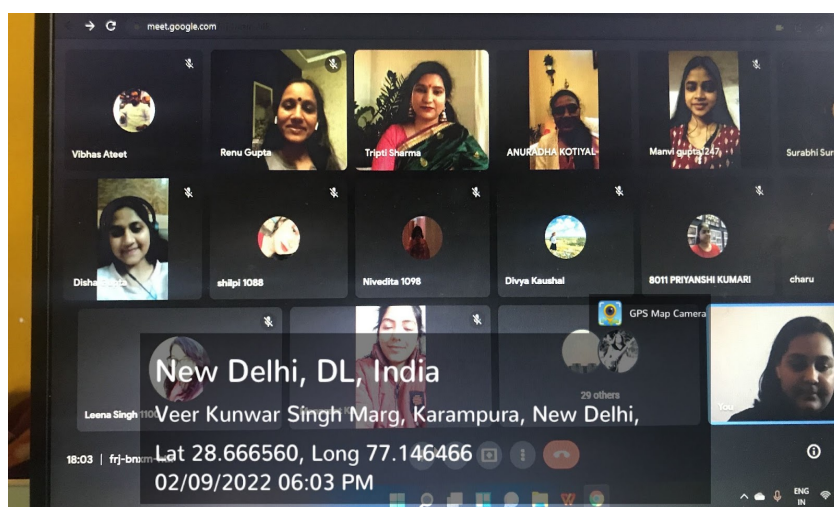

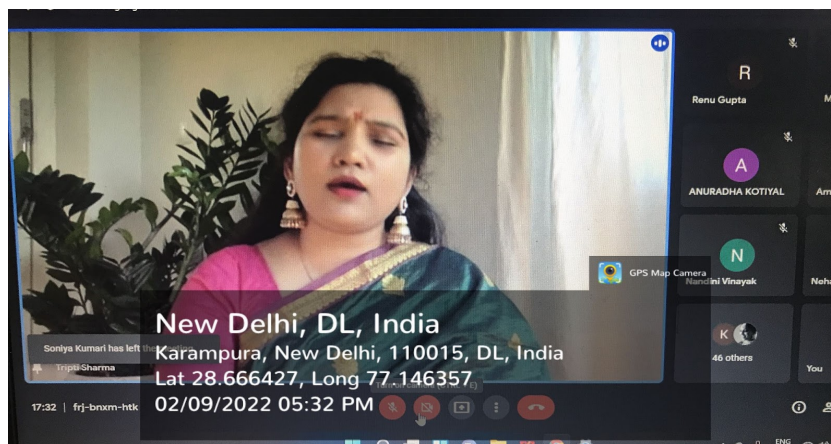

After that, she sang a *bandish* about Holi [ *Hori* ], she explained the happiness and joy the Festival of Colour brings, marking the start of spring. The bandish can't be explained in any other way but as playful and bright as Holi itself. She arrived at the final element of the evening, Dadra in Raag Bhairvi thus marking the closure of the evening. The present students and teachers were absolutely mesmerised by her vocal prowess.

Co-Convenor Mrs Anuradha Kotiyal was invited to give a formal vote of Thanks to the Special Guest Dr Tripti Sharma, all the teachers and students present. She invited The President of the Music Department, Aditi Jha to thank the artist, teachers and student body who volunteered to help put the Webinar together. Thus marking the end of a beautiful evening.
