Bhagwat Eclipsed

In Modi's shadow, the Sangh leader is no longer supreme

DHIRENDRA K JHA

Mohan Bhagwat, the supreme leader of the Rashtriya Swayamsevak Sangh, finds himself in a peculiar position. His reign over the Hindu nationalist organisation coincides with a Hindutva surge in the country that RSS cadres always dreamed of. But he cannot claim the credit. Prime Minister Narendra Modi has long projected himself as the man who can deliver the RSS's long-cherished project of a Hindu Rashtra. Over the years, he has tilted the balance of power within the Sangh Parivar in the Bharatiya Janata Party's favour, leaving the RSS in a position where it is obeying instructions instead of issuing them. Bhagwat's willingness to support Modi's conquest stands in contrast with the aggressive manner he had previously displayed in trying to establish the organisation's supremacy in the BJP's decision-making. Many RSS functionaries now perceive in Bhagwat a failure to evoke reverence for the exalted position of sarsanghchalak within the Sangh Parivar.
