ABOUT COLLEGE

The College has come a long way since its inception in 1967 and is now seen as a destination where students can embrace their future with hope and confidence. Years of hard work put in by all stakeholders show us the way forward. As a constituent college of University of Delhi, Kalindi College strives to cater to higher education to young women with a vision of a new, fulfilling future for all. A nourishing environment supported by a combination of competent infrastructure and a dedicated teaching faculty helps our students to achieve the highest accolades in Academics, Sports and other Extra-Curricular Activities.

Kalindi's motto conveys three virtues of human life: knowledge, modesty and sense of duty. During all these years, the college has not only made substantial progress in the field of education, but also immensely contributed in the Nation building. Many of its students and alumni have reached to the great heights and achieved National and International recognition. The college strives to provide an intellectual environment for the emancipation of the intellect and spirit that stimulates both critical thinking and imagination.

ABOUT KRYPTUS

Kryptus, The Placement Cell of Kalindi College, since its inception in 2017, aims to make the students industry ready. Currently catering to the needs of over 24 courses spread over 17 departments, Kryptus aims to make the students industry ready as well as equip them with the trending skills in the job market.

VISION

The placement cell, Kryptus envisions equipping the young women of the college with professional and technical skills required by the industry as well as making them ready for the corporates at national as well as global level.

MISSION

The placement cell aims to prepare the students career ready for the industry, equipped with the soft and technical skills required for an enriching corporate experience. Kryptus also targets to maintain good relationship with the companies and maximize the number of students getting campus placed.

PRINCIPAL'S MESSAGE

Education equips a person to take on new tasks, reach new heights, and live a successful life. Kalindi College encourages all students to strive for the best and achieve excellence through the way of inclusiveness, integrity, innovation, and creativity.

At Kalindi College, we have an enormous number of talented women who have a range of skills, knowledge, and expertise and are eager to enter the professional work environment and establish a prosperous career. We emphasize the overall development of students as well as seek to enhance industry-specific skills and forge a connection between students and the business world.

We believe that our students will be a great asset to your company. Looking forward to a long and meaningful relationship with your organization.

FROM PLACEMENT DESK

The Placement Cell of Kalindi College acts as a bridge between the corporate world and students. Its aim is to help students acquire necessary skills and abilities to get across the recruitment process of potential employers and thus, subsequently eliminate the gap between students' skills and employers' expectations.

The dedicated team of the placement cell works tirelessly to benefit students by organizing various events such as skill enhancing workshops, seminars , providing recruitment opportunities in reputed firms and so on. With rising normalcy and increasing hopes now, the placement cell team strives to work with even greater enthusiasm, while learning and bringing forth opportunities in the post pandemic world.

As the Convener of the Cell, I extend my sincere best wishes and support to the entire placement cell team in all their endeavours, while hoping that it continues to be entrusted with immense confidence from the corporate world, to cross new milestones in the upcoming session.

Convener**

RECRUITMENT PROCESS

Any company looking to hire from Kalindi must first get in touch with the College's placement cell via mail or phone. A recruitment form will be sent out by the cell which is to be duly filled and sent over mail.

A Coordinator will be assigned to the company by the Placement Cell. Coordinator will coordinate with the recruiter regarding all rounds including but not limited to Pre-Placement/Internship Talk, CV Shortlisting, Written Test, Group Discussion, and Personal Interview.

PRE-PLACEMENT TALKS

The pre placement talk serves as a platform for facilitating interaction between prospective companies and members of the placement cell. It offers students a chance discuss their hopes, interests and requirements for the placements.

APPLICATION AND SHORTLISTING

The interested students apply through the placement cell in response to the job descriptions floated by prospective companies. As the next step in the application process. the students are then required to submit a detailed resume.

PLACEMENT INTERVIEWS

The concluding procedure in the placement procedure is the interview. Prior to the main interview. a company official delivers a presentation to provide additional details about the company. which is followed bu a Q& A session to address averies of the audience .The interview enables the prospective emplouer and the shortlisted students an opportunity to discuss more about the role and make the appropriate selection.
