Students' Union Annual Report (2021-22)

Kalindi College Students' Union 2021-2022 is an active body that worked throughout the year for the welfare of the students and institution. It was even more exciting and equally challenging this time as KCSU'21-22 worked in both online and offline mode. After the reopening of campus, getting back to normal was a big task. But students' union left no stone unturned to make this shift a smooth one. Union organized many events with interactive audience and all these events were a great success. We were admired by our principal ma'am and teachers'. Students' Union has faced all barriers and conducted many successful events even in tough times.

Brief:

An online spiritual talk on LIFE LESSONS FROM MAHABHARATA was conducted for the students of Kalindi College by the Students' Union with SHRI SHUBHA VILAS JI as the Chief Speaker. He is a lifestyle management coach, storyteller, TedX Speaker and author of some best selling books including Ramayana: The game of life and Open Eyed Meditation who has delivered such talks in many countries and MNCs. His radiant aura is inevitable for the audience to ignore. The Convener Dr Renu Gupta welcomed Shubh Vilas ji to start the session.

Prabhu ji flared a green flag to the webinar with the ideal and most devotional way, a prayer to the almighty. He did a presentation for better understanding. He began with a brief introduction of the Indian epic, MAHABHARATA, "book of leadership". Prabhu ji beautifully depicted the interconnection of our life and the epic as a question answer relationship. He gave life to the stories of Mahabharata as he narrated some of them; each story was linked to a crucial aspect of life such as success and failure, happiness, focus, ambitions, desires, emotional bonding and perception.

The way Prabhu ji elaborated the Mahabharata transformed the way the epic has been perceived. He shed light on the 5 factors behind success, namely Person, Place, Instruments, Endeavors and Daiwo (hand of God). In addition to this, he briefed the students with 4 yugas: 'Sat Yuga' where God and Demons lived in different planets, 'Treta Yuga' where they lived in different countries, 'Dwapar Yuga' where they resided in same country and same family and the 'Kal Yuga', where they are in same person. He also gave an insight in people's minds and live and taught how the essence of life is hidden in such epics. The sense of calmness and spirituality the webinar instilled in all the participants is beyond words.

At last, a questionnaire session was catered in which Prabhu ji acknowledged questions about imperfections, quest for success, dealing with anger, finding purpose of life, moral decline and importance of spirituality and devotion in politics.

To conclude the webinar, a vote of thanks was presented by Dr. Janhawi to Prabhu ji for taking out time from his packed schedule and blessing the college with the privilege of hosting him. It was indeed an enlightening, awakening and informative webinar. It was an experience all present wished to have again.
