## Online Education

1. Does all programs/courses were completed on time.

Yes

2. Measures taken to complete the syllabus of courses and programs.

Every teacher has to make a pre divided curriculum plan according to the syllabus. The syllabus is divided into hours in accordance with the credit system approved by the Delhi University. The college strictly follows the academic calendar notified by the University of Delhi for each academic year. The same is communicated to the students. The hours are calculated for entire semester and divided as according to the number of classes given in the time table. A slot of various activities and revision of syllabus also mentioned in the curriculum plan towards the mid of semester and end of semester. All these things are planned month-wise and unit wise. To ensure the performance of the students, various activities in the form of online presentations, mock test and guest lectures and educational films and documentary screenings are also mentioned in the curriculum plan. At the end of the semester, every teacher has to submit a course completion report to the head of the department. Alongwith this internal assessment record of the students also needs to be submitted to the administration for the purpose of evaluation. The curriculum plan is present on our official website so that every student is aware of whole semester schedule time given to the students for submission of assignments and other records. As per university regulation, 66% attendance of students is essential to appear in the exams. After records of the students are also displayed on the college website. The college ensures that students attend all the classes as per the time table. During this pandemic situation institution is using online platforms such as Google Meet, Classroom and Microsoft teams to ensure that studies of the students is not hampered and syllabus is completed on time. Similarly, online tests and assignments are also collected via these platforms to assess the progress of the students.
