ORIENTATION

We are excited to announce that the upcoming academic session for first-year students at Kalindi College will begin soon.

Situated within the esteemed North Campus of the University of Delhi, Kalindi College stands as a premier institution renowned for nurturing exceptional talent and producing world-class leaders in various disciplines. It is with great pleasure that we extend a heartfelt welcome to the newly admitted students, inviting them to become an integral part of our college's enduring legacy.

To provide students and their parents with an immersive introduction to the college's vibrant atmosphere, infrastructure, and comprehensive facilities, we have meticulously planned an orientation programme. This interactive session, scheduled to take place a day prior to the commencement of classes, will serve as an invaluable opportunity for students and guardians to familiarize themselves with the college's offerings. During this engaging experience, we will share crucial information pertaining to the academic calendar, internal assessment procedures, co-curricular and extra-curricular activities, disciplinary guidelines, anti-ragging regulations, fee concessions, short-term add-on courses, cleanliness protocols, and more. By providing this comprehensive orientation, we aim to ensure that students are well-equipped to embrace the college's ethos and make the most of their educational journey over the next three years.

We encourage all students and parents to regularly visit the college website for timely updates regarding the specific dates of the college orientation program and individual departmental orientation programs.

CHAIRPERSON'S MESSAGE

Kalindi College is in the process of embodying its legacy as a leading academic institution among the emerging colleges of the University of Delhi.

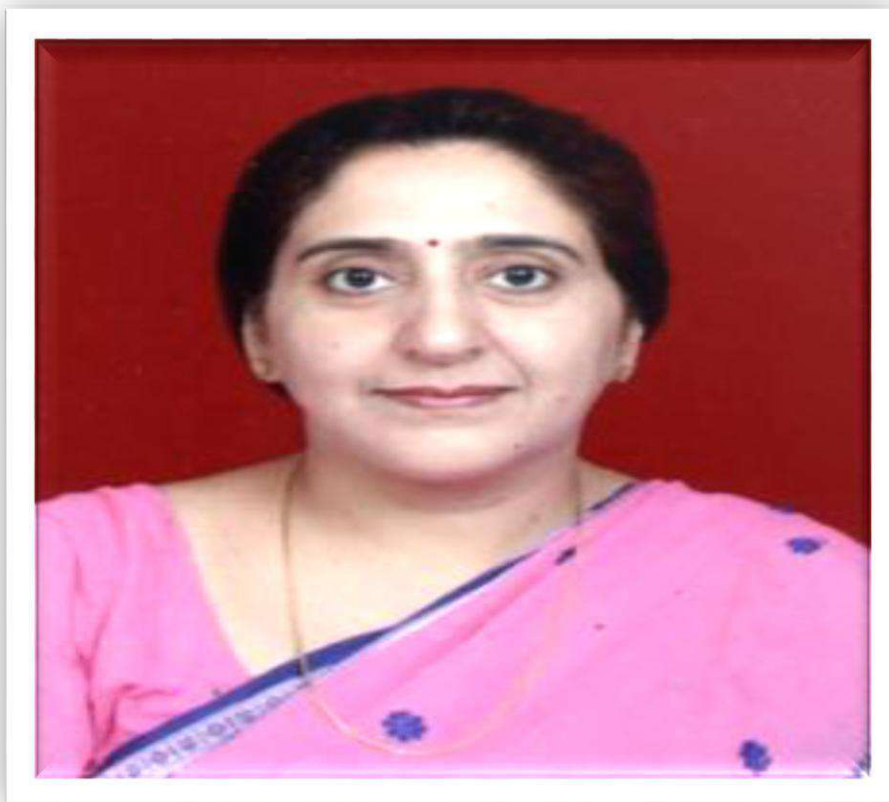

I am extremely pleased and proud of the progress that the college has made in the areas of research and innovation. I congratulate the principal, Prof. Meena Charanda, faculty members, and non-teaching staff for their achievements, which are the direct result of their hard work. I am also delighted to see that the students of the college are achieving overall development by excelling in both academic and co-curricular activities. I genuinely wish for the students of Kalindi College to have a rich, conducive, and complete social existence.

With best wishes,

Prof. Manju Mukul Kamble

Chairperson, Governing Body

TREASURER'S MESSAGE

I am extremely pleased to see that over the time, Kalindi College has emerged as an institution of distinct academic excellence. Kalindi College has many alumnae who have achieved significant accomplishments in the political, economic, and social fields, and I wish them to prosper further in the future. Indeed, I am proud to be part of the governing body of the college.

With best wishes,

Prof. Amarjeet Kaur

Treasurer, Governing Body

PRINCIPAL'S MESSAGE

Dear Students,

As a representative of the esteemed faculty and administration of Kalindi College, I extend a warm welcome to you on behalf of the institution. As you step into this new journey, we are thrilled to have you join our vibrant academic community and look forward to seeing the great things you will accomplish as you embark on this new chapter in your life. Since 1967, the institution has been nurturing minds and shaping futures, and it is now your turn to become part of our legacy. We are proud to have been providing quality education for over 50 years, and look forward to continuing this tradition by helping you achieve your goals and become the next generation of leaders. Our motto, "Gyanam Shilam Dharmashchaiv Bhushanam", guides us in cultivating knowledge, modesty, and

duty. We offer a holistic environment in which you can excel in studies, sports, and co-curricular activities.

From a modest start with only 599 students when the college was established in 1967, we have expanded into a thriving educational institution that currently boasts a student body of over 4,000 learners enrolled in a diverse range of programs including Regular Undergraduate, Non-Collegiate, School of Open Learning (SOL), and Postgraduate programs. This growth reflects our unwavering commitment to excellence, which is also recognized by NAAC with an A+ grade. This recognition highlights our dedication to delivering a top-notch education that transcends conventional boundaries, as evidenced by our continuous expansion and improvement.

Kalindi College offers an extensive array of resources to fulfil all of your academic requirements. It is important to make use of these resources effectively, with the guidance of esteemed faculty members at the college. Additionally, the college administration is always available to provide support and guidance to students, making it easier for them to navigate through academic and personal challenges. The helpful administration of the college also ensures smooth dealing by addressing issues in a timely and efficient manner. They are constantly working to improve the overall college experience for students, which includes streamlining processes and addressing any issues that may arise. The college serves as a venue for fostering academic and personal growth, ultimately empowering students to develop professional skills and embark on a transformative career path with unwavering confidence.

At Kalindi College, we prioritize your journey and pledge to provide comprehensive support for your all-encompassing development which is why we have established a range of cultural clubs as part of our Extra Curricular Activities program. These clubs provide opportunities for students to engage in various cultural activities beyond academic activities. To provide comprehensive education that addresses all aspects of personal and social development, including physical fitness and community involvement, the college offers NCC and Sports, in addition to a diverse selection of activities and programs that are regularly organized. Students are offered platforms according to their interests and passions, enabling them to gain hands-on experience in developing soft skills, leadership abilities, and personality development traits.

Our experienced faculty, cutting-edge facilities, and a diverse range of programs are designed to help you achieve your full potential. Our devoted teaching staff are committed to arranging workshops, seminars, and conferences to ensure that students remain updated in their respective fields. These events offer extensive and up-to-date information about various disciplines, while also enabling students to develop their social skills and establish valuable networking connections. Additionally, our scholarship programs ensure that financial limitations do not impede your aspirations. The college recognizes the importance of involving parents in their children's education and therefore organizes a Parent-Teacher-Student-Interface (PTSI) to promote communication and collaboration between parents, teachers, and students.

At Kalindi, we celebrate diversity and have a zero tolerance for discrimination. Various cells and committees, including our Anti-Ragging Policy and Internal Complaints Cell, ensure a fair and inclusive atmosphere. Our supportive staff works tirelessly to maintain a clean, safe, and nurturing campus environment.

We take pride in our students' achievements, and it is inspiring to see them excel in their respective fields, whether academics or athletics. Your journey at Kalindi College starts now. Embrace myriad opportunities, forge lasting friendships, and prepare to make your mark on the world. We are here to support you in every step of the process.

Once again, welcome to Kalindi College, where we turn potential into achievement and dreams into reality. Let us embark on this exciting journey.

KALINDI COLLEGE: ENVISIONING AIMS, OBJECTIVES AND A ROADMAP

Kalindi College, an esteemed institution in the University of Delhi, is dedicated in its pursuit of academic excellence while making significant contributions to society. With an unwavering focus on academic rigor, we have garnered numerous national and international awards and honours, attesting to our commitment to intellectual excellence and scholarly achievements. These accolades serve as a testament to the collective efforts of our faculty members and students who have consistently exhibited exceptional intellectual prowess and a thirst for knowledge. We take immense pride in our esteemed alumni who have emerged as trailblazers in their respective domains, leaving an indelible mark on society, including dignitaries, academicians, and scholars.

Situated on an impressive 8.25-acre campus in Patel Nagar, Kalindi College has an exceptional infrastructure designed to support a thriving academic environment. Our facilities include the Training, Research and Innovation Block, Chemistry Laboratory, an Amphitheatre for cultural events, the Students' Amenities Block, and a Sports Utility Centre. Additionally, we provide Gymnasias, a Teachers' Cyber Centre, and enhanced security measures such as an extra Security Gate. Our Science Block has been expanded to accommodate the evolving needs of our students, and we offer ample parking space for convenience. Emphasizing the importance of green spaces, we have created serene areas like August Kranti Park, Saraswati Park, Buddha Park, Butterfly Park, and a delightful Herbal Garden. Furthermore, we prioritize student well-being by implementing essential amenities such as a Rainwater Harvesting System, RO-water purifying systems, fire extinguishers, and sanitary napkin dispensers. With 31 completed projects and ongoing efforts to improve our infrastructure, we are dedicated to providing an optimal learning environment for our students.

Kalindi College offers a diverse range of academic programs, including 20 core courses that encompass various fields of study. Additionally, we provide 2 contemporary Short-term Add-on Certificate Courses designed to equip students with in-demand skills in the modern global market. These programs cover areas such as Foreign Languages: French and Chinese. We are proud to cater not only to regular students but also to those from the Non-Collegiate Women Education Board and the School of Open Learning Centre. Our institution is supported by a team of 201 highly qualified and distinguished teaching faculty members who are actively engaged in academic pursuits and institutional responsibilities. Furthermore, we have an efficient and cooperative administrative/technical/support staff comprising 73 members including 1 Librarian and 1 DPE who contribute to the smooth functioning of the college. Together, we are committed to providing quality

education and holistic development to our diverse student body, which consists of over 7,400 students from around the world.

In our pursuit of academic excellence and the provision of world-class facilities, Kalindi College has undertaken various initiatives to enhance the amenities available on our campus. We are currently in the final stages of completing the Girls' Hostel, which will feature 80 rooms with 240 beds. Additionally, we have several sanctioned projects in progress, including the renovation of Sangam Parisar, complete electrification of the campus, expansion of the library, and improvement of the sewer system. Furthermore, we have eight upcoming projects that include the extension of the science block and academic block, development of the sports ground, provision of a lift for differently-abled students and teachers, installation of 40 additional CCTV cameras for enhanced security, and implementation of a centralized public-addressing system for the college.

At Kalindi College, we prioritize classroom teaching and pedagogical innovation to provide an academically sound education. Our dedicated faculty members are committed to staying abreast of the latest developments in their respective fields, ensuring that our curriculum remains relevant and up-to-date. We foster an environment that encourages research, development, and innovation, extending learning beyond the confines of the classroom. Through close interaction and mentoring from professors, we aim to develop the critical and analytical skills of our students. Our curriculum plans and syllabi-completion reports ensure streamlined teaching for the benefit of our students. In recognition of the evolving nature of education in the post-Covid era, we have placed great emphasis on providing e-resources to our students through various online platforms, including our college website. Additionally, our esteemed faculty organizes seminars and workshops featuring renowned scholars at the international and national levels, providing our students with exposure to world-class education and training. We have implemented a Mentor-Mentee Programme, formalizing student mentoring to assist them in navigating academic and psychological challenges on their path to success. Every aspect of students' overall growth and personality development receives due attention, with medical care and psychological counselling readily available through a fully-staffed and well-equipped medical room and professional counsellors.

By fostering a vibrant scholarly environment, nurturing academic collaboration and celebrating intellectual achievements, our college remains dedicated in its commitment to shape a generation of competent citizens who will bring pride to the nation through their contributions to the global community of dreamers and innovators. Join us on this transformative journey and experience a world-class education that prepares you for a remarkable future.

NCWEB

Coordinator: Dr. Sudha Pandey

Deputy Coordinator: Dr. Pradeep Kumar Upadhyay

The Non-Collegiate Women Education Board (NCWEB), Kalindi College Teaching Center, is one of the oldest among the twenty-six Centers of NCWEB, University of Delhi. The Center operates in a semi-regular mode in accordance with the rules and regulations prescribed by the NCWEB. Since 2022, NCWEB has also implemented the National Education Policy, and all UG courses are the same as the regular colleges of the university.

B.A. Programme and B.Com Programme are the two courses offered by the Centre. Only female candidates residing in the National Capital Territory of Delhi (with residential evidence of Aadhar Card/Voter Card/Passport) can enrol as students. The admission is done on the basis of merit, with cut-offs determined by the NCWEB, University of Delhi. The teaching classes are held on Sundays. A minimum attendance of 66% is required to appear in the end-semester University Examinations, which are held simultaneously with regular college. In addition, library facilities for undergraduate students are available at the center. The Center also organizes workshops, seminars, lectures, and extra-curricular activities for the holistic development of students.

COMMITTEE FOR COACHING AND REMEDIAL CLASSES

Convenor: Dr. Krishna Kumari

Co-Convenor: Dr. Ruby

Kalindi College continuously strives to provide all possible assistance to students. For this purpose, the college has created an excellent committee and infrastructure to offer academic and co-curricular activities on campus. The college gives utmost importance to facilitating career counselling, placement, and other professional assistance for young and aspiring students. Kalindi College

organizes free remedial classes for students who need help in their academic sessions to perform well. The main objective of this class is to improve students' understanding of their discipline subjects and to help and guide them in their studies. The remedial timetable for each academic year is prepared in coordination with the various departments of the college. The cell is instrumental in ensuring that the required teachers conduct classes for the benefit of weaker students. Many students have benefited from this initiative.

In February 2012, the college started coaching classes for its registered SC/ST/OBC (excluding the creamy layer) and minority students under the Merged Scheme of the XI Plan, UGC. These classes were attended by enthusiastic students from these backgrounds who had a keen interest in learning. Students have benefited from professional expert coaching in different fields. In addition to coaching classes, they are provided with study materials, such as books, computer facilities, newspapers, competitive magazines, and online resource materials. Faculty members of the college and experts from outside are engaged as coordinators/instructors. The main focus of the resource person and committee is to help students improve their areas of difficulty so that they are better prepared for different competitive exams.

THE INTERNAL COMMITTEE (IC), KALINDI COLLEGE

Prof. Sangita Dhal

Presiding Officer, Internal Committee

Gender Sensitization and Gender Justice are the pillars of any strong institution. Keeping this in mind, Kalindi College strives to provide a safe and secure ambience to its students, faculty and staff members where they can thrive. Internal Committee of the college conducts workshops and organizes gender sensitization programs on regular basis for students, faculty members, administrative and contractual staff.

The Internal Committee (IC), formerly known as the Internal Complaints Committee (ICC) of Kalindi College, facilitates such a vision and has the necessary mechanisms in place to address complaints of sexual harassment swiftly and diligently. The Internal Committee deals with cases of sexual harassment on college premises. The Sexual Harassment of Women at Workplace (Prevention, Prohibition, and Redressal) Act, 2013, provides protection against sexual harassment of women at the workplace and for the prevention and Redressal of complaints of sexual harassment. *(Please refer to the college website for more details: (www.kalindi.du.ac.in)).*

The XV-D ordinance is based on the Policy against Sexual Harassment by Delhi University and seeks to maintain and create an academic and work environment free of sexual harassment for students, academic and non-teaching staff of the Delhi University.

IC consists of the following members:

- (a) One Presiding Officer who shall be a senior faculty member
- (b) Two Members from amongst the Teaching Staff
- (c) One member from amongst non-governmental organization or legal firm familiar with issues relating to sexual harassment:
- (d) Two non-teaching staff members
- (e) Three elected student representatives

What Constitutes Sexual Harassment?

Any of the following (directly or by implication) shall mean sexual harassment:

- physical contact and advances
- a demand or request for sexual favours
- making sexually coloured remarks
- showing pornography
- any other unwelcome physical, verbal or non- verbal conduct of sexual nature.

Procedure to Constitute and File a Complaint

- **Write Down the Incident:** Clearly describe the incident(s) in detail. Include dates, times, locations, and the names of those involved. Be specific and clear.
- **Specify the Nature of Harassment:** Describe how the behaviour constitutes sexual harassment as per your organization's policy.
- **Include Evidence:** Attach any evidence you have collected to support your complaint.
- **Format:** The complaint should generally be in writing addressed to the Presiding Officer, Internal Committee. Ensure your complaint is signed and dated.
- **Time:** Complaint can be filed within three months of the incident of sexual harassment.

False complaints can invite penalties.

ANTI-RAGGING COMMITTEE

Convenor: Prof. Rachana Kumar

Co-Convenor: Dr. Renu Bala

‘Ragging’ means the doing of any act which causes, or is likely to cause any physical, psychological or physiological harm of apprehension or shame or embarrassment to a student, and includes,

- (a) Teasing or abusing or playing practical jokes on, or causing hurt to any student.
- (b) Asking any student to do any act, or perform anything, which she/he would not, in the ordinary course, be willing to do or perform.

Ragging is different from other crimes because the motive is solely to get perverse pleasure. Ragging is also different from other crimes as it is actively promoted by certain sections of the society.

Observation and Directives of the Supreme Court:

The Supreme Court of India has observed that enrolment in academic pursuits or a campus life should not immunize any adult citizen from the penal provisions of the laws of the land.

According to the directions of the Supreme Court, if any instance of ragging is brought to the notice of the administration or the faculty, it is legally binding on the institute to report the matter to the Local Police.

Anti-Ragging

Based on the directions of the Hon’ble Supreme Court, the UGC framed the “UGC Regulations on curbing the menace of ragging in Higher Educational Institutions, 2009”. In compliance with the said Anti-ragging regulations, ragging is totally prohibited in Kalindi College, inside and / or outside the campus. Anyone indulging in the act of ragging and / or its abutment, whether actively or passively, or being a part of conspiracy to promote ragging, shall be liable to be prosecuted and punished as per mandate of UGC Regulations 2009 as well as under the provisions of any other penal law for the time being in force. Kalindi College strictly ensures that a congenial and welcoming environment is given to the freshers. To achieve this objective, an Anti-Ragging Committee has been formed by the Institute as per UGC Regulation 2009.

Roles and Responsibilities of Anti-Ragging Committee

- Zero tolerance to any act associated with ragging and to ensure strict compliance with the provision of UGC regulation 2009 at Kalindi College.
- Monitor and oversee the performance of the Anti-ragging squad to prevent ragging in Kalindi College.

Kalindi College has taken several steps to stop ragging inside college premises. During Orientation Programme, all the freshers are well informed about ragging as well as stern punitive penal action

against the individual involved in the act of ragging. Freshers are also informed about contact numbers and e-mail ids of Anti-Ragging Committee members to report any ragging activity in the college. Anti-ragging committee forms Anti-ragging squad of teachers to control ragging activities in the college. Several strict decisions have been taken to curb this offence. The students involved in ragging shall be prosecuted/ rusticated or even expelled for a specific term as per decision of the Principal. Several Notice Boards have been fixed in the college at prominent places stating provisions pertaining to anti-ragging laws as mandated by the ordinance XV-C. Any student can contact the Anti-Ragging Committee in case of any untoward incident.

ATTENDANCE COMMITTEE

Convenor: Dr. Shilpika Bali Mehta

Co-Convenor: Dr. Prerna Siwach

The Attendance Committee of the college comprises of faculty members from different streams. This Committee regularly holds meetings and interacts with the administration office to ensure that proper and timely steps are taken in order to uphold the ordinances and guidelines laid down by University of Delhi from time to time, with respect to attendance of the students. The Committee also coordinates with the Teachers in-charge of various departments so that the department prepares a list of students having short attendance and arranges for letters to be sent for intimation to the parents/ guardians.

Important Rules: -

- Medical certificates shall be excluded while calculating credit towards marks to be awarded for attendance though such certificates shall continue to be considered for the purpose of calculating eligibility to appear in the examination.
- A student shall be required to attend two thirds of total number of lectures/ Practicals / tutorials/ presentations separately delivered, to be eligible to appear in the examination.
- A student who will not fulfil required conditions of attendance as mentioned above in all the subjects taken together but has attended not less than 40% of lectures/ presentations/ tutorials/ practicals during the respective semester, may at the discretion of the principal appear for ensuing semester examination. Such student shall be required to make up for the deficiency in the next semester.
- In case a student is selected to participate in NCC camps/ Civil defence work/ NSS public assignments/sports or other curricular activities or represents college at various forums, the

numbers of lectures delivered during the period of absence shall be calculated as ‘deemed to have been attended’ only if forwarded by the concerned teacher.

ALUMNI COMMITTEE

Convenor: Dr. Kanchan Batra

Co-Convenor: Dr Vinay Kumar Rai

Alumni association of Kalindi College is an immense network of professional contacts which helps you to build relationships between college life and career life over a long term. The college has an active alumni association. It keeps in touch with the alumni through a robust social network. The alumni committee in collaboration with the alumni association organizes various activities throughout the year. It invites eminent alumni of the college to share their experiences and learning from their professional career. This helps to inspire the students and connects them with the external ecosystem.

ALUMNI ASSOCIATION

President: Dr. Savita Sharma

Vice President: Ms. Arushi Bathla

Secretary: Ms. Ashima Khanna Singh

Joint Secretary: Ms. Prerna Verma, Ms. Rita Naru

Treasurer: Dr. Sudha Pandey

Media publicity: Ms. Ekta Rajput

Alumni are the brand ambassadors of an institution, personifying its ethos. Their experience, learning and contributions to the society bring prestige to their alma mater. After years of hibernation, the Kalindi College Alumni Association was revived in 2009. The main purpose behind its evolution is to build a bridge between alumni and the students and to enhance alumni engagement, create an ambience of a community belongingness and persuade alumni to deepen institutional ties. With this idea in mind, Kalindi College alumni committee encourages its brand ambassadors to hold various interactive sessions on multiple themes ranging from career counselling to the protection of child rights in contemporary India. Through this, the college and the alumni will be able to engage in a mutually beneficial and meaningful long term communication. Around 2000 alumni are registered in alumni association. The awareness about alumni association is disseminated through Fresher's orientation programme, Facebook, telegram, WhatsApp and other social media platforms.

STUDENTS' UNION

Convenor: Dr. Vandana Rani

Co-Convenor: Dr. Utpal Kumar

The Students' Union is an active body appointed annually. It exists for the welfare and development of the students. It is responsible for organizing multiple events such as the Orientation Program, Oath Ceremony, Fresher's Welcome, and many others. The union body allows students to develop leadership and other life skills, manage events, and interact with people from diverse backgrounds. Through the Students' Union, students are being prepared to be the leaders of tomorrow.

It serves as a bridge between the administration and the student community, ensuring that student voices are heard and valued. Members of the Union take on roles that demand planning, coordination, and real-time problem-solving. These experiences instill confidence and foster a sense of accountability. By working in a team environment, students learn to value collaboration and respect diverse perspectives. Overall, the Union plays a crucial role in shaping well-rounded individuals ready to contribute meaningfully to society.

Activities of Various Cultural Clubs

Several cultural clubs are functional with the help of the Students' Union. Under the guidance of respective advisors, the cultural clubs provide students with the necessary supervision to hone their skills in different contexts and spaces. Seniors readily extend their helping hands to the juniors whenever needed in various club activities. Each student has to enrol in at least one club and attend its session once a week mandatorily. The clubs are quite active, and the involvement of teachers makes them worth joining.

Various events and their significant role in students' life

Events ranging from Fresh Face, Oath Ceremony, Fresher's Welcome, Diwali Mela, Annual Cultural Fest-Lehren, Annual Day, and Farewell, etc., are organized. These events not only encourage the spirit of togetherness among students but also provide platforms for students to present their talents and get recognized on a larger scale. It also helps in bringing out the hidden talent of students as they manage everything related to the events. Participating in these events boosts their confidence and prepares them for a great future. Perhaps the next Miss India or even a great political leader, who will take India to new heights, may be a part of our debate or fashion show event.

ECA

Convenor: Ms. Anuradha Kotiyal

Co- Convenor: Ms Baljit Kaur & Ms Keertika Lotni

At Kalindi College, the ECA Committee oversees 21 active clubs that cater to diverse interests, including literature, fine arts, and theatre. These clubs provide a vibrant platform for students to explore their talents and develop essential life skills like teamwork, leadership, and resilience. By engaging in creative activities, students nurture critical thinking, self-expression, and confidence, shaping well-rounded individuals who are ready to make their mark in the world. Through these extra-curricular activities the College empowers students to achieve holistic development and personal growth. These activities offer valuable experiences that promote personal growth, leadership development, and social connections. By complementing academic learning with practical, hands-on experiences, students can enhance their resumes, enrich their college life, and prepare for future careers. Extra-curricular activities also foster a balanced lifestyle, improve time management skills, and encourage teamwork and collaboration.

KALPDHRA: THE ENVIRONMENTAL SOCIETY

Convener: Dr. Shanuja Beri

The **Kalpdhra** Environmental Society of Kalindi College has been actively engaging students in various activities to promote environmental awareness and sustainability. One major initiative was the 30-day Environmental Challenge, where students completed daily Eco-friendly tasks and received e-certificates from 'Edu Trust' for their participation.

Weekly activities included Tote Bag Making and Paper Craft Activity, where students reuse materials creatively. A Herbal Walk help them learn about useful plants, and checking the Air Quality Index (AQI) teaches them about pollution levels. Students can also join in Butterfly and Bird Counting, with the bird count supported by the 'Cornell Lab of Ornithology'.

A Painting and Quiz Competition, supported by JNU EIACP Resource Centre, tested their knowledge of the environment. Students visited the Yamuna Biodiversity Park to learn about plants, animals, and local ecosystems. A unique Personification Activity lets those express ideas on climate change and biodiversity in creative ways.

Three days of Health Camp gave useful information on health topics like cervical cancer. Events like Vriksha Rakshabandhan, where students tied rakhis to trees, and sessions on plastic waste and paper recycling promoted eco-friendly habits.

The year's efforts came together in the society's annual fest, Eco Ripple, held on 5th March 2025, which also featured a Start-up Mela celebrating eco-friendly student innovations.

LEHREN

Convener:- Dr. Manisha Tomar

Co- Conveners:- Dr. Hemant Raman Ravi, Dr. Meenakshi Verma, Dr. Shalini Shikha

Kalindi College celebrated its much-awaited annual cultural fest, Lehren 2025, on the 3rd and 4th of April 2025 with vibrant enthusiasm, spirited participation, and youthful energy. The theme for this year, “Yuva Sanskriti – The Young India Festival,” beautifully captured the cultural consciousness

and creativity of the young generation. The two-day extravaganza commenced with an inspiring inaugural ceremony.

On **Day 1**, the college had the honour of welcoming Shri Ravinder Indraj Singh as the Chief Guest and Prof. Balram Pani as the Guest of Honour. Their presence and encouraging words truly uplifted the spirit of the event. The fest was formally inaugurated by our esteemed Principal, Prof. Meena Charanda, marking the beginning of a series of dynamic activities.

A range of competitions followed, creating an atmosphere of friendly rivalry and vibrant expression across the campus. The highlight of the day was the Fashion Show, where participants from various prestigious colleges showcased their talent, elegance, and cultural flair, leaving the audience mesmerized.

On **Day 2** elevated the fest to even greater heights. The college was privileged to host Mr. Chirag Paswan, Hon'ble Cabinet Minister of Food Processing Industries of India, as the Chief Guest. We were also honoured by the presence of Shri Lal Singh Arya, President of Anusuchit Jati Morcha, and Shri Guru Prakash Paswan, National Spokesperson of BJP, as distinguished guests, adding great prestige to the event. More than 30 vibrant competitions—including Rangoli, Face Painting, Debate (Hindi & English), Beatboxing, Mehendi, Western & Indian Dance, Solo and Group Singing, Collage Making, Rhythmic Yoga & Aerobics, Aaghaz, Street Play, Quiz, Graffiti Wall Art, Kavya Srishti, and Photography—were conducted, attracting enthusiastic participation from students across numerous colleges. Every event was a celebration of youth promise and cultural diversity. The festival concluded with a mesmerising star performance by Bhuwin, whose electrifying show captivated the audience and created an atmosphere of joy and celebration. Lehen 2025 concluded on a high note, leaving behind cherished memories and reinforcing the College's commitment to promoting youth talent and cultural richness.

NCC: NATIONAL CADET CORPS

ANO: LT. (Dr.) ARTI SINGH

The National Cadet Corps (NCC) is a premier youth organization under the Ministry of Defence, dedicated to instilling discipline, leadership, and a sense of patriotism among students. It offers comprehensive training in drill, physical fitness, weapon handling, map reading, and obstacle navigation. Cadets actively participate in major camps such as CATC (Combined Annual Training Camp), TSC (Thal Sainik Camp), RDC (Republic Day Camp), and NIC (National Integration Camp).

These experiences promote teamwork, survival skills, and cultural exchange. NCC also fosters social responsibility through various initiatives like cleanliness drives, tree plantation, blood donation camps, and disaster relief activities.

The 'B' and 'C' certificates offered by NCC come with numerous career benefits, including preference in defense services recruitment, bonus marks in SSB interviews, and additional weightage in various government job selections. Many cadets have excelled through the NCC framework—most notably, former Senior Under Officer (SUO) Shefali Tiwari, an AIR 1 holder, who continues to inspire current and future cadets. In essence, the NCC plays a pivotal role in shaping confident, disciplined, and socially responsible citizens of India.

NSO: NATIONAL SPORTS ORGANIZATION

Convenor: Dr. Sudha Pandey

Department of Physical Education, Kalindi College provides health and sports-related facilities to students and staff. The department provides coaching for different games such as athletics, badminton, basketball, boxing, chess, football, handball, judo, kabaddi, kho-kho, weightlifting, taekwondo, table tennis, volleyball and yoga. Besides this, we also promote games like gymnastics, shooting, swimming and tennis. Students of the college actively participate in different Inter-College, State, National, and International tournaments.

The department also organizes inter-class matches of different games for students, faculties, and non-teaching staff of the college. Sports society also organizes invitational inter-college tournaments for different games including chess and carom for the divyang category. Seminars, workshops, and webinars on health and fitness are conducted as well.

NSS: NATIONAL SERVICE SCHEME

Programme Officer: Dr. Manisha Arora Pandit

The National Service Scheme (NSS) is a Central Sector Scheme of Government of India, Ministry of Youth Affairs & Sports. The sole aim of the NSS is to provide hands-on experience to young students in delivering community service. It provides opportunities to the students to take part in various Government led community service activities & programmes. 'Not me but you', keeping this motto in mind, the NSS Unit of Kalindi College organizes a series of social events and conducts

various awareness programs based on many issues throughout the session for the betterment of the society.

WOMEN DEVELOPMENT CELL

Convenor: Dr. Manisha Tomar

Co-Convenor: Dr. Meenakshi Verma

The Women Development Cell (WDC) of Kalindi College serves as the primary gender forum of the institution, dedicated to addressing and dissecting critical gender issues prevalent in everyday life. Our mission is to foster a comprehensive and nuanced understanding of gender dynamics and to challenge entrenched gender stereotypes through education and dialogue.

At the core of our activities is the use of innovative pedagogical tools designed to spark intellectual curiosity and critical thinking among students and faculty alike. By promoting these conversations, we aim to cultivate an environment that not only supports gender equality but also emphasizes gender equity across all facets of campus life.

Over the years, the WDC has been at the forefront of advocating for systemic changes that promote a fair and inclusive academic and social environment. Our efforts include a variety of initiatives such as open workshops, which provide a platform for discussing gender issues and offer participants practical tools and strategies to address these challenges in their personal and professional lives.

We also organize seminars that feature leading scholars and activists who share their insights and research on gender studies, encouraging a deeper understanding of gender issues. Our campaigns focus on awareness drives and advocacy efforts aimed at highlighting gender inequalities and mobilizing the college community towards collective action. Additionally, we host conferences that bring together experts, students, and practitioners to exchange ideas and best practices on gender equity and empowerment. Our film festivals curate screenings of films that explore various aspects of gender and sexuality, followed by discussions that help unpack the themes and messages of the films.

The WDC also places a strong emphasis on intersectional feminism, recognizing the complex and interconnected nature of social categorizations such as race, class, and sexuality, which can compound the experience of discrimination. Our initiatives are designed to be inclusive and reflective of the diverse experiences of all women.

By encouraging students to question and critically analyze gendered existentiality that perpetuates discrimination, the WDC aims to build a supportive network of camaraderie and solidarity among

women. Our commitment to these principles is evident in our ongoing efforts to create a campus culture that is equitable, inclusive, and supportive of all its members.

Through these comprehensive and multifaceted approaches, the Women Development Cell of Kalindi College continues to strive towards its vision of a more just and equitable society, both within and beyond the campus.

TRANSGENDER CELL

Convenor: Ms. Sonia Kamboj

Co-Convenor: Dr. Kumari Shobha

The Transgender Cell of Kalindi College is the first of its kind in the University of Delhi. Committed to the cause of gender diversity and inclusivity, the cell is critically engaged in debates, discussions and activism for the third gender. It has been in partnership with various development organisations to understand the issues of gender justice. In past one year, cell conducted various inter college competitions under the theme “Beyond the Binary: Exploring Trans Identity” and movie screening to address the various issues and challenges related to third gender.

EQUAL OPPORTUNITY CELL (EOC)

Convenor: Dr. Nitin Malhotra

Co-convenor: Dr. P.P. Saini

The XII Plan guidelines (2012-2017) of UGC for Persons with Disability Scheme in Colleges broadly posit two schemes in place, namely; ‘Higher Education for Persons with Special Needs’ (HEPSN) Scheme and Visually Challenged Teachers respectively. As per HEPSN Scheme, one of the key components has been the establishment of Enabling Unit for differently abled students in university colleges with a vision to raise awareness in higher education systems about the special educational needs and other general issues encountered in the learning environment of university institutions.

In the light of fruitful compliance of these UGC norms, Kalindi college is fully resolved and devoted to make concerted efforts for benefiting disabled students in the best possible way through effective functioning of such facilitating bodies with the nomenclature; ‘Equal Opportunity Cell’ (EOC). Although there are 5 differently abled students enrolled in totality, this cell of Kalindi College is firmly committed to provide an accessible, conducive and supportive environment for persons with different abilities (Divyangjan) irrespective of their low strength.

Objectives and Functions of the Cell

- The EOC of Kalindi College is a platform to ensure that all specially abled (Divyang) students are bestowed with equal educational opportunities particularly visually impaired, hearing/speech impaired, students affected by locomotor disability, etc.
- The concerned cell of the college facilitates admission of as many differently abled students as possible in various courses by virtue of open quota and also through their reservation.
- It also provides necessary guidance/ counseling for individuals with disabilities concerning courses to be chosen and assists them to gain successful employment in public and private sectors, at a later stage.
- The cell also organizes disability awareness programmes i.e. seminars, talks, celebrating disability-oriented days; World Disabled Day and White-cane Day, and other co-academic activities from time to time and disseminate knowledge among students about the challenges vis-a-vis disabled and prospects for them.
- It Acquaints them about government academic and financial plans, scholarship schemes, job opportunities and other facilities offered by the college in detail.

The Achievements

In order to make the college campus barrier-free and academic learning more disabled-friendly, several initiatives have been taken. These shall subsume:

- Constructing ramps and hand rails in college buildings and library.
- Arrangement of wheel-chairs for easy mobility of these students throughout college spaces.
- Procurement of assistive technology of screen-reading software; NVDA or JAWS. This screen-access software generates a sense of independence among visually impaired students while studying with the help of computers.

Recently on 23rd April 2025, the cell had successfully organized a one-day disability-oriented fest: 'Samvardhan' which happens to be a pioneering initiative of that sort at the college. This event comprised of a panel discussion at the outset entitled 'the Role of Persons with Disabilities in Realising the Viksit Bharat Vision (2047)' followed by inter-college competitions (debate and talent hunt show) in the later half. Simultaneously, an eye-donation awareness camp has also been conducted in collaboration with Sakshamn Indraprastha (NGO for Disabled) to convey the importance of donating eyes for a noble cause among students/teachers. Interestingly, about 100 students filled the resolution form and depicted their commitment for eye-donation. As a matter of fact, about 20-25 differently abled students across university got themselves registered and participated in competitions. Cash prizes for 1st, 2nd and 3rd rank-holders along with consolation

prizes have been distributed among students to promote their hidden caliber. It's been quite an enriching and indeed illuminating experience for everyone.

As per the new guidelines issued by the university, complete waiver of fees for such students has been implemented. In a nutshell, this committee attempts to stimulate an overall personality development of disabled students and thereby, bring about their academic as well as co- academic empowerment.

SOCIAL RESPONSIBILITY, EXTENSION ACTIVITIES & COMMUNITY OUTREACH PROGRAMMES

Convener: Dr. Renu Bala

Co-Convener: Ganesh Yadav

Co-Convener for Community Outreach: Dr. Manju Latta

Co-Convener for Social Responsibility: Dr. Om Prakash

Co-Convener for Social Responsibility: Mr. Avneesh

Social Responsibility Cell of Kalindi College, operative since 2015 was formed to undertake the challenge of creating socially responsible citizens. The Cell has been creating a remarkable impact in the society by conducting various initiatives namely: blood and organ donation drives, no-plastic campaigns, youth sensitization workshops, skill development training and visits to old age home through numerous projects.

The Cell comprises of two verticals: Enactus Kalindi and Connecting Dreams Foundation (CDF) Kalindi. They provide innovative, responsive and effective platform for students to explore and pursue their passion. These activities help in shaping socially and ethically responsible leaders and citizens.

Enactus Kalindi has been working on three projects- Project Rehmat, Project Weran and Project Rahi, that use the power of entrepreneurial actions to transform lives. It promotes innovative solutions thus creating impact in aspects like sanitation, agriculture, environment, reducing inequality and women empowerment for sustainable development.

Connecting Dreams Foundation (CDF), Kalindi College chapter, through its Project Kilkari, Project Unnati and Project Yukta, which are aligned to the United Nations Sustainable Development Goals (SDGs), aims at uplifting the underprivileged section of the society through entrepreneurial ventures and actions, bringing a ray of hope in the lives of poor and economically marginalized people.

Participation in the activities of the Social Responsibility Cell provide students with opportunities to make meaningful difference in community while also inculcating experience, skills, and contacts necessary to build a successful career. Since its inception, the Cell has been committed to fulfil its objectives through various cooperative and social actions. The remarkable progress made till date is a testament to the pedigree of our faculty, resource and alumni. As a member of the Social Responsibility Cell, students are able to build a worldwide network with thousands of other students and business leaders who have shared mission to creating a better world.

DR. B.R. AMBEDKAR STUDY CENTRE

Convenor: Prof. Sunita Mangla

Co-Convenor: Dr. Pallavi

The Dr. B.R. Ambedkar Study Centre at Kalindi College, University of Delhi, was established in 2017 with a visionary purpose: to foster critical awareness and intellectual engagement among students and faculty with the life, philosophy, and enduring legacy of Bharat Ratna Dr. B.R. Ambedkar. A towering figure in Indian history, Dr. Ambedkar was not only the chief architect of the Indian Constitution and the nation's first Minister of Law and Justice, but also a courageous advocate for social justice, equality, and human rights. The Centre recognizes the continued relevance of Dr. Ambedkar's thought in addressing contemporary challenges in Indian society. Guided by his ideals of constitutional morality, democratic governance, and social empowerment, the Centre conducts a range of academic and experiential programs. These include national seminars, student paper presentations, and educational visits to key institutions such as the Dr. Ambedkar International Centre in New Delhi. Committed to promoting inclusive education and critical thinking, the Centre has successfully organized several national and international events. Through these initiatives, it aims to inspire and nurture informed, empathetic, and socially responsible individuals who can contribute meaningfully to India's democratic and pluralistic ethos.

GANDHI STUDY CIRCLE

Convenor: Dr. Hemant Raman Ravi

Co-Convenor: Dr. Ram Sarik Gupta

An apt statement in today's world by Mahatma Gandhi who rightly said, "In a gentle way, you can shake the world". Committed to this motto, Gandhi Study Circle of Kalindi College is an active co-

curricular society that has evolved into a platform for encouraging alternative thought and action based on Gandhian ideals among its students. In the past few years, the Gandhi Study Circle (GSC) has brought great laurels for the college. GSC of Kalindi College is open to all its students and provides an engaging forum for students and faculty. It helps members to deliberate on the importance and relevance of Gandhi's ideas and his contribution in shaping our life and mission to create a modern India with unique values and morals.

The GSC at Kalindi College has put on its shoulders the responsibility of passing on Bapu's legacy to the younger generation. GSC is known for conducting a series of events throughout the year to ensure a steady flow of essence of Gandhian teachings. His principles and philosophy are kept alive through seminars, webinars, paper presentations, poster making and various other activities which are organised by the GSC. It inspires and empowers young minds to be the change makers by adopting Gandhian values along with earning their academic degrees.

PLACEMENT AND CAREER COUNSELLING CELL

Convenor: Dr. Saurabh Kumar Jha

Co-Convenor: Dr. Rekha Meena

The Placement and Career Counselling Committee of Kalindi College, University of Delhi, established in 2017 under the name Kryptus, is dedicated to enhancing student employability and bridging the gap between academic learning and professional readiness. The Cell aims not only to facilitate recruitment but to promote holistic development by equipping students with essential skills such as communication, resume writing, LinkedIn networking, and interview preparedness.

To achieve this, the Committee organizes a range of offline and online events, including speaker sessions and workshops led by experienced professionals. During the 2024–2025 session, notable events included a seminar on LinkedIn and cold outreach by Mr. Rahul Luthra (Xperto), a CV and job search session by Mr. Abhishek (EY), and a Drone Geoinformatics workshop in collaboration with the Drone Academy of India. These events introduced students to strategic career tools and emerging technologies.

The Committee also celebrates key placement achievements, with students securing roles at top firms like Zomato and Accenture. Among them were Shruti Chaudhary (Pol. Sci. Hons), Divya Popli (B.Com Prog), Smriti Negi (BA Prog), and others from B.Voc and B.Sc. (CS Hons). Through these

efforts, the Committee continues to empower students with knowledge, exposure, and confidence to excel in their future careers.

ENTREPRENEURSHIP, SKILL DEVELOPMENT AND INNOVATION CELL

Convenor: Dr. Shanuja Beri

Co-Convener: Dr Saurabh Kumar Jha

This cell is formed to develop spirit/awareness of *Entrepreneurship* among students, to nurture and advance creativity skills and innovative thinking. It aims at empowering and inspiring students to take initiatives and accept responsibilities to be able to thrive in the challenging world by becoming employment creators than seekers. It provides an opportunistic platform for students to come together, discuss and give vent to their creative ideas. It helps students conceptualise, rationalise, and channelize their ideas into business plans by navigating through group discussions, evaluations by industrial experts and team building.

The **ESDI Cell** of the College conducts various awareness programmes such as: Seminars, Workshops, Talks, Industrial Visits, Food Fest and Interaction with Young Entrepreneurs etc. These programmes are aimed at making the student community more enthusiastic towards entrepreneurial activity.

SC/ST/OBC CELL

Convenor: Dr. Deepak Yadav

Co-Convenor: Dr. Manjulata

THE PRIMARY OBJECTIVES OF SC/ST/OBC CELLS ARE AS FOLLOWS:

EMPOWERMENT AND INCLUSION:

The main objective of the SC/ST/OBC cell is to promote the social, educational, and intellectual empowerment of Scheduled Caste, Scheduled Tribe and Other Backward Caste students by creating an inclusive environment. The cell works to ensure that the benefits of development programs and policies reach these marginalized groups, enabling them to participate fully in educational and intellectual pursuits.

PREVENTION OF DISCRIMINATION AND HARASSMENT:

The SC/ST/OBC cell plays a crucial role in preventing discrimination and harassment faced by SC/ST/OBC individuals within the institution. The cell ensures that the rights and dignity of SC/ST/OBC employees, students, or beneficiaries are protected, and any discriminatory behaviour is promptly addressed. The cell works towards fostering a respectful and equitable atmosphere for SC/ST/OBC members.

IMPLEMENTATION OF RESERVATION POLICIES:

SC/ST/OBC cell is responsible for the effective implementation of reservation policies in admissions and other areas where reservations are applicable. The cell monitors the progress of SC/ST/OBC candidates in accessing opportunities and advocates for their fair representation in the institution. This ensures that the intended benefits of reservation policies are realized and opportunities are accessible to SC/ST/OBC students.

Overall, the SC/ST/OBC cell works towards creating an inclusive and equitable environment for SC/ST/OBC students by addressing the challenges and obstacles they face due to historical and social disadvantages. By providing support, advocacy, and empowerment, this cell aims to bridge the gaps and promote the overall well-being of SC/ST/OBC communities within the educational system.

THE NORTHEAST STUDENTS' CELL

Convenor: Dr. Gyamar Nemey

Co-convenor: Dr. M. Rojina Devi

Northeast region of India comprises of culturally and linguistically diverse ethnic groups. Its spatial and geographical location amongst other has made the region relatively obscured and isolated from the rest of the nation. Seeking access to premier academic institutions and educational exposure, number of students coming to Delhi has increased exponentially over the years. And Delhi University receives the largest proportion of these aspiring students. Pertinently, the university and colleges have taken number of conducive steps to promote accessibility and smooth transition of students coming from the northeast region.

OBJECTIVE:

The Northeast Cell of Kalindi College is one of the oldest in Delhi University. It was constituted in 2012, even before the GOI directive was notified for having such cells in government supported

academic institutions. The objectives of the cell are to address major challenges faced by the students from the region: Beginning with the admission process and its related matters to getting familiar with the course disciplines and syllabi; the cell works as a support system for the students in adjusting to a new environment; It also works as a bridge between students from the NE region and those from the mainland for conducive interaction and understanding. The cell strives to promote unity in diversity among NE students and beyond in the university. Kalindi College also has a much-awaited hostel facility project in progress in the campus itself. The foundation stone for hostel accommodation named Northeastern Girls' Hostel was laid by Prof Dinabandhu Sahoo, the then Governing Body Chairman in 2014.

Activities of the Cell:

Since its inception, the Northeast Students' Cell of Kalindi College has organized various awareness and educational talks. The orientation programme for the first year's students is held regularly in the beginning of academic session. Educational and informational seminars, workshops and competitions are held consistently, besides the annual inter-college cultural event. Students coming from the eight north-eastern states (Assam, Arunachal Pradesh, Manipur, Mizoram, Meghalaya, Nagaland Tripura and Sikkim) effectively host and organize the above-mentioned programmes. Presently, there are about 50 students in the second and third years from different states in the northeast enrolled across departments.

How does the Cell work?

The Cell works under the headship of a convenor selected during academic council committees allotment. The other committee members include a co-convenor and members from among the faculty. For smooth functioning, faculty members then select 10 to 12 students as office bearers (OBs) from different batches through nomination and interviews every year. Selected representatives run the cell in consultation with faculty in charge to ensure amicable and Kalindi College 35 Prospectus 2025 conducive atmosphere. They execute and expedite the Cell's objective and visions. The Northeast Students' Cell of Kalindi College work towards promoting robust cultural interactions, holistic education, equality, sense of fraternity among students and overall harmony within plurality in the college.

OUTSTATION AND FOREIGN STUDENTS CELL

Convener: Dr. Vinita Meena

Co-Convener: Dr Prerna Siwach

The Outstation and Foreign Students Cell is a formal committee constituted by the college to provide counselling and guidance to the outstation and foreign students while they pursue their education in the college. The cell ensures that the outstation students fearlessly discuss their problems with the teachers and easily adjust to the new academic and social environment of the institution. The cell also strives to remain committed to the objective that the students who are staying in the rented accommodation are provided timely guidance and psychological support when they try to reach out the college authority for seeking any help. In addition to this, the members of the cell take keen interest in patiently hearing the concerns and queries of the outstation students so that they can feel more connected and protected within the college. The Outstation and Foreign Students Cell also aims to ensure the welfare and well-being of the outstation and foreign students by providing them necessary support to excel also at personal and social levels along with academic level.

The cell endeavours to serve as a significant bridge between the outstation students and the college administration so that the students coming from different cities and countries can have seamless interactions with the teachers and the staff of the college and they do not find themselves deprived of relevant information concerning the institution. Our goal is also to offer them awareness about the academic events happening at the college so that they are able to benefit from all the available opportunities. The members of the cell also contribute to the overall enrichment and development of the outstation students by encouraging them to utilise their academic and non-academic capabilities both while pursuing their academic courses in the college.

PARENT-TEACHER-STUDENTS INTERFACE (PTSI)

Convenor: Dr. Awadh Narayan Choubey

Co-Convenor: Dr. Shalini Sharma

The Parent-Teacher-Students Interface (PTSI) is an official organization comprising parents, teachers, and students to facilitate parental involvement in the college community. The primary objectives of PTSI are as follows:

1. **Fostering Collaborative Relationships:** PTSI endeavours to cultivate strong partnerships between parents and teachers to enhance student support.

2. **Information Exchange and Advocacy:** It serves as a platform for parents to gain insight into and express opinions on college affairs.
3. **Comprehensive Student Understanding:** PTSI promotes a comprehensive understanding of students from both parental and educational perspectives.
4. **Enhancing Educational Experience:** The organization strives to ensure that the college provides an optimal learning environment tailored to meet students' individual needs.

The college hosts PTSI meetings to inform parents and develop strategies to support teachers in facilitating the academic and personal development of all students. Through these interactions, teachers gain knowledge about students' social backgrounds, interests, and perspectives on college matters, including faculty and administrative issues. This exchange of information helps address challenges students face and contributes to enhancing overall student life and the college environment. By gaining deeper insights into students' profiles, teachers are better equipped to meet their educational requirements effectively.

ANTI-TOBACCO COMMITTEE, KALINDI COLLEGE

Prof. Pushpa Bindal (Convener)

Prof. Monika Bassi (Co-Convener)

The Anti-Tobacco committee in the college has been making commendable efforts to raise awareness about the harmful effects of tobacco consumption among students and staff. The committee has been conducting various events and campaigns to encourage individuals to quit smoking and chewing tobacco. These initiatives include organizing workshops, seminars, and talks by experts on the ill effects of tobacco on health. The committee also displays banners and posters in the college premises to educate people about the dangers of tobacco consumption. Moreover, the committee has taken up the responsibility of monitoring the college premises to ensure that no one is smoking or using tobacco products on campus. Kalindi College takes pride in the fact that our college campus is a smoke-free campus.

In terms of Cigarettes and other Tobacco Products (Prohibition of Advertisement and Regulation of Trade and Commerce, Production, Supply and Distribution) Act, 2003, it is mandatory for the College to display and exhibit boards at conspicuous places outside the college premises stating that sale of cigarettes and other Tobacco Products in an area within a radius of 100 yards of the educational

institution is strictly prohibited and that it is an offence punishable under section 24 of the Act. Also, it is mandatory for the College to display and exhibit boards at conspicuous places inside the college premises prominently stating that Kalindi College is a “No Tobacco Zone” for students and staff and strict action shall be taken whosoever is found to be indulged in activities related to violation of “No Tobacco Zone”. The college is strictly adhering to above said mandates.

Though, students of Kalindi College are averse to the use of tobacco, however the Anti-tobacco committee is not leaving any stone unturned to sensitize our students about the ill effects of tobacco, as the toxic chemicals in tobacco harms almost every part of our body and thereby increases risks of many diseases. Various programs are being organized to sensitize students about the detrimental effects upon health by use of Tobacco and by way of said programs to elaborate the negative side effect of nicotine use that corrupts every aspect of a person’s health and his well-being as a whole.

VALUE-ADDED COURSE

Convenor - Dr. Rajesh Kumar Meena

Co-convenor - Dr. Aarti Pathak

Value added course joint venture with various organizations facilitates the students as well as the faculty to keep pace with the latest technologies pertaining to their chosen field of studies. It is important for higher education institutions to supplement the curriculum to make students better prepared to meet industry demands as well as develop their own interests and aptitudes. Our college offers a wide variety of short term and also long-term certificate courses which are conducted after class hours or during semester breaks. These courses are conducted by professionals and industry experts and help students stand apart from the rest in the job market by adding further value to their carriers. Working towards this objective, our college periodically conducts training, lectures and various other programs for the wellness of the students. Via value added course we have offered such type of programme where in the students are getting trained well. From the expertise our students gain knowledge through the value-added programme, which will enable them to face the formidable challenges of the future. Many students have been benefited every year. Value added course provide the opportunity for training as well as guidance of the students on the various aspects of building a career and to assist them in exploring new opportunities. VACs cultivate an urge amongst the students and position them to turn into flamboyant professionals on the latest trends and rally their technical skills in advanced manner.

These courses offer our students an edge over others and have the following advantages:

- Augments aptitude skills, technical knowledge, and ability to think and innovate
- Exposure to recent trends in the core field, augmenting the employability of the graduates
- Strives to inculcate fundamental problem solving skills to encourage the students and make them understand the use of modern research tools.

LIBRARY**Librarian: Ms. Karnika Gaur**

The college has a well-stocked library. The library has a collection of over 90,542 books on different disciplines that students may issue to help them excel in their field of study. We have a wide array of books to choose from. The Library collection is divided into three sections, i.e. General, Textbook, and Reference. Students have access to a large number of national and international journals that the library subscribes to. Currently, the library is subscribing to 92 magazines/journals and 14 newspapers in both English and Hindi. With its open rack system, spacious reading room and reference section, the library provides an atmosphere conducive to studying. A competent and

friendly library staff is available to guide and assist students regarding books and the library facilities. The library encourages all the students to become regular and responsible users of the library. A photostat facility has been provided in the library, which is equally accessible to both teachers and students. On the First floor of the library, a Web centre provides access to e-resources available through ONOS (One Nation One Subscription), DELNET (Developing Library Network), and DU E-Library (Delhi University Library System). Users can access electronic resources remotely using the User Id and Password provided by the library. There are facilities of e-books for Print Disabled students through DU Braille Library and Sugamaya Pustakalaya, along with screen-reading software such as NVDA, available in the library

The library also promotes the Green initiative by procuring recycled material in lieu of library waste paper. The Library organises user education programs to orient students with the various library services and facilities for optimum utilisation of resources.

LIBRARY MEMBERSHIP

To become member of the library, students are required to fill membership form available in the library and attach three latest photo (02 passport size and 01 stamp size). After filling the form, they can collect their library membership card on the date given by the library.

CYBER CENTRE

Convener: Dr. Vandana Gupta

Co-Convener- – Dr. Vikash Yadav, Dr. Kaushlendra Kumar

The well managed cyber centre provide computer and internet accessibility to students, faculty and staff for various academic and administrative tasks. It also helps in facilitating the research work of faculty and students. Delhi University Subscribed 63 high quality electronic databases have been made available through campus networks to teachers and students. In addition to these, 21 more databases are also accessible through Digital Library Consortium. Open access e-resources are also available through this campus wide network.

Students' Cyber Centre: The Cyber Centre, inaugurated in 2012 by Prof. Dinesh Singh, the then Vice Chancellor, University of Delhi, is well-connected with Delhi University Network via optical fibre with a speed of 250 MBPS.

Teacher's Cyber Centre: In order to promote academic and research activities, the college has set up an exclusive cyber centre for the teachers, adjoining the Student's Cyber Centre, with 35 computers, all connected through LAN and Internet.

DISASTER MANAGEMENT CELL

Convener: Prof. Seema Sahdev

Co-Convener: Dr. Seema Mathur, Dr. Jitendra Rishideo

Under the disaster management act (DM act), 2005 section (30) (1), it is mandatory to initiate the disaster management training and evacuation plan for college. Disaster management cell in Kalindi College was started in the academic year of 2021 – 2022. The cell works to inculcate or to acquaint college students on Disaster preparedness in case of disaster that may occur any time. The Disaster management cell focuses on imparting awareness about the various kinds of disasters and possible responses to them. The basic aim of Disaster Management Cell is to impart Education or training to the students at grass-root level in vulnerable areas and to train them to respond to any disaster situation.

Familiarization Exercise (FAMEX)

The Disaster Management Cell organised a mock drill on Familiarization Exercise (FAMEX) in collaboration with NDRF on 26.11.2024 on the theme Capacity Building by NDRF. This FAMEX includes

1. The response force taught participants to tackle every disaster with courage, and no matter how big the disaster or the mishap is we have to think about the solutions.
2. The team also taught us to be brave enough and tackle the situation with the bare minimum that we have as they taught us how to make a stretcher using strong sticks and rope.
3. The force also gave us demos about how to save ourselves and rescue people during any mishap like accident, earthquake, flood etc. They also taught us about CPR and its do's and don'ts.

The mock drill commenced with an introduction to disaster management, highlighting the importance of preparedness and response. The event aimed to demonstrate various techniques and strategies for mitigating the impact of disasters.

Key Demonstrations

Carrying Injured Persons: The NDRF team showcased effective ways to carry injured individuals, emphasizing the importance of stability and safety.

Man-Made Disaster Mitigation: The team discussed measures to reduce the likelihood of man-made disasters, such as fire safety and emergency preparedness.

Rescue Techniques: Demonstrations included rescuing a person from debris using the “2-man, 2-hands” method, highlighting the importance of teamwork and coordination.

First Aid and Medical Response: The team demonstrated how to stop bleeding, stabilize fractures, and dress wounds effectively.

Life Jacket Demonstration: Participants learned how to wear a life jacket correctly to reduce bleeding and enhance safety.

Stretcher Operations: The team demonstrated the use of stretchers, ropes, and pack straps for efficient patient transport.

CPR Demonstrations: Cardiopulmonary resuscitation (CPR) techniques were showcased to emphasize the importance of timely medical intervention.

The event included discussions on:

Disaster Types: The distinction between natural and man-made disasters was highlighted.

Disaster Preparedness: The importance of being prepared for disasters was emphasized.

Emergency Response: The role of emergency services in disaster response was discussed.

TRAINING PROGRAM ON FIRE SAFETY

DMC organised training programme on fire safety for the students of Kalindi College by Mr. Sajjan Kumar, Former fire officer NDMC on 12th November 2024 on the theme 'Training cum drill on fire safety and pledge with badge ceremony'. He talked about what is disaster, types of disasters. Also he discussed man-made disaster and LPG gas and he also talks about helpline number like fire 101, ambulance 102 and emergency number 112. He also talks about pulse checking technique and first aid. He also gave training on how to use fire extinguishers, how to make stretchers in case of emergency and other practices we have also done. Also he provides us a huge insight on Rescue Techniques which includes methods like the fireman lift, two-hand seat, and more.

One-day workshop on Preparedness of Delhi to Make Resilient Delhi

DMC organised one-day workshop on Preparedness of Delhi to Make Resilient Delhi on 18th Feb 2025 by Dr. Mukta Giridhar founder & director of the Disaster Resilient foundation. She also delivers a lecture on Empowering youth for a resilient future and talked about the earthquake and also highlighted about Delhi's current situation of earthquake which can be easily destroy the city.

- Basic do's and don'ts in brief
- She also told that we have to cover the head in the situation of earthquake
- She also told us about that Delhi is divided into 11 districts

Community Outreach Drive

DMC organized a community Outreach drive from February 2025 to May 2025 on different location of Delhi. On 7th Feb 2025 the first visit is Kirti Nagar. The primary goal of our visit was to aware the residents of Kirti Nagar slum area about Fire safety. Given the high risk of fire hazards in densely

populated settlement, our team aim to spread awareness about preventive measure, emergency responses and safe practice. Additionally, we distributed informational pamphlets to reinforce the knowledge shared during the session.

PRAVAH COLLEGE MAGAZINE

Convener: Dr. Raksha Geeta

Co-convener: Ms. Monica Zutshi

Pravah, the trilingual student magazine, is a vibrant showcase of creativity and expression published by the college and released on Annual Day. With content presented in English, Hindi, and Sanskrit, Pravah serves as a dynamic platform for students to portray their creativity, reflections, and emotions through literary and artistic mediums. The magazine not only captures the imagination of students but also their experiences by including photographs of the events and activities organized by the college throughout the year.

UGCF/NEP

Convener: Dr. Punam Sachdeva

UGCF-2022

For details of UNDERGRADUATE CURRICULUM FRAMEWORK - 2022 BASED ON NATIONAL EDUCATION POLICY to be followed by students taking admission in academic year 2025-2026,

Please refer to Delhi University website.

<https://centenary.du.ac.in/?Documents-Documentaries/UGCF-2022-NEP-2020>

Some of the highlights

The UGCF is a structure for four-year undergraduate programmes in different disciplines with multiple exit options.

1. Undergraduate Certificate in the field of Study/Discipline after successful completion of Semester II. Mandatory credits to be secured for the award 44.
2. Undergraduate Diploma in the field of Study/Discipline after successful completion of Semester IV. Mandatory credits to be secured for the award 88.
3. Bachelor of (field of Study) (Honours) Discipline (for single core discipline COURSE OF STUDY) after successful completion of Semester VI. Mandatory credits to be secured for the award 132.
4. Bachelor of (field of Multidisciplinary courses of Study) (for multiple core completion of disciplines courses of study). After successful completion of Semester VI. Mandatory credits to be secured for the award 132.
5. Bachelor of (Field of Study/ Discipline) (Honours with Research / Academic completion of Projects/Entrepreneurship) Discipline (for single core discipline course of study) after successful completion of semester VIII. Mandatory credits to be secured for the award 176.
6. Bachelor of (field of Multidisciplinary courses of Study) (Honours). After successful completion of semester VIII. Mandatory credits to be secured for the award 176.

As per NEP Guidelines, besides Core and Elective Courses the students will study Ability Enhancement Courses, Skill Enhancement Courses, and Value Addition Courses. A brief description of these Courses is as follows.

ABILITY ENHANCEMENT COURSE (AEC)

Nodal Officer: Dr. Nisha Goyal

Co- Convenor: Dr. Anju Rattan

In NEP, from Academic year 2022-23, there are two courses Environmental Science (EVS) and Ability Enhancement Course (AEC), which is mandatory to study for 1st and 2nd year students.

Environmental Science (EVS) theory to practical (course 1) and any chosen Indian language (course 1) from AEC pool shall be studied in Flip mode in Semester 1 and Semester 2. Similarly, Environmental Science (EVS) Theory to Practical (course 2) and course 2 of the same language as chosen in 1st year shall be studied in Flip mode in Semester 3 and Semester 4.

Following languages in the pool of Ability Enhancement Courses (AECs) offered under UGCF 2022 in 1st year are:-

Assamese, Bengali, Bodo, Dogri, Gujarati, Kannada, Kashmiri, Konkani, Malayalam, Manipuri, Marathi, Maithili, Nepali, Odia, Santhali, Sindhi, Tamil, Telugu, Punjabi, Hindi and Sanskrit.

SKILL ENHANCEMENT COURSES (SEC)

Nodal Officer: Dr. Manju Sharma

Co-Convenor: Dr. Kanchan Batra

SEC are skill based courses in all disciplines and are aimed at providing hands-on training, competency, proficiency and skills to students. SEC courses are a pool of courses offered by all the Departments of the College in groups of odd and even semesters. A student who desires to opt for an academic project has to choose an appropriate combination of courses GE, SEC, VAC; and Internship/ Apprenticeship / Project/ Community (IAPC) which shall be offered in the form of various modules as specified in scheme of studies.

VALUE ADDITION COURSES (VAC)**Nodal Officer: Dr. Shilpika Bali Mehta**

In accordance with the stated objectives of National Education Policy 2020, the Value Addition Courses (VAC) seek to fulfil the mandate of providing holistic education to the students. Value Addition Courses aim to provide a comprehensive education by imparting values of compassion, empathy, courage, resilience, scientific temperament, creative imagination, rational thought, action, service and responsibility. Some details for VAC papers are as follows:

- VAC papers are compulsory to be studied in: Semester 1, 2, 3 and 4
- VAC paper in each of the four semesters (1–4) must be DIFFERENT
- VAC papers are NOT discipline specific; eligibility of all papers is Pass in Class 12th in any stream
- Credit score of each VAC paper: 2 credits (1 Theory +1 Practical OR 2 Practicals)
- Classes per week: 3 or 4 (according to credits)
- Before the commencement of each semester, students select the VAC paper of their choice via a Google form shared by mail.

The list of VAC papers offered by the University of Delhi in 2022-23 can be viewed using the following link:

https://www.du.ac.in/uploads/new-web/26102022_VAC.pdf

The list will be updated and shared with the students as and when notified by the University.

DEPARTMENTS

DEPARTMENT OF BOTANY

- (1) Brief introduction about the Department:** The Department of Botany in Kalindi College came into existence in 1967 with the introduction of Life Science course in Bachelor of Science (General) stream. A new course B.Sc. Applied Sciences (Environmental Science) was introduced in 1985. In order to broaden the horizon of understanding about Plant Sciences, the college started B.Sc. (Honours) course in Botany in 2013 under Four Year Undergraduate Programme. However, the University reverted back to B.Sc. (Programme) semester mode in 2014. B.Sc. (Honours) Botany was again introduced in the year 2017. Presently the Department is running Undergraduate courses of B.Sc (H) Botany & B.Sc (Prog.) Life Science.
- (2) Scope of the Course:** Botany is emerging as one of the potential areas for career and research within the country and abroad. Aspirants having B.Sc. (H) Botany can find a lot of career opportunities in both public sector and private sector. They can join Botanical Survey of India (BSI), National Institute of Oceanography (NIO), Indian Agricultural Research Institute (IARI), Indian Council of Forestry Research and Education (ICFRE) etc. as a Research Associate. Graduates of this subject can opt for post-graduation in Life-Science, Biotechnology, Biochemistry, Toxicology, Genetics, Molecular Biology, Microbiology, etc. Applied Post-Graduate courses in Environmental Sciences, Agro Forestry, and Forensic Science can also be pursued.

DEPARTMENT OF CHEMISTRY**(1) Brief introduction about the Department:**

The Department of Chemistry was established in 1967 since the inception of Kalindi College, a constituent college of the University of Delhi, situated in the heart of metro city Delhi. The Department has been working as an integral part from the very beginning of various interdisciplinary courses in the College that comes under Bachelor of Science in General and/or Life Sciences, Honours in Physics and Mathematics. The Department has been actively engaged in the successful journey of these courses. Currently, the Department offers an Undergraduate curriculum framework-National Education Policy (UGC-F-NEP-2022) for B.Sc. (H) Chemistry and B.Sc. Life Sciences.

Thus, it is imperative that Chemistry (Hons.) be studied at Kalindi College on a priority basis so as to expedite the wheels of inclusive growth and development to create a gender balance to move the country forward. Kalindi College aims to provide the student with a sound training in Chemistry. This includes extensive laboratory work to enable the student to acquire skills to understand various aspects of Chemistry and related areas. The students will also enhance their ability to understand chemical data, learn to apply statistics in research and improve their presentation and writing skills. The student will not only benefit from the resources available in a well-equipped laboratory but will also receive hands-on training from experienced and well trained teachers of the college, as an integral part of the course. Such interactions and training will create inquisitiveness in students and further develop their scientific temperament and skill.

(2) Scope of the Course:

- Chemistry is a leading course designed to encourage aspiring students to pursue an undergraduate program that will challenge their critical thinking, give practical exposure and prepare them for other rewarding professional careers.
- The importance of chemistry would not diminish over time, so it will remain a promising career path. In a nutshell, the study of chemistry provides a vehicle for obtaining an education for life in a broad sense, so welcome to the great world of chemistry.
- After completion of Bachelor Degree in Chemistry (Hons) Course, a large number of Higher Education avenues open up for the student and pursue higher studies such as:

❖ **M.Sc. Chemistry**

- ❖ **M.Sc. Analytical Chemistry**
- ❖ **M.Sc. Drug Chemistry**
- ❖ **M.Sc. Organic Pharmaceutical Chemistry**
- ❖ **M.Sc. Physical & Materials Chemistry**
- ❖ **M.Sc. Forensic Science**
- ❖ **M.Sc. Biochemistry**
- ❖ **M.Sc. Polymer Science**
- ❖ **Master of Business Administration (MBA)**

- **Research Training and Ph.D.-** A student of Chemistry develops an analytical bend of mind which makes them a good candidate to pursue research training and Ph.D. at renowned National and International Institutes and universities such as University of Delhi, Jawaharlal Nehru Centre for Advanced Scientific Research, Indian Institute of Sciences, Jawaharlal Nehru University, and TERI (The Energy and Research Institute) as well as various CSIR (Council for Scientific and Industrial Research) institutes for summer training programs and internships.
- **Teaching assignment-** Students can go for school teaching and teach in various Colleges/Universities and schools after completion of Ph. D and B.Ed. respectively.
- **Scientists-** Various funding agencies especially UGC, DST and CSIR offers a number of Women's Scientist positions particularly aimed at motivating more women to take up research positions. Being a women's college, this is an area that would be tapped by our students if they are adequately exposed to in-depth knowledge of the subject.

DEPARTMENT OF COMMERCE**1. Brief introduction about the Department**

When the Kalindi College Department of Commerce first opened its doors in 1977, it only offered one course, B. Com (Prog.), with one Lecturer and one departmental section. Still, it continued to grow over time. Another section of B. Com (Prog.) was introduced later and more lecturers joined the team. The institution began the B. Com (Hons.) program in 1998, with one enrolment section available. The study of commerce fosters critical thinking and develops a pragmatic approach to problems. Whatever job path a person takes, the ability to make logical decisions is something that the commerce curriculum teaches. The Department's dynamic teaching-learning process is a source of strength in its ongoing efforts to balance quality with fairness and inclusion. The teachers never stop inspiring the eager young minds as they set off on a rewarding and enlightening lifelong learning journey. The department has a talented and creative staff, as well as an energetic and involved student council that plans seminars, lectures, and other events, providing many opportunities for students to impact the department and the learning of students as well. The course concentrates on topics unique to the Indian environment in addition to building a strong basis in economic theory and offering a global perspective. Additionally, it acquaints students with changes in development paradigms, specifically about the pre- and post-independence conditions of the Indian populace. The faculty members of the department have a unique culture in which they always endeavour to walk with the students as co-learners on the road to knowledge growth.

2. Scope of the Course:

Commerce education is the bedrock of the economy today as it is closely linked to business, trade, and industry. It stresses developing people to make optimum utilization of available resources. It has a very wide area for career opportunities in India as well as abroad. After doing Bachelors in Commerce, students have a lot of career opportunities both in public as well as private sectors. Various job options/ profiles available are Financial Risk Manager, Business Analyst, Digital Marketer, Accountant, and Public Sector Banking. Commerce graduates are eligible for various master level courses like M.Com. , MBA, MHROD and MIB which are more relevant for commerce students. Commerce graduates may acquire professional qualifications including CA, ACCA, CMA, CIMA, CFA, and CS leading to faster career progression.

DEPARTMENT OF COMPUTER SCIENCE

1. Brief introduction about the Department:

In the academic year of 1991-92, the Department of Computer Science came into existence with an extremely modest infrastructure comprising 3 computers but a great vision. Starting with the B.Sc. General in the annual mode, the academic programmes of the Department kept growing and finally in 1997, B.Sc. (Honours) in Computer Science was introduced. The Department of Computer Science at Kalindi College has kept pace with academic programmes offered by other colleges in the University. With highly qualified and experienced faculty using cutting edge technical assistance and techniques, it has emerged at the forefront among all the departments with high performing students. In the recent years, the Department has taken the lead in the digitization of the course structure and curriculum of the College.

Currently, the department is running courses for B.Sc. (Hons) Computer science, Computer Science papers of Multidisciplinary Courses of Study with Three Core Disciplines formerly called B.Sc. (Programme) Physical Science and Multidisciplinary Courses of Study with Two Core Disciplines formerly known as B.A (Programme) in Computer Applications respectively apart from Computer Science papers of General Electives being offered to interdisciplinary Hons and general programmes of the College.

Department of Computer Science organizes Orientation Programmes, Departmental Fests, Student Awareness Programmes, Academic Conferences, Faculty Development Programmes and many other events on regular basis for overall development of the students and teachers. The students are also encouraged to participate in academic and non-academic inter-college and intra-college activities.

2. Scope of the Course:

Computing is at the heart of almost everything in our daily life nowadays. Every industry has good magnitude of intersection with Computer Science which is growing day by day. The Information Technology(IT) sector, an allied field of Computer Science, is growing at an even higher rate. The sector recorded the highest growth rate in last two decades. It generates the scope of careers for skilled computer science professionals and hence keeps the relevancy of the subject alive. The scope of Computer Science academic programs covers a broad spectrum of career opportunities.

To list a few career options:

- ☐ Android Programmer
- ☐ Application Developer
- ☐ Business Analyst
- ☐ Data Analyst
- ☐ Multimedia Programmer
- ☐ System Analyst
- ☐ Database Administrator
- ☐ Games Developer
- ☐ Information Systems Manager
- ☐ IT Consultant

DEPARTMENT OF ECONOMICS**(1) Brief introduction about the Department**

The Department of Economics as a part of Kalindi College came into existence in 1967. The subject was first offered in B.A. (Programme). From 1985 onwards, B.A. Honours in Economics was offered to the students. The study of Economics as a discipline encourages analytical thinking and a pragmatic approach to economic problems. The process of rational decision-making taught in Economics is of great relevance and value irrespective of the career a person chooses. The Department in its continual endeavor towards harmonizing excellence with inclusivity and equity draws strength from a dynamic teaching-learning process, where the faculty feels privileged to collaborate with its enthusiastic young scholars as they embark on an enriching and fulfilling life-long learning experience. The department is credited with a highly dynamic and meritorious group of faculty, along with a vibrant and active student council, which regularly organizes seminars, lectures etc., and giving ample opportunity to students to contribute positively to the department.

Besides developing a rigorous foundation in economic theory and providing a global perspective, the B.A. Honors course focuses on issues specific to the Indian context. The Economics undergraduate programme provides a strong foundation in economic theory and quantitative tools of economic analysis. It also familiarizes students with shifts in development paradigms with particular reference to the state of India's people in pre and post-independence period. The Department has its distinctive ethos where the faculty continually strives to walk as co-learners with the students on the path of knowledge building.

(2) Scope of the Course

It has a very wide area for career opportunities in India as well as abroad. After doing B.A. (H) Economics, students have a lot of career opportunities both in the public as well as private sectors such as IES, IAS, MBA, etc. while more academically oriented students can pursue M.A., M.Phil., or Ph.D. and thereafter join college/university level teaching, those with an inclination towards banking and marketing can join the analytics team of banks and corporates. Further, students can avail opportunities to work in various research institutes or independently. Civil Services, RBI, and the Niti Aayog are popular pursuits for those interested in administration and framing economic policies. Today, students of economics are in demand in prestigious international organizations like the World Bank, IMF, United Nations, etc. Thus, economics students have great career opportunities at the national as well as international levels.

DEPARTMENT OF ENGLISH

(1) Brief introduction about the Department:

The English Department is one of the oldest in the college and was established in 1967, the year of the establishment of the college. The English Honours course was introduced in 1988. Through its teaching of language and literature courses, the department has helped to mould young students into rational, critical individuals and responsible citizens. It has also helped students to improve their communication skills in a variety of arenas, and provided the means of a deeper engagement with the world.

The English Department has a strong tradition of deep engagement with pedagogy, both in lecture classes as well as smaller tutorial groups. Teachers are constantly updating themselves by participating in research and development programmes. Meaningful classroom interactions with students are further enhanced through close academic and personal mentoring. Students consult with teachers on how to improve their academic performance and how to explore avenues for further professional development.

Mitrakshar: The English Literary Society

The English Literary Society, Mitrakshar, organizes talks, student seminars and workshops, inviting eminent scholars and teachers from other institutions, in order to foster a greater understanding of the curriculum. It also provides a platform for students to hone their organizational abilities.

Tabeer: The Film Club of the English Department

Tabeer, the film club of the English Department at Kalindi College, was formed in February 2025. It was born out of a desire to create a reflective space for students to engage with cinema and widen their understanding of text, literature and culture in a transmedial age. Since its inception, Tabeer has screened films like *Grave of the Fireflies* (directed by Isao Takahata; Studio Ghibli), *Juice* (directed by Neeraj Ghaywan) and *The Namesake* (directed by Mira Nair, based on the novel of Jhumpa Lahiri) as a club. Through regular screenings, Tabeer aims to enlarge our collective understanding of our past and present through showcasing the best of Indian and World Cinema, followed by a stirring and enriching discussion among teachers and students.

The study of English as a major discipline enhances the interpretive and expressive skills of students. It equips students with both a rigorous knowledge of the subject as well as critical and analytical abilities. With an emphasis on an interdisciplinary approach, it stimulates and enhances originality. The study of English as a minor subject is also helpful in broadening the understanding of socio-political contexts and sharpening language skills.

The Generic Elective Course in English is a much sought-after course, with students being provided with necessary linguistic and soft skills, critical tools, and the scope for improving their writing for academic purposes as well as their understanding of socio-political and historical contexts. Skill Enhancement Courses in Public Speaking and Leadership, Value Added Courses such as Ecology and Literature, Emotional Intelligence, for instance, are on offer for students seeking to keep themselves updated about contemporary needs in employment.

(2) Scope of the Course:

The study of English as a major discipline

1. equips students with a rigorous knowledge of the subject
2. Teaches them the reading of not only British literature but also of World literatures (including Indian Literature in English translation, European Literature etc.)
3. trains their critical and analytical abilities
4. enhances their interpretive and expressive skills
5. Engages students with varied issues such as identity formation, race/caste politics, psychoanalysis, gender stereotypes, and the politics of language, etc.
6. stimulates and enhances original and creative thinking through an emphasis on interdisciplinary

The study of English as a minor subject

1. helps to broaden students' understanding of socio-political contexts and historical contexts
2. encourages nuanced questioning to boost a cosmopolitan understanding of life
3. sharpens their language skills
4. improves their soft skills
5. enhances their critical tools
6. boosts their skills in writing for academic purposes

The scope of careers open to students with a degree in English is wide. Some of the areas are:

1. Academics (Language, Literature, Art, History, Linguistics, Gender & Cultural Studies, etc.)
2. Media and Journalism
3. Civil Services
4. Fine Arts and Performing Arts
5. Writing/ Publishing
6. Law

DEPARTMENT OF GEOGRAPHY

1. Introduction of Department:

The Department of Geography was established in 1995, under the BA (Programme) Course. In order to broaden the horizon of understanding about Geographical Studies, the College started B.A. (Honors) course in Geography in 2017 under the CBCS mode. The Department of Geography has always been committed towards excellence. Along with the theoretical framework, the department has established a well-equipped Cartography laboratory and GIS Lab for students to learn and enhance their skills through practical applications in the fields of Cartography, Remote Sensing, GIS and GPS. The Department of Geography has prepared 3-D and 2-D maps of the College which help the students and commuters to get the location of teaching and non-teaching places within the college campus.

The department conducts the annual Geo Fest- Resurgence in which students and experts from various universities and colleges participate in academic deliberations to enhance academic interaction. The society has its own e-magazine “GEOSOPHY” which is edited and maintained by its executive members.

The Department of Geography runs a certificate course on Travel & Tourism with the objective of educating, training and developing the much-needed skills to prepare students who join the travel and tourism industry, and are valuable in providing them with alternative career opportunities.

The Department of Geography is looking after the functioning of the Paper Recycle Unit installed in our college campus. As a matter of fact, this unit utilizes the waste paper accumulated from various departments as raw material and prepares recycled paper which can be used for various purposes.

To cater to the needs of students, the Geography Department has a well-equipped laboratory for conducting practical classes, which are managed by experienced and capable staff. In addition to laboratory, the department has a good collection of books in Departmental Library.

- i. **Cartography Lab:** has a Tracing Table, LCD Projector, maps, models and charts.
- II. **GIS Lab:** equipped with computers, GPS, Stereoscopes, Rotameter and Planimeter and LCD Projector. The lab is well-enabled with satellite imageries, aerial photographs as well as various simulation programs related to various practicals.

- III. **Departmental Library:** The Department has its own library with a good collection of books on Geography, Practical notes and Projects. The books available in the library are also issued to students.
- IV. **Store Room:** The Department also has a separate store room that is issued for the storage of maps, charts as well as instruments and equipments.

2. Scope of the Subject:

The Scope of the Course covers the fields such as Geomorphology, Cartographic Techniques, Human Geography, Thematic Cartography, Climatology, Statistical Methods in Geography, Geography of India, Economic Geography, Environmental Geography, Field Work and Research Methodology, Regional Planning and Development, Remote Sensing and GIS, Evolution of Geographical Thought and Disaster Management based Project Work. The career prospects of this course lie in the Survey of India, Space application centre, Urban and rural development departments, Metropolitan development corporation, and Social and environmental research organizations. This course provides a sound foundation for students willing to pursue higher education in the discipline of Geography, Geology, Metrology and Urban and Regional Planning.

After completion of undergraduate programmes in Geography, students will be able to:

- Analyse the earth as an integrated human-environment system by examining changing interactions at different spatial and temporal scales.
- Understand the subject matter of various branches of physical and human geography.
- Analyse geographical data and interpret its significance within the context of human-environment relations.
- Communicate geographical concepts and data effectively using oral, written and visual forms.
- Contribute effectively to pursue innovative solutions to human-environment problems.
- Investigate complex real world challenges using appropriate concepts, methods, and tools from one or more geographical sub-disciplines.
- Explain the societal relevance of geographical knowledge and apply it to real world human-environment issues.

DEPARTMENT OF HISTORY**1. Brief Introduction of Department:**

‘History is the study of life in society in the past, in all its aspects, in relation to present developments and future hopes. It is the story of man in time, an inquiry into the past based on evidence. Indeed, evidence is the raw material of history teaching and learning.’

With this intention in mind, B.A. (Hons) History was introduced within the three years (1970-71) of the foundation of Kalindi College. Studying History in Hons level does not merely entail classroom teaching. It also requires trips to various historical monuments, museums, and archives etc., in order to comprehend the role played by time in man’s life. To fulfil this pivotal role, Dharohar, a historical society is constituted. The main aim behind the creation of Dharohar is to encourage consciousness amongst the students about historical events and thereby motivate them to participate in various inter-departmental activities.

2. Scope of the Subject:

As a history graduate one will have gained skills highly valued by employers such as analytical and critical reasoning, oral and written communication and research skills. A history degree is a good launch pad for a wide range of careers:

- a. M.A.(HISTORY)
- b. Archaeology
- c. History of Art
- d. Heritage Studies
- e. Archivist/Records Manager
- f. Curator
- g. Genealogical Study

DEPARTMENT OF JOURNALISM

1. Brief introduction about the Department:

The Department of Journalism, Kalindi College is dedicated towards developing a world-view that incorporates a holistic method of inquiry for the greater good of our society. It is designed to train the young minds to investigate events that eventually become an integral part of national development. The Department instils and espouses ideas of professional ethics and standards among the budding journalists. The Journalism Society, Sahaafat, also encourages a participative environment for the students. Workshops, Seminars, Talks and Interactions with film-makers, cinematographers, photographers, senior journalists, academicians and field experts are a regular feature of the departmental activities. Internship with media houses is also an integral part of the curricular activities. Internship with media organisations is also an integral part of the curricular activities.

The Department frequently organises educational visits, guest lectures, workshops and seminars as part of the curriculum. These activities play a vital role in bridging the gap between classroom learning and real-world industrial practices. By exploring newsrooms, production studios, advertising agencies, and media houses, students gain firsthand exposure to professional environments, workflows, and technologies. In the 2024-25 session, the Department conducted visits to INDIA TV educational conclave, Aadi Mahotsav Organised by TRIFED India, and the World Book Fair 2025. These experiences not only help them understand theoretical ideas better, but they also spark their creativity, improve their practical skills, and help them make useful connections in their field.

Scope of the Course:

In the information society of today, creation, integration, interpretation, dissemination and use of information are significant to achieve socio-economic-political goals, hence the role played by the media industry in our lives is crucial. The media creates a market place for competing ideas that are the bases of a democratic system like ours, and provides ample avenues for the young generation to participate and contribute to society. Bachelor with Honours in Journalism is a compact professional course for students and the college is the facilitator to meticulously give shape to the aspirations of students through all-round skill enhancement. This professional course prepares you to enter the world of print and electronic media. After a bachelor's degree in this discipline, you may pursue a

postgraduate course in Journalism and Mass Communication and subsequently, find careers in the media industry or in the field of academics. A student can pursue a career in Script Writing, Video Journalism, Photography, Advertising and Public Relations, Publishing, Film-Making, Radio-Jockeying, Media planning, Corporate Communications, etc.

DEPARTMENT OF MATHEMATICS

1. Brief introduction about the Department:(150 -200 words)

Mathematics, the queen of sciences, has gained prominence in recent years, influencing all fields of study and research. It is a crucial tool globally in natural science, engineering, finance, social science, and more. Studying Mathematics imparts subject knowledge and develops skills applicable in various fields.

The Department of Mathematics at Kalindi College originated in 1967, coinciding with the college's establishment. Initially located in an old building, it started with the late Ms. Promila Goswami as a pioneering member. Dr. Neera Bahadur joined in 1970 when only a B.A. (Pass) program was offered.

With the sincere and dedicated efforts of the founding teachers, the Department was able to introduce B.Sc. (Gen) in 1979 and Mathematics (Hons) in 1992. The faculty expanded with Dr. Sudha Jain, Ms. Anshu Chotani, Ms. Neelam Bareja (1995), Ms. Charu Khanna (1996), Ms. Anju Rattan (1997), and Dr. Anju Gupta (1997). Currently, the department has one Professor, four Associate Professors, and eleven Assistant Professors, with Dr. Abhishek Kumar Singh as Teacher In-charge (2024 onwards).

The Department provides comprehensive Mathematics education, combining theoretical and application-based knowledge with practical computer-oriented Mathematical tools. Teachers' dedication has led to excellent results, with students achieving perfect and high scores. This success has created a significant gap between admission and results, a trend continuing for years.

The Department also engages students in research projects, fostering creativity and growth as researchers.

2. Scope of the Course

The students not only grow academically, but the Department also tries to help the students to become strong, confident capable leaders of the future. Every year inter- college paper reading competitions, Mathematical Quizzes, Seminars and Workshops are organized for students and teachers by various eminent professors from across the country. Many students have also won accolades for the college by participating in paper presentation competitions organized at other colleges.

A Graduate student in B. Sc. (Honors) Mathematics from the college can further pursue academic courses like B.Ed. and P.G. Courses like M. Sc. or M.S., followed by M. Phil or Ph. D. Thus, they can find a promising career in the field of Research or Teaching.

Students can also take up Professional Courses like MCA or MBA. MCA is the best option for the B. Sc. Mathematics graduates who wish to pursue their career in IT sector and MBA for those who wish to pursue their career in Management field. The students can also explore areas like actuarial sciences, banking, civil services etc.

DEPARTMENT OF MUSIC

(1) Brief introduction about the Department:

Hindustani music encompasses a diverse range of genres, including classical (ragas and talas), semi-classical, and devotional music. It is renowned for its emphasis on improvisation and the intricate interplay between melody (ragas) and (talas), creating a deeply and spiritual and aesthetic experience for both performers and listeners alike. Studying Hindustani music offers students a unique opportunity to delve into a centuries old tradition renowned for its spiritual depth and artistic intricacy. Studying Hindustani music vocal fosters discipline, concentration, and a profound connection to Indian cultural roots, making it a rewarding subject choice for those passionate about music, cultural studies, and personal enrichment.

(2) Scope of the Course:

The scope of Hindustani music courses in college is extensive, offering in depth studies in classical ragas, rhythms, vocal techniques, and historical perspectives. It prepares students for careers as performers, teachers, researchers, and cultural ambassadors, enriching their understanding of Indian musical traditions and fostering creative expression. Studying music offers diverse career opportunities, ranging from performing as soloists or ensemble members to teaching, composing, and music therapy. It provides solid foundation for pursuing higher education in music and related fields, offering pathways into academia or research. More option related to the field are voice-over artist, radio jockey, sound technician audio engineer, music critique. Classical music education transcends mere skill development. Enriching student lives with aesthetic experiences that inspire, uplift, and resonate across generation.

DEPARTMENT OF PHYSICS

(1) Brief introduction about the Department:

Physics Department was established in the year 1990 in Kalindi College. The department caters to B.Sc. (H) Physics and B.Sc. Physical Science (Physics, Computer Science and Mathematics) and is continuously upgrading itself according to the changing curriculum and needs of the time from Annual to Semester to CBCS to UGCF-2022 (based on NEP) systems. Despite limitations of resources, the collective efforts of students, laboratory staff and teachers have delivered wonderful results with continual increase in the number of students scoring 90% and above in different papers. To encourage their efforts, various prizes like Ram Gopal Joshi Memorial Prize, Shanti Devi Bhatnagar Memorial Prize, Ram Murthy Gupta Memorial Prize, Ankur Memorial Prize, Shiv Paul Goel Memorial Prize, Asha Arora Memorial Prize etc. have been instituted for Physics (H) / Physical Science students. It is a matter of great pride that our Physics (Hons.) and Physical Science students are getting placements both in private and public sector as well as teaching positions in schools, colleges and polytechnics. The goal of the Physics department is to nurture young talents, to focus on standards, assessment and outcomes, and to ensure that all students learn in a more powerful way. We also find ways to motivate our students to scale greater heights than ever before.

(2) Scope of the Course

If you want to discover the fundamental laws and underlying principles governing this mysterious world and are keen to know the ‘What’, ‘How’ and ‘Why’ of any of the physical and biological events/ phenomena, then enter the world of Physics. This subject is the gateway to Research and Development not only in Physical Sciences, but also in Computers, Biological and Chemical Sciences. After completing this course, you shall be equipped to take a plunge in any of the frontier areas of technology viz. Nanotechnology/ Nano-science, Photonics, Plasma Physics, High Energy and Nuclear Physics, Atomic Physics, Astrophysics and Condensed Matter Physics, Radiation Physics, Medical Physics, Physics of the Earth, Environment Science, etc. The scope of Physics is virtually in every field. In fact, Physics graduates are the most sought after in DRDO Labs, TIFR, PRL, IUAC, IPR, BARC, NIIT’s, IISER’s etc. for fundamental research. Many Physics graduates have made a career in administration

like ICS, Defense Services and multinational companies like Infosys, Wipro etc. besides teaching in schools, colleges and universities. So, come and join the most coveted course among the pure sciences.

DEPARTMENT OF PHYSICAL EDUCATION

(1) Brief introduction about the Department:

The Department of Physical Education started functioning in the college in 1967. With 2-3 games and one sports room, Department has now enlarged with Sports utility center having Gymnasium, Sports Teachers Room, Changing room with lockers, Store room, Yoga and Judo room, Table-Tennis and Chess room and more than 10 different games in which sports players get training by qualified coaches to excel at Inter-College, State, Inter-University, National and International level. The Department has introduced Generic Elective (GE) and Value Addition Course (VAC) course for students to get more beneficial knowledge about sports and healthy life style.

(2) Scope of the Course:

Physical education curricula promote healthy development of children, encourage interest in physical activity and sport, improve learning of health and physical education concepts, and accommodate for differences in student populations to ensure that every child receives health benefits. There are diverse career opportunities in sports including roles like Athletic Director, Coach, Sports Analyst, Sports Event Manager, and roles in Management and Logistics, Sports Psychology Counsellor, Physiotherapist, Yoga and Aerobics instructor and many other similar options.

DEPARTMENT OF POLITICAL SCIENCE

(1) Brief introduction about the Department:

The Department of Political Science was established in 1967, with Dr. Saroj Pathak as the first Teacher-in Charge and around 80 students pursuing a B.A (Pass) course. Honours course in Political Science was first offered in 1973-74 and the Masters is offered from 1987-88 onwards. Since then, the strength of the students in the subject has gone beyond 500. B.A. (Hons.) Political Science is the most sought-after course in the college. Under an interdisciplinary ethos, the Department of Political Science has remained a very active partner and has coordinated with the other departments of the college. The faculty has been teaching many papers to the students across academic streams such as Global Politics, Indian Government and Politics, and Constitutional Values and Fundamental Rights. The faculties of the department are highly experienced and well-read scholars in their respective specialization.

(2) Scope of the Course:

One of the favourite subjects for a career in Civil Services, Political Science as a subject offers careers in College and University teaching, Research, International Governance, Mass Media, Public Welfare, Management field, corporate sector and remains a sought-after preparatory undergraduate course for a career in Law. Gender studies and other interdisciplinary approaches open further career opportunities for students. As the course is very wide and diverse in nature it opens up variety of avenues for the students in the future. Students interested in issues of Indian politics and governance or in areas of Public Administration, International Governance or organizations like the U.N. or the socio-economic and political systems of the world, would do well to choose a Bachelor with Honours in Political Science.

6. Departmental Activities

- The Political Science Department of Kalindi College organized a vibrant welcome event for first year students on October 25th 2025. The event featured games, competitions, dance performances, and live music, showcasing students' talents. Principal Dr. Meena Charanda, Teacher-in-Charge Dr. Anjani Kumar, and faculty attended. The event helped break the ice and foster camaraderie among students and faculty, setting a positive tone for the academic year.
- On February 27, 2025, Politeia, the Political Science Department of Kalindi College, Delhi University, organized an educational excursion to the Parliament of India. The group visited the Indian Parliament, both old and new buildings, gaining first hand insight into India's democratic processes. The tour, led by a knowledgeable guide covered, architecture, historical significance, legislative procedures, and the roles of key figures. The experience fostered a deeper appreciation for civic duty and the importance of democratic participation, culminating in a memorable photo session.
- On 14 February 2025, Politeia, The Political Science Department of Kalindi college Delhi University, organised a workshop on online gender violence that explored the idea that in today's

interconnected world, social media has become an undeniable force, shaping how we communicate, consume information, build relationships, and even perceive reality. This workshop's aim was to provide a comprehensive understanding of social media's multifaceted impact, empowering you to engage with it critically, responsibly, and effectively.

- On March 7 and 8, 2025, Politeia, the Political Science Department of Kalindi college, Delhi University, organised The Poliscon Model United Nations (MUN) conference which was a two-day event that brought together delegates from various institutions to engage in diplomatic discussions and debates on pressing national and international issues. The conference featured two committees: All India Political Parties Meet (AIPPM) and United Nations General Assembly Disarmament and International Security Committee (UNGA DISEC). The committee sessions were marked by intense debates and discussions on pressing national and international issues. Delegates actively participated in negotiations, problem-solving exercises, and public speaking, simulating the real-world diplomatic experience.

DEPARTMENT OF SANSKRIT

(1) Brief introduction about the Department:

Established in 1967, the Department of Sanskrit at Kalindi College began with the B.A. Pass Course, later expanding to offer B.A. (Hons.) and M.A. in Sanskrit from 1973 onwards. In 2016, the department introduced Buddhist Studies as part of the B.A. Programme, aiming to foster student interest in the diversity and depth of Sanskrit language and literature.

The department goes beyond mere language instruction to represent the rich heritage of Indian culture, ethical values, and Vedic knowledge, including Vedic Mathematics. The curriculum encompasses a broad array of career-oriented papers such as:

- Indian Ontology and Epistemology
- Aesthetics and Indian Theatre
- Sanskrit Media
- Computer Awareness
- Basic Elements of Ayurveda
- Acting and Script Writing

To promote spoken Sanskrit and the holistic development of students, the Sanskrit Sahitya Parishad organizes regular seminars (national & international), talks, Sanskrit Sambhashan Shivirs, and cultural events. These platforms empower students to enhance communication skills, build confidence, and engage meaningfully across disciplines. The department proudly upholds the legacy of illustrious Sanskrit scholars and strives to follow their inspirational path.

(2) Scope of the Course:

Sanskrit is often hailed as the mother of all languages, influencing approximately 97% of the world's linguistic systems. With the largest known vocabulary base globally (over 102 Arab words), Sanskrit holds immense potential in technology, computation, and linguistics.

Students graduating in Sanskrit can explore:

- Research-oriented fields in Indology, Oriental Studies, and Philosophy
- Teaching careers as school teachers, college lecturers, and university professors
- Civil services, translation work, library science, media, archaeology, and environmental sciences
- Positions in LIC, banks, cultural institutions, and museums

Sanskrit is increasingly gaining relevance in AI, computational linguistics, and heritage preservation, making it a vibrant and future-ready discipline.

DEPARTMENT OF ZOOLOGY

(1) Brief introduction about the Department:

The Department of Zoology was established in 1967, coinciding with the inception of the college. Since then, it has served as a foundational pillar of science education, actively contributing to the teaching of courses under the B.Sc. General and Life Sciences streams. Its continued involvement and commitment to academic excellence led to the introduction of the B.Sc. (H) Zoology in the academic year 2017–18 following the earlier Four-Year Undergraduate Program (FYUP) in Zoology. Zoology, the scientific study of animals, provides students with a comprehensive understanding of animal diversity, physiology, and function. As human beings are also part of the animal kingdom, this subject fosters a deeper curiosity about our own biological nature. It enhances our awareness of animal development and evolution, enabling us to explore our place in the natural world more meaningfully.

Through the study of zoology, students gain insights into the vital roles animals play within ecosystems. They also learn how animals impact human life, whether as pests affecting agriculture or as parasites influencing public health. Understanding these interactions is essential for addressing ecological challenges and promoting environmental balance.

Knowledge of animal biology opens pathways to numerous emerging fields such as biomedical science, biotechnology, and bioinformatics. In recent years, both foundational and applied researches in zoology have attracted increasing attention from students, academics, and industry professionals. This shift has led to greater emphasis on biodiversity conservation, ecological planning, and the integration of modern technology in life sciences.

The Department has a proud tradition of academic success, with students consistently securing top positions in university examinations. A landmark achievement came in 2013–14 when Jasmine Jaggarwal secured the first rank in B.Sc. Life Sciences with an exceptional 99.3%, the highest ever in university history. Students from both Life Sciences and Zoology streams regularly earn university ranks and are recipients of prestigious scholarships for academic excellence at the college level.

To enhance scientific understanding and encourage experiential learning, the Department organizes regular excursions and visits to research institutes and ecologically significant sites. These experiences foster an innovative mindset among students and keep them abreast of the latest developments and techniques in zoology.

Beyond academics, the Department promotes holistic development through active involvement in societies such as the interdepartmental “Biochemical Society” and the departmental “Zoonomia.” These platforms host a range of co-curricular and extracurricular activities throughout the year, providing opportunities for students and faculty to collaborate and engage in scientific dialogue.

The Department is staffed by highly qualified faculty with extensive experience in teaching and research. Many are currently pursuing funded research projects under UGC, DST, DBT, and institutional schemes. This academic atmosphere fosters a research-driven culture, guiding students to pursue scientific exploration with strong mentorship and support.

To support practical learning, the Department maintains a state-of-the-art laboratory equipped with modern instruments, managed by skilled staff. It also houses a well-curated Museum featuring diverse biological specimens and a Departmental Library stocked with essential academic resources, enabling students to deepen their subject knowledge.

The Department is committed to advancing beyond traditional academics by emphasizing research, innovation, and conservation. Notable initiatives include the creation of a “Butterfly Conservatory” and an “Aquatic Ecosystem” within the college campus. Participation in national programs like “Campus Bird Count India” and the inclusion of educational excursions in the curriculum underscore the Department’s dedication to ecological awareness and experiential learning.

(2) Scope of the Course:

After completing a Bachelor's degree in Zoology, students have access to a wide range of higher education and career opportunities in both scientific and non-scientific fields:

1. Postgraduate Studies (M.Sc.):

Eligible to pursue Master's degrees in:

- Zoology
- Biochemistry
- Biotechnology
- Environmental Sciences
- Forestry
- Microbiology
- Genetics
- Wildlife Science
- Conservation Biology

- Health Sciences and other allied disciplines

2. Research Training and Ph.D.:

Opportunities to undertake research training and pursue doctoral (Ph.D.) programs at reputed national and international institutions.

3. Post-Doctoral Fellowships:

Graduates can continue their research careers by enrolling in post-doctoral fellowships at prestigious universities and institutes across the globe.

4. Assistant Professorships:

Eligible for teaching positions in colleges and university departments after completing a Ph.D.

5. Teaching Careers (School Level):

Can become school teachers after completing a Master's degree in Zoology followed by a Bachelor of Education (B.Ed.) degree.

6. Scientific Research Positions:

Various funding agencies such as UGC, DST, and DBT offer research grants and fellowships, including Women Scientist Schemes that encourage female researchers to enter the scientific workforce.

7. Civil and Forest Services:

Graduates may appear for competitive exams like the Civil Services Examination and Indian Forest Service, with Zoology as an optional subject, to become IAS or IFS officers.

8. Industry and Applied Fields:

Zoologists are in demand in sectors such as:

- Agriculture
- Fisheries
- Animal Husbandry
- Veterinary Sciences
- Pharmaceuticals
- Research Laboratories (as research/technical assistants)
- Museums and Scientific Institutions
- Scientific Journalism

9. Alternative Career Options:

Zoology graduates can also explore opportunities in:

- Management
- Marketing
- Sales
- Other non-science-related professions

DEPARTMENT OF B.A. PROGRAMME

(1) Brief introduction about the Department:

Convener: Dr Anita Tagore, Associate Professor, Department of Political Science

Co-convener: Ms. Anuradha Kotiyal, Assistant Professor, Department of Music

Members:

1. Mr. Shailesh Ranjan
2. Mr. Suresh Kumar
3. Ms. Vani M Pyarilal
4. Dr. Satya Prakash Singh
5. Dr .Geeta Devi Yadav
6. Mr. Suresh Tomer

(2) Scope of the Course:

B.A. Programme course is interdisciplinary in nature and requires students to opt for two Discipline Courses. The syllabus for B.A. Programme varies from subject to subject. But there are few subjects such as MIL Hindi, English and Environmental Sciences that are common for all disciplines.

A student can pursue a career in different fields after obtaining a B.A. Programme degree.

One can study further i.e., can pursue a Master Course in any discipline of his/her choice or in the same discipline pursued during graduation. Besides, a student can study Law, Management courses or any other specialized courses and become eligible for all government sector entrance-based services

(4) Medium of Instruction: English/Hindi

(4) Course Details: Undergraduate Curriculum Framework (UGCF)

The following Discipline Combinations are offered to students:

ORDINANCES

The student of the College is required to maintain discipline and good conduct in and outside the College. Violation of discipline rules and acts of ragging, sexual harassment etc. are punishable according to the following University Ordinances

1. Ordinance VII – Rules of Attendance
2. Ordinance XV- B – Discipline
3. Ordinance XV- C – Anti-ragging
4. Ordinance XV- D – Sexual harassment

Ragging is strictly prohibited and will result in suspension from the College. Any ragging incident may be reported to the Students' Union, Faculty advisors or Principal. The Honourable Supreme Court has issued guidelines for such matters which the College will adhere to. These Ordinances are available on the University website and the students are required to read them carefully.

Ordinance XV- C

Anti-ragging

1. Ragging in any form is strictly prohibited, within the premises of College/Department or Institution and any part of Delhi University system as well as on public transport.
2. Any individual or collective act or practice of ragging constitutes gross indiscipline and shall be dealt with under this Ordinance.
3. Ragging for the purposes of this Ordinance, ordinarily means any act, conduct or practice by which dominant power or status of senior students is brought to bear on students freshly enrolled or students who are in any way considered junior or inferior by other students; and includes individual or collective acts or practices which –
 - a. Physical assault or threat to use of physical force
 - b. Violate the status, dignity and honour of women students
 - c. Violate the status, dignity and honour of students belonging to the scheduled caste and tribe
 - d. Expose students to ridicule and contempt and affect their self-esteem
 - e. Entail verbal abuse and aggression, indecent gestures and obscene behaviour.
5. The Principal of a College, the Head of the Department or an Institution, the authorities of College, or University Hostel or Halls of Residence shall take immediate action on any information of the occurrence of ragging.

6. Notwithstanding anything in Clause (4) above, the Proctor may also somite enquire into any incident of ragging and make a report to the Vice-Chancellor of the identity of those who have engaged in ragging and the nature of the incident.
7. The Proctor may also submit an initial report establishing the identity of the perpetrators of ragging and the nature of the ragging incident.
8. If the Principal of a College or Head of the Department or Institution or the Proctor is satisfied that for some reason, to be recorded in writing, it is not reasonably practical to hold such an enquiry, he/she may so advise the Vice-Chancellor accordingly.
9. When the Vice-Chancellor is satisfied that it is not expedient to hold such an enquiry, his/her decision shall be final.
10. On the receipt of a report under Clause (5) or (6) or a determination by the relevant authority under clause (7) disclosing the occurrence of ragging incidents described in Clause 3(a), (b) and (c), the Vice-Chancellor shall direct or order rustication of a student or students for a specific number of years.
11. The Vice-chancellor may in other cases of ragging order or direct that any student or students be expelled or be not for a stated period, admitted to a course of study in a college, departmental examination for one or more years or that the results of the student or students concerned in the examination or examinations in which they appeared be cancelled.
12. In case any students who have obtained degrees or diplomas of Delhi University are found guilty; under this Ordinance, appropriate action will be taken under Statute 15 for withdrawal of degrees or diploma conferred by the University.
13. For the purpose of this Ordinance, abetment to ragging whether by way of any act, practice or incitement of ragging will also amount to ragging.
14. All Institutions within the Delhi University system shall be obligated to carry out instructions/ directions issued under this Ordinance, and to give aid assistance to the Vice-Chancellor to achieve the effective implementation of the Ordinance.

Note: Order of the Vice-Chancellor in pursuance of Ordinance XV-C: Where incident(s) of ragging are reported to the Vice-Chancellor by any authority under this Ordinance, the students(s) involved in ragging, shall be expelled for a specified term, designated in the order. Non-students involved in reports of ragging will be proceeded with under the criminal law of India; they will also be rendered ineligible for a period of five years from seeking enrolment in any of the institutions of the University of Delhi. Students against whom necessary action is taken under this note, will be given post decisional hearing, with strict adherence to the rules of natural justice.

ORDINANCE XV-D**Sexual Harassment**

1. Short Title and Extent The present Ordinance is based on the Policy against Sexual Harassment by the Delhi University and seeks to maintain and create an academic and work environment free of sexual harassment for students, academic and non-teaching staff of the Delhi University.
