

SCRIBBLE DAY REPORT

Scribble Day held profound significance for the graduating students, serving as an emotional milestone in their academic journey. This event symbolized the transformative journey of students from their school days to graduation, marking a poignant moment of closure and new beginnings.

The occasion provided a platform for friends to express their deepest emotions, gratitude, and camaraderie through heartfelt farewell messages inscribed on each other's shirts. This gesture underscored the enduring spirit of friendship, transcending the confines of time and circumstance.

By facilitating an open exchange of sentiments, Scribble Day enabled students to cherish the memories of their time together, fostering a sense of unity and shared experience that would persist beyond their college years.

On 29TH April, 2025, the Students' Union of Kalindi College, organized its official last event, Scribble Day at 12:30 PM in August Kranti, under the guidance of Dr. Vandana Rani (Convener) and Dr. Utpal Kumar (Co-Convener) of the Students' Union.

As part of the Scribble Day celebrations, students brought their own white T-shirts and vibrant markers, transforming them into canvases of cherished memories. The heartfelt exchanges of messages, signatures, and well-wishes on each other's shirts created a poignant and lasting keepsake for the graduating class.

The event was further enlivened by engaging games, including musical chairs, which drew enthusiastic participation from the students. The winners were rewarded with chocolates, adding to the joyous atmosphere.

The day was a bittersweet culmination of the graduates' journey, filled with laughter, nostalgia, and deep emotional connections. As they bid farewell to this chapter of their lives, the students carried with them the warmth of shared experiences and the promise of enduring friendships.
