

SATTVA,
THE ACADEMIC SOCIETY OF
KALINDI COLLEGE

COMBINED ACTIVITIES
REPORT SESSION 2024-25

THE COMPUTER SCIENCE SOCIETY

EVENTS DURING THE ACADEMIC YEAR

2024-2025

The Computer Science Academic society is a community of the Computer Science Department of the Kalindi College. It consists of students from three courses namely B.Sc.(H) Computer Science , B.Sc.(P) Physical Science and BA Programme with Computer Applications. The purpose of the Computer Science Academic society activities is to enrich the exposure of the students to the latest technology.

The list of events hosted by Sattva, the Computer Science Academic society during the academic year 2024-2025 are given below:

S.No	EVENTS
1.	Introduction
2.	Inauguration
3.	Design Dynamics - Canva Workshop
4.	Graphic Gala – E-Poster Making Competition
5.	Beyond Graduation – Seminar
6.	Bot Battle – Debate Competition
7.	TechX – Microsoft Visit
8.	Seminar – Power BI
9.	Analytics Matrix - Seminar
10.	Flag Chronicles – Treasure Hunt
11.	Confluence – Freshers’
12.	Seminar on MCA Counselling
13.	Supercharging Research with AI

14.	Byte Size Stories
15.	Quiz Bit
16.	Bot Drop BGMI Gaming Contest
17.	Pitch Perfect
18.	Seminar on Civil Services
19.	Vestureal – The Farewell

INTRODUCTION

Teacher Coordinator : Dr. Nidhi Arora

Teacher Coordinator : Dr. Anshula Sangwan

Teacher Coordinator : Ms. Kanishka Solanki

Office Bearers:

Position	Name	Course
PRESIDENT	Harshita	B.Sc Physical Science with Computer Science – 3rd Year
VICE-PRESIDENT	Konica Malhotra	B.Sc(H) Computer Science – 3rd Year
SECRETARY	Vedanta Mishra	B.Sc(H) Computer Science – 3rd Year
TREASURER	Muskan	B.Sc(H) Computer Science – 3rd Year
SPONSORSHIP HEAD	Stuti Gupta	B.Sc(H) Computer Science – 2nd Year
CREATIVE HEAD	Tiya Mehta	B.Sc(H) Computer Science – 2nd Year

TECHNICAL HEADS	Ananya Kirar	B.Sc(H) Computer Science – 2nd Year
	Umme Zainab	B.Sc(H) Computer Science – 2nd Year
DISCIPLINE HEAD	Leena	B.Sc(H) Computer Science – 2nd Year
VOLUNTEERS	Mishthi	B.Sc(H) Computer Science – 1st Year
	Shashi	B.A. (P)Computer Application-1st Year
	Khushi Kumari	B.Sc(H) Computer Science – 1st Year
	Bhavika Verma	B.Sc(H) Computer Science – 1st Year
	Megha Choudhary	B.Sc(H) Computer Science – 1st Year
	Sneha	B.Sc(H) Computer Science – 1st Year
	Anjali Singh	B.Sc(H) Computer Science – 2nd Year
	Khushboo	B.Sc(H) Computer Science – 2nd Year
	Parisha	B.Sc(H) Computer Science – 2nd Year
	Shruti Chauhan	B.Sc(H) Computer Science – 2nd Year
	Simran Kumari	B.Sc Physical Science with Computer Science –
	Sayali Pal	3rd Year

SATTVA EVENT REPORT 2024-25

Name of the event :Design Dynamics - Canva Software Workshop,Graphic Gala -Unleash Your Imagination e-poster making competition

Level : Intra

Date : October 3, 2024

Resource Person/Guests/Alumni : Name - Ms. Tushika Rawat

Designation - Founder 15forteen,Content Creator,
Infopreneur

Teacher Coordinators : Dr.Nidhi Arora, Dr.Anshula Sangwan, Ms.Kanishka Solanki

No. Of Participants : 66

No. Of Winners :4

Winner Details :

1st Prize - Name- Vanjul
College- Kalindi College
Course- BSc (Hons) Computer Science
Semester- 1
Roll No.- 24570053
Prize Amount(if any)- 800/-

2nd Prize - Name- Gouri Rana
College- Kalindi College
Course- BSc (Hons) Computer Science
Semester-1
Roll No.- 24570005
Prize Amount(if any)- 600/-

3rd Prize - Name- Varsha
College- Kalindi College
Course-BSc (Hons) Computer Science
Semester- 5
Roll No.- 22570063
Prize Amount(if any)- 400/-

Consolation - Name- Nancy Yadav
Prize College-Kalindi College
Course- Ba program
Semester- 5
Roll No.-22501178

Overview :

The Computer Science Society 'Sattva' at Kalindi College successfully hosted its first event of the 2024-25 academic session with great enthusiasm. The event commenced with the ceremonial lamp lighting by the esteemed Principal, marking the official inauguration. A

badge ceremony followed, where the newly appointed office bearers were honored for their leadership roles.

The highlight of the event was the insightful **Canva Workshop - Design Dynamics**, aimed at enhancing participants' design skills. The workshop focused on creating visually appealing content using Canva, a crucial skill for modern professionals.

Additionally, an exciting **Intra-College E-Poster Making Competition - Graphic Gala** was conducted, encouraging students to showcase their creativity through digital design. The event was graced by the presence of **Ms. Tushika Rawat** as the Chief Guest, whose guidance and encouragement motivated the participants.

Overall, the event was a resounding success, setting a positive tone for the upcoming academic year filled with learning and creativity.

POSTERS

The poster is for a 'Design Dynamics Canva Software Workshop' organized by the Computer Science Society at Kalindi College, University of Delhi. It features logos of the college and society at the top. The title 'DESIGN DYNAMICS' is in large, glowing blue letters, with 'CANVA SOFTWARE WORKSHOP' below it. Event details include the date (3rd October, 2024), time (10:30 A.M. Onwards), and venue (Seminar Room). A QR code is provided for registration. The poster lists the faculty members: Prof. Meena Charanda (Principal), Dr. Reena Jain (Teacher-In-Charge), Dr. Nidhi Arora (Co-ordinator), Dr. Anshula Sangwan (Co-ordinator), and Ms. Kanishka Solanki (Co-ordinator). The Chief Guest is Ms. Tushika Rawat, an achiever under 20 and founder of 15forteen. Student coordinators Harshita (President) and Konica Malhotra (Vice President) are also listed with their contact numbers. The bottom section encourages joining the event via Instagram (@cs_sattva) or LinkedIn (Sattvac).

❖ Lamp Lighting Ceremony and Badge Ceremony for Office Bearers

The event began with a formal inauguration by our respected Principal, Prof. Meena Chandarha, who lit the ceremonial lamp, symbolizing the start of a new academic year for SATTVA - The Computer Science Society of Kalindi College. This was followed by the badge ceremony, where the newly elected office bearers and volunteers were honored for their roles and responsibilities. The ceremony highlighted the significance of leadership and commitment, setting a positive tone for the society's endeavors ahead.

❖ Workshop by Ms. Tushika Rawat and Badge Ceremony for Volunteers

At 10:30 a.m., the much-anticipated *Canva Software Workshop – Design Dynamics* began in the seminar room, conducted by our esteemed guest, Ms. Tushika Rawat. She provided a comprehensive session on the importance of Canva in today's digital landscape and how mastering it can contribute to one's professional growth. Ms. Rawat introduced key features of Canva, explaining how to create professional designs, including restaurant menus, business brochures, and promotional content for college events. Students learned practical skills on how to utilize Canva's advanced tools in designing websites and pamphlets. She also highlighted different ways students could use these skills for freelance opportunities.

The session was interactive, with Ms. Rawat guiding students through live demonstrations of various design templates and tips to make content more eye-catching and informative. After this engaging workshop, a badge ceremony for the workshop volunteers was held, acknowledging their contribution in ensuring the smooth organization of the event.

❖ Intra - College Poster Making Competition – Graphic Gala

The event continued with the *Graphic Gala*, an intra-college e-poster making competition held at 1:00 p.m. in the Computer Science Lab. Students from various departments showcased their creativity and design skills by participating in the competition. The themes provided were:

- **Animal Wellness Day: Caring for Our Companions**
- **Elections in India: Empowering Voices in Democracy**
- **World Peace: United for Global Harmony**

Participants utilized the skills learned in the workshop to create visually captivating e-posters, blending artistic expression with meaningful messages. The posters were judged on creativity, relevance to the theme, and overall design aesthetics. The competition sparked healthy rivalry and encouraged students to think creatively and design with a purpose. Certificates were awarded to the winners for their excellent work, adding a competitive edge to the day's activities.

The event concluded on a high note, providing participants with new skills, confidence, and a sense of accomplishment. *Sattva 2024-25* successfully marked the beginning of another productive year for the CS Society.

SATTVA EVENT REPORT 2024-25

Name of the event : Beyond Graduation – Career Path, Job Options, and LinkedIn Branding for Computer Science Students

Date : November 6, 2024

Venue : Conference room no. TRI 5

Resource Person/Guests/Alumni : Name - Ms. Umang Aggarwal

Designation - Technology Associate (SDE-2) at Morgan Stanley

Name - Ms. Swati Basu

Designation - SDE at Visa Inc.

Teacher Coordinators : Dr.Nidhi Arora, Dr.Anshula Sangwan, Ms.Kanishka Solanki

No. Of Attendance : 47

Overview :

The seminar "Beyond Graduation – Career Path, Job Options, and LinkedIn Branding for Computer Science Students" was held on November 6th at 12:30 PM in the TRI 5 conference room, organized by **Sattva**, the Computer Science Society of Kalindi College. The purpose of this seminar was to provide students with insights into various career paths, skill development opportunities, and strategies for professional branding on LinkedIn.

The event opened with a warm welcome to the audience, followed by a symbolic planter presentation to honor the esteemed guests, **Ms. Umang Aggarwal** and **Ms. Swati**. Ms. Umang, a Technology Associate (SDE-2) at Morgan Stanley, and Ms. Swati, a Software Engineer (SDE) at Visa Inc., were acknowledged for their achievements in the tech industry.

Following the planter presentation, Dr. Anshula Sangwan ma'am, the Sattva Coordinator, addressed the audience, focusing on the importance of dedication and skill enhancement in today's competitive tech landscape. She was followed by Dr. Nidhi Arora ma'am, who also shared words of encouragement. Ms. Harshita, the President of Sattva, added her insights, thanked everyone for making this event possible.

After these addresses, both guest speakers, Ms. Umang Aggarwal and Ms. Swati, conducted their sessions simultaneously, covering topics on career paths in technology, essential technical skills, and professional development.

To close the event, Dr. Reena Jain ma'am, the Teacher-in-Charge, shared her thoughts, motivating students to apply the knowledge they gained in their future endeavors. The seminar concluded with a certificate presentation ceremony, honoring the guest speakers for their time and contributions.

❖ Introduction of the event and Planter ceremony

The seminar titled "Beyond Graduation – Career Path, Job Options, and LinkedIn Branding for Computer Science Students" was organized by **Sattva**, the Computer Science Society of Kalindi College, on November 6th at 12:30 PM in the TRI 5 conference room. The purpose of this seminar was to guide computer science students in exploring potential career paths, acquiring essential skills, and effectively branding themselves on LinkedIn.

The event began with a warm welcome, followed by a symbolic planter presentation to honor the esteemed guests, Ms. Umang Aggarwal (Technology Associate at Morgan Stanley) and Ms. Swati (Software Engineer at Visa Inc.). The proceedings then moved to the addresses by Dr. Anshula Sangwan ma'am, the Sattva Coordinator, who inspired the audience with her words on career growth and learning, followed by Dr. Nidhi Arora ma'am, who shared her perspective on skill development in the tech field. Ms. Harshita, the Sattva President, then took the stage to encourage students to be proactive in exploring career opportunities beyond graduation.

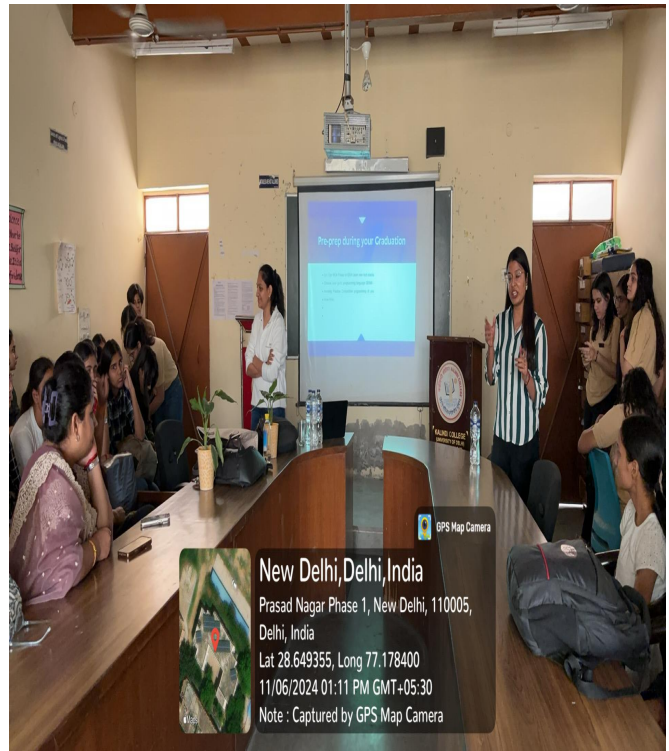

❖ Guest Speaker Session

The main segment of the seminar was the Guest Speaker Session, where Ms. Umang Aggarwal and Ms. Swati conducted a joint discussion, sharing their career experiences, valuable advice, and practical tips for students aiming to build successful careers in the tech industry.

Ms. Umang Aggarwal provided insights into her journey as a Technology Associate (SDE-2) at Morgan Stanley, where she has gained extensive experience in software development. She emphasized the importance of mastering Data Structures and Algorithms (DSA) and being consistent in coding practice, highlighting these as key skills for landing a job in top companies. She encouraged students to focus on problem-solving and participate in competitive programming as a way to enhance their technical abilities.

Ms. Swati, currently a Software Engineer at Visa Inc., expanded on these points by discussing the significance of project-based learning and building a robust portfolio. She advised students to work on small projects related to full-stack development, API integration, and cloud technologies like AWS. Swati also underscored the importance of choosing a primary programming language, suggesting Java and C++ as highly valued languages in the industry. She recommended resources like Kunal Kushwaha's YouTube channel and Striver's DSA sheet as helpful tools for strengthening DSA knowledge and preparing for technical interviews.

Both speakers also discussed the importance of leveraging LinkedIn for personal branding. They encouraged students to maintain an active LinkedIn presence, share projects, and connect with professionals in their field to expand their network. Through this insightful session, the speakers motivated students to focus on skill enhancement, practical learning, and self-branding to prepare for the competitive job market.

❖ Closing

After the guest speakers' session, Dr. Reena Jain ma'am shared a few words of encouragement with the audience, thanking Ms. Umang and Ms. Swati for their invaluable contributions. She highlighted the importance of utilizing the advice shared by the speakers and expressed her appreciation for the students' enthusiastic participation.

The seminar concluded with a certificate presentation ceremony where both guest speakers were awarded certificates of appreciation. The event was a great success, leaving students motivated and better prepared to embark on their career journeys with a clearer understanding of their potential paths beyond graduation. The session was well-received by the audience, marking a significant milestone in the series of career guidance initiatives by Sattva.

Rules and Regulations

1. All undergraduate students of Kalindi College are eligible.

2. Participants:

Each team will consist of two members - one will argue "For" the motion, and the other will argue "Against."

3. Time Allocation:

Each team is given 3-5 minutes to present their initial argument. After both sides have spoken, there will be a 2-minute rebuttal period where each participant can respond to their opponent's points. A final 1-minute closing statement is allowed for each team.

4. Order of Speaking:

The "For" side will speak first, followed by the "Against" side. During the rebuttal, the "Against" participant will go first, followed by the "For"

5. Conduct:

Participants must remain respectful and avoid personal attacks. Interruption is not allowed during the opponent's allocated time.

6. In case of any discrepancy, the decision taken by the judges will be final.

7. Registrations are open till 5th November 2024, 11:59 PM.

Intra College Debate Competition: Bot Battle

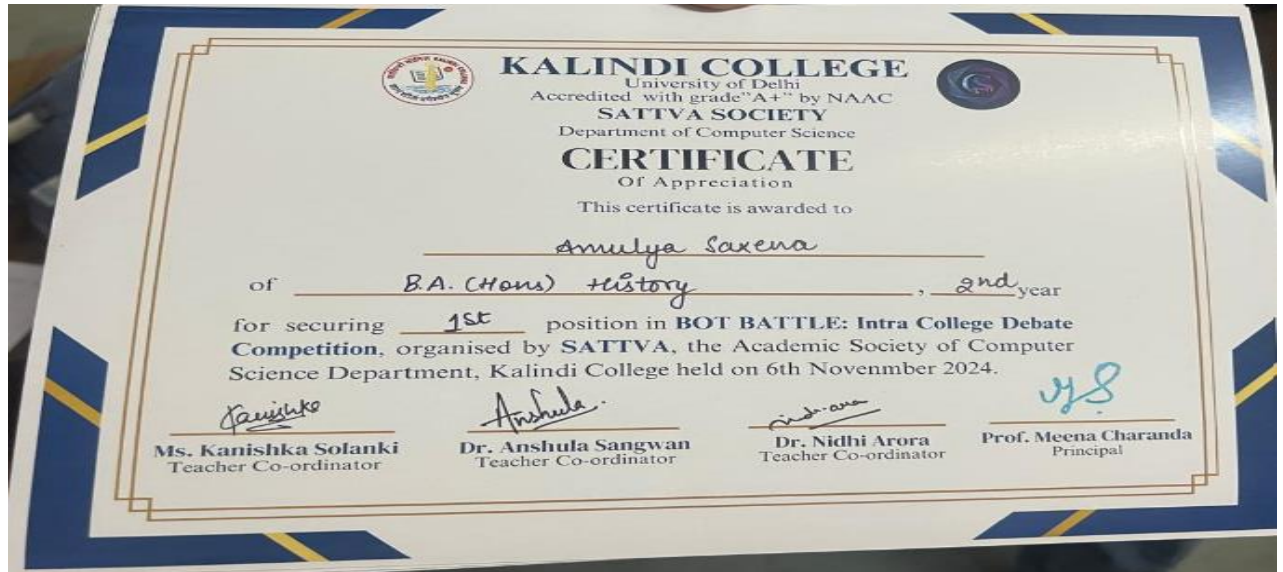

Sattva, the academic Computer Science Society of Kalindi College, held its second intra-college debating competition, Bot Battle. The topic of the debate was "The Use of ChatGPT in Education: A Boon or a Ban?" Students from various departments, each with strong opinions, actively participated in the event.

The competition fostered a spirit of intellectual curiosity, encouraging students to think critically about emerging technologies and their implications. Certificates were awarded to the best speakers for their compelling arguments and effective presentation skills, recognizing their dedication and preparation.

The event concluded on an insightful note, leaving participants with a deeper understanding of the role of AI in modern education. *Sattva 2024-25* proudly marked yet another successful event, inspiring students to explore technology's influence on society.

TECHX-2024 REPORT

Name of the Event: TechX

Date: 23rd November 2024

Venue: Microsoft Office, Gurugram

Organised by: Sattva in Collaboration with Technophiles, the Computer Science Society of Bharti College

No. of attendees from Kalindi College: 38 students

Speakers: 1. Ms Shruti Arora

2. Mr. Yug Sarin

3. Ms Anoushka Ajwani

4. Mr Hitesh Lakhyani

5. Mr Akhil Sukhnani

6. Ms Tiya Vaj

7. Ms Shruti Sinha

Overview

The TechX event, organised by Sattva the computer science society of Kalindi College in collaboration with Technophiles the computer science society of Bharti College at the Microsoft Office in Gurugram, gathered students from Kalindi College and various other colleges nationwide. It aimed to inspire attendees about the tech industry, featuring speakers like Ms. Shruti Arora and Mr. Yug Sarin, who discussed advancements, career growth, and essential skills. Networking opportunities during lunch and insights from the corporate world left participants inspired and better prepared for their professional journeys.

PICTURES OF THE EVENT

First Session

The event opened with a warm welcome to attendees and quickly transitioned to the first session. Mr. Yug Sarin captivated the audience with his journey in graphic design, highlighting how he integrated artificial intelligence to enhance creativity and efficiency.

Next, Ms. Anoushka Ajwani motivated aspiring software engineers by sharing strategies and personal experiences on how to excel in software engineering interviews for top tech companies.

The first segment concluded with Mr. Hitesh Lakhyani, who discussed the importance of empathy in design. He emphasized user-centric approaches to create more accessible and user-friendly digital products, encouraging attendees to prioritize empathy in technological innovation.

Second Session

After an engaging first half, the second segment of the event featured insightful sessions. Ms. Shruti Arora, a cybersecurity expert, began by discussing the Commudle Community and career prospects in cybersecurity, offering practical advice for students. Next, Mr. Akhil Sukhnani presented on ICINAR, explaining its workings and career opportunities, which deepened attendees' understanding of this innovative technology. Ms. Tiya Vaj, an AI researcher, followed with a talk on AI research, highlighting its potential and announcing an exciting internship opportunity, much to the audience's delight. Finally, Ms. Shruti Sinha, a design professional at Airtel, captivated the audience with her session on "Design Hacks for Fast Implementation," providing valuable insights and actionable strategies. In summary, the second half of the event was dynamic and informative, leaving participants with a wealth of knowledge and new opportunities to explore.

Closing

The final 30 minutes of the day were dedicated to networking, allowing students to interact, share ideas, and connect with each other. This informal session encouraged collaboration and the exchange of knowledge among peers and professionals.

The TechX event served as an exceptional platform for learning, networking, and inspiration, leaving every participant with valuable insights and opportunities for growth in the tech field.

SATTVA EVENT REPORT 2024-25

Name of the event : Online Seminar on POWER BI

Date : February 26, 2025

Resource Person/Guests/Alumni : Mr. Rohit Pahwa

Teacher Coordinators : Dr. Nidhi Arora, Dr. Anshula Sangwan, Ms. Kanishka Solanki

No. Of Attendees: 67

OVERVIEW:

Sattva – The Computer Science Society of Kalindi College, University of Delhi, organized an **online seminar on Power BI** on **26th February 2025** via **Google Meet** from **6:00 PM to 8:00 PM**. The session featured **Mr. Rohit Pahwa**, a data analyst, as the guest speaker, who provided in-depth insights into **business intelligence, data visualization, and analytics using Power BI**.

The seminar covered **key Power BI functionalities**, including **data import, transformation, dashboard creation, and report generation**. Mr. Pahwa demonstrated real-world applications of Power BI and guided students on how to build interactive dashboards and use analytical tools effectively. He also discussed the growing demand for data analytics professionals and provided valuable career guidance on how students can develop expertise in the field.

The session was **highly interactive**, with students engaging in discussions and a Q&A session. Mr. Pahwa addressed various queries related to **Power BI's industry relevance, learning resources, and career opportunities**.

➤ Introduction

Sattva – The Computer Science Society of Kalindi College, University of Delhi, successfully conducted an online seminar on Power BI on 26th February 2025. The session, held on Google Meet from 6:00 PM to 8:00 PM, aimed to introduce students to the significance of business intelligence and data analytics through Power BI, a widely used tool in the industry. The seminar saw enthusiastic participation from students eager to gain insights into data visualization and analytics.

➤ Session Highlights

The seminar was led by Mr. Rohit Pahwa, a skilled data analyst with expertise in business intelligence, statistics, and data-driven decision-making. He began by explaining the growing importance of data analytics in modern industries and how Power BI enables professionals to analyze, visualize, and interpret data effectively. He elaborated on the key functionalities of Power BI, such as data modeling, dashboard creation, and report generation, while emphasizing its advantages over traditional spreadsheet tools.

During the session, Mr. Pahwa provided a live demonstration of Power BI, guiding students through the process of importing, transforming, and visualizing data. He explained how organizations leverage Power BI to extract meaningful insights from large datasets, make data-driven decisions, and optimize business operations. By showcasing various visualization techniques, he helped students understand how to present data effectively through interactive dashboards and reports.

Apart from the technical aspects, Mr. Pahwa also highlighted career opportunities in the field of data analytics. He discussed the growing demand for Power BI professionals and provided guidance on certifications, self-learning resources, and industry best practices that can help students enhance their proficiency in the tool.

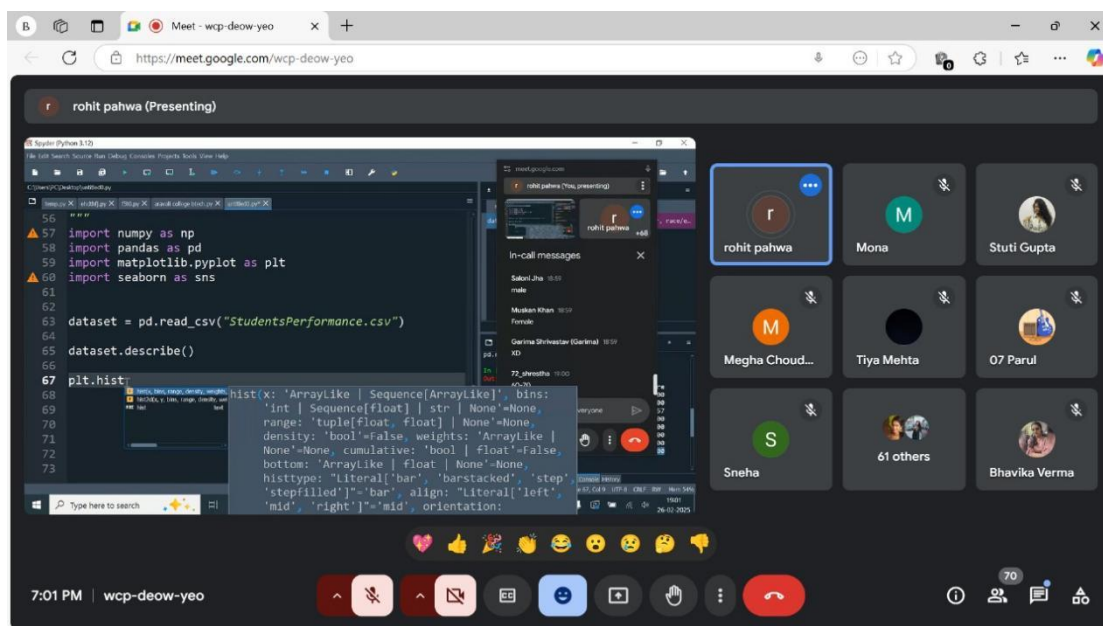

➤ Interactive Discussion and Q&A

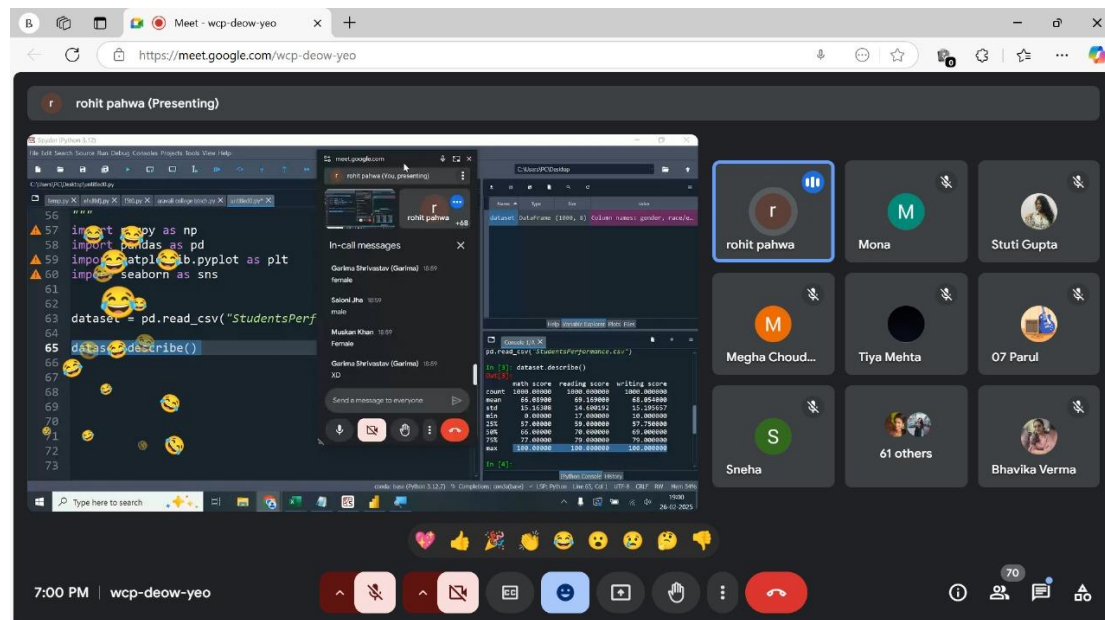

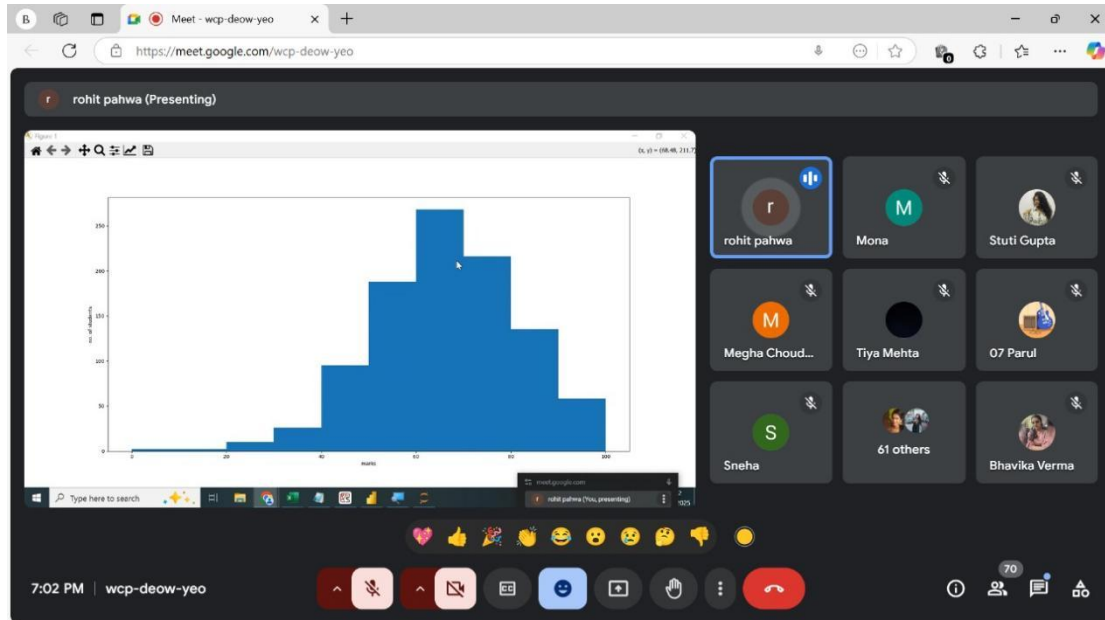

The session was highly interactive, with students actively engaging in discussions and asking questions related to Power BI and data analytics. Mr. Pahwa addressed queries about the differences between Power BI and other analytics tools such as Tableau and Excel, the best way for beginners to start learning Power BI, and the scope of career opportunities in the field. He also shared insights into real-world applications of Power BI in sectors such as finance, healthcare, and marketing, helping students understand its practical relevance.

➤ Conclusion

The seminar received an overwhelmingly positive response from students, who found the session highly informative and practical. Many attendees expressed their interest in further exploring Power BI and applying it to real-world projects. The session successfully enhanced students' understanding of data analytics, providing them with valuable knowledge and skills applicable to various career paths.

Sattva – The Computer Science Society continues its commitment to organizing educational events that help students stay updated with industry trends and technical advancements. The seminar on Power BI was another step toward equipping students with relevant skills for the evolving job market, and more such sessions will be conducted in the future to support their academic and professional growth.

SATTVA EVENT REPORT 2024-25

Name of the Event: Analytics Matrix: Bridging Data and Business

Date: February 10, 2025

Venue: Sangam Parisar

Resource Person: Mr. Ashish Kapasiya

Designation: Analytics Trainer & Mentor, Proschool

Teacher Coordinators: Dr. Nidhi Arora, Dr. Anshula Sangwan, Ms. Kanishka Solanki

No. of Attendees:126

Overview:

The seminar titled "**Analytics Matrix: Bridging Data and Business**" was conducted on February 10, 2025, at 10:30 AM in **Sangam Parisar**, organized by **Sattva, the Computer Science Society of Kalindi College**. This insightful session aimed to empower students with knowledge about business analytics and its growing significance in today's data-driven world.

The event began with a **warm welcome** to the audience, followed by a **symbolic planter presentation** to honor the esteemed guest speaker, **Mr. Ashish Kapasiya**, a seasoned Analytics Trainer and Mentor at Proschool. Dr. Anshula Sangwan, the Sattva Coordinator, addressed the audience, emphasizing the importance of analytics in bridging the gap between data and business decision-making.

Ms. Harshita, the President of Sattva, also expressed her gratitude to the guest and the organizing team for making this event possible.

Session Highlights:

1. Journey of an Analyst

Mr. Kapasiya shared his professional journey, shedding light on the skills and mindset required to excel in the field of analytics. He emphasized the importance of continuous learning and adaptability.

2. What is Analysis & Data Analysis?

The speaker explained the fundamental concepts of analysis and how it applies to extracting meaningful insights from raw data.

3. Business Analyst vs. Data Analyst

A **thought-provoking conversation** was presented between two girls discussing the difference between these roles.

A **Business Analyst** is like a **detective**, identifying business needs and recommending solutions, whereas a **Data Analyst** is akin to a **treasure hunter**, digging through data to uncover valuable insights.

4. Real-Life Business Problem: Hospital Emergency Room Dashboard

- **Problem:** Overcrowding in the hospital's emergency room leading to delays in patient care.
- **Goal:** Create a dashboard to improve efficiency and ensure faster and better patient care.
- **Key Questions:**
 - What is the average wait time for patients in the ER?
 - What are the busiest hours/days, and how can resources be optimized during those times?

5. Future of Data Analysis

Mr. Kapasiya elaborated on emerging roles in analytics, including **Healthcare Analyst**, **Financial Analyst**, and **HR Analyst**, highlighting the diverse career paths available in the field.

6. Does Data Analysis Require Coding and Math?

He debunked common myths, explaining that while coding and mathematical skills are beneficial, strong analytical thinking and problem-solving abilities are equally crucial.

7. Fields Using Data Analysts

The speaker emphasized how industries like healthcare, finance, marketing, and technology are leveraging data analytics to drive strategic decisions.

8. Why Choose IMS Proschool?

The session concluded with a discussion on the added value offered by IMS Proschool:

- **In-Depth Training**
- **Real-World Projects**
- **Practical Exposure**

Closing Remarks:

To conclude the event, Dr. Reena Jain, Teacher-in-Charge, shared a few motivational words, expressing her gratitude to Mr. Ashish Kapasiya for his invaluable contributions and to the students for their enthusiastic participation.

The seminar ended with a **certificate presentation ceremony**, marking a successful and insightful event.

This session left students motivated and better informed about the growing field of analytics, equipping them with knowledge to explore future career opportunities confidently. It was yet another remarkable initiative by **Sattva, the Computer Science Society of Kalindi College**.

SATTVA EVENT REPORT 2024-25

Name of the Event: Flag Chronicles: Treasure Hunt – A Magical Harry Potter Quest!

Date: February 10, 2025

Time: 11:30 AM

Venue: Sangam Parisar, Kalindi College

Total no of teams: 8

Overview:

The event "Flag Chronicles: Treasure Hunt – A Magical Harry Potter Quest!" was organized by Sattva, the Computer Science Society of Kalindi College, on February 10, 2025. The event brought together students from different disciplines for an exciting and challenging treasure hunt inspired by the magical world of Harry Potter. Participants embarked on a journey filled with enchanting puzzles, mysterious clues, and thrilling adventures, all leading toward the ultimate treasure.

Event Highlights:

1. Magical Challenges and Puzzles

The treasure hunt consisted of multiple rounds, each presenting a unique challenge. Teams had to solve riddles, decode magical messages, and navigate through various checkpoints to uncover the final treasure.

2. Competitive Spirit and Teamwork

The event saw enthusiastic participation, with teams showcasing their problem-solving skills, logical thinking, and teamwork to progress through the different stages of the hunt.

3. Winning Teams:

- **Position 1:** Team "Badzaat Baddies"

Members:

- Shivangi Gupta
- Sneha Bhatt
- Garima
- Sneha Mishra

Course: 3rd Year, Computer Science (Hons)

- **Position 2:** Team "HocruX Hunters"

Members:

- Parul
- Anshika Mishra
- Sai Tripti Samal
- Vidushi Mamgain

Course: 3rd Year, Physical Science with Computer Science

Audience Participation: The treasure hunt attracted a large number of students who actively participated, making the event a grand success. The excitement and engagement from all participants made this magical journey unforgettable.

Conclusion:

The Flag Chronicles: Treasure Hunt event was an incredible success, offering students a fun-filled yet intellectually stimulating experience. The winning teams demonstrated outstanding analytical skills, teamwork, and strategic thinking. This event not only encouraged collaboration but also strengthened the bond among students, making it a cherished memory for all participants.

The Sattva team extends gratitude to all participants and organizers for making this magical quest an unforgettable experience!

RULES & REGULATIONS

General Overview

- The objective is to collect as many flags as possible within the time limit.
- Flags will be hidden across campus landmarks.
- The team that collects the most flags or completes specific challenges wins.

Team Formation

1. Team Size: Each team must consist of 3-4 members.
2. Registration: All teams must register with a unique team name before the game begins.

Gameplay Rules

1. Flag Points: Each flag is worth 10 points.
Special hidden flags may offer bonus points (20-50), as mentioned in the clues.
2. Treasure Hunt Clues: Teams will receive their first clue at the starting point.
Solving each clue leads to the next flag location.
Teams can only proceed to the next flag after finding the current one.
3. Time Limit: The game will last for maximum 1 hour. Teams must return to the starting point before time runs out.

Sattvacs

cs_sattva

RULES & REGULATIONS

Regulations for Fair Play

1. **Flag Collection:** Only one team member can retrieve a flag at a time. Teams must bring all flags to the starting point; carrying multiple flags at once is allowed.
2. **No Interference:** Teams are not allowed to steal flags from other teams or tamper with other flags. Tampering with hidden clues or misleading other teams is strictly prohibited.
3. **Safety First:** Running in restricted or unsafe areas is not allowed. Follow the marked pathways and avoid entering prohibited zones.
4. **Flag Verification:** Teams must submit all collected flags to the organizers at the end of the game. Flags without a valid stamp or identification will not be counted.

NOTE : Organizers will station marshals across the campus to ensure fair play and assist participants if needed. In case of emergencies or disputes, contact the organizing desk immediately.

Winning Criteria

1. **Flag Count:** The team with the highest points from collected flags wins.
2. **Tiebreaker:** In case of a tie, the team that returns to the starting point first will be declared the winner.

Disqualifications

- **Cheating:** Any team caught stealing or tampering with flags/clues will be disqualified.
- **Unsportsmanlike Behavior:** Rude or aggressive behavior towards other teams or organizers will not be tolerated.
- **Violation of Rules:** Failing to adhere to the safety guidelines or game rules will lead to disqualifications

OVERVIEW:

The Freshers' Event was a vibrant and engaging celebration aimed at welcoming the new batch of students with enthusiasm and warmth. The event was meticulously planned and executed, featuring a variety of performances, competitions, and interactive sessions that showcased the immense talent and spirit of the freshers. From mesmerizing dance performances to soul-stirring poetry recitals, an electrifying band performance, and the highly anticipated Miss Freshers' competition, the evening was filled with entertainment, excitement, and camaraderie. The event not only provided a platform for students to express their creativity but also fostered a sense of belonging and unity within the college community.

➤ INTRODUCTION

The Freshers' Party was a grand celebration organized to extend a warm welcome to the new batch of students. The event was filled with enthusiasm, creativity, and entertainment, making it a memorable evening for everyone present. Faculty members, event coordinators, and students came together to create an atmosphere of joy and excitement, ensuring that the freshers felt at home in their new academic environment.

The evening commenced with a mesmerizing Classical Dance Performance, setting a graceful and culturally rich tone for the event. The performer captivated the audience with their fluid movements and elegant expressions, earning resounding applause from the attendees. This opening act beautifully reflected the rich artistic heritage and prepared everyone for the exciting lineup of events that followed

➤ MAIN EVENTS

Following the dance performance, Abhilasha presented a poetry recital, which left the audience deeply moved. Her expressive delivery and poignant verses struck a chord with everyone, making the performance a significant highlight of the evening. The thoughtful and heartfelt words resonated with the attendees, creating an atmosphere of introspection and appreciation for the art of poetry.

The energy in the hall then soared as the VARCHASVA Band Performance took center stage. The band's electrifying set infused the event with a vibrant and dynamic energy, engaging the audience with their powerful music. Students cheered, clapped, and even sang along, making it a truly immersive experience that added a lively and celebratory spirit to the evening.

One of the most anticipated segments of the event, the Miss Freshers' competition, kicked off with Round 1, where contestants introduced themselves with confidence and charisma. The freshers showcased their unique personalities, making it an engaging and enjoyable segment. Each contestant brought their own charm and enthusiasm, making it a tough decision for the judges.

Before moving on to the next segment of the competition, Leena took the stage for another poetry recital. Her performance added an artistic and reflective touch to the evening, captivating the audience with her heartfelt words. The recital served as a beautiful interlude, balancing the high-energy performances with moments of poetic grace.

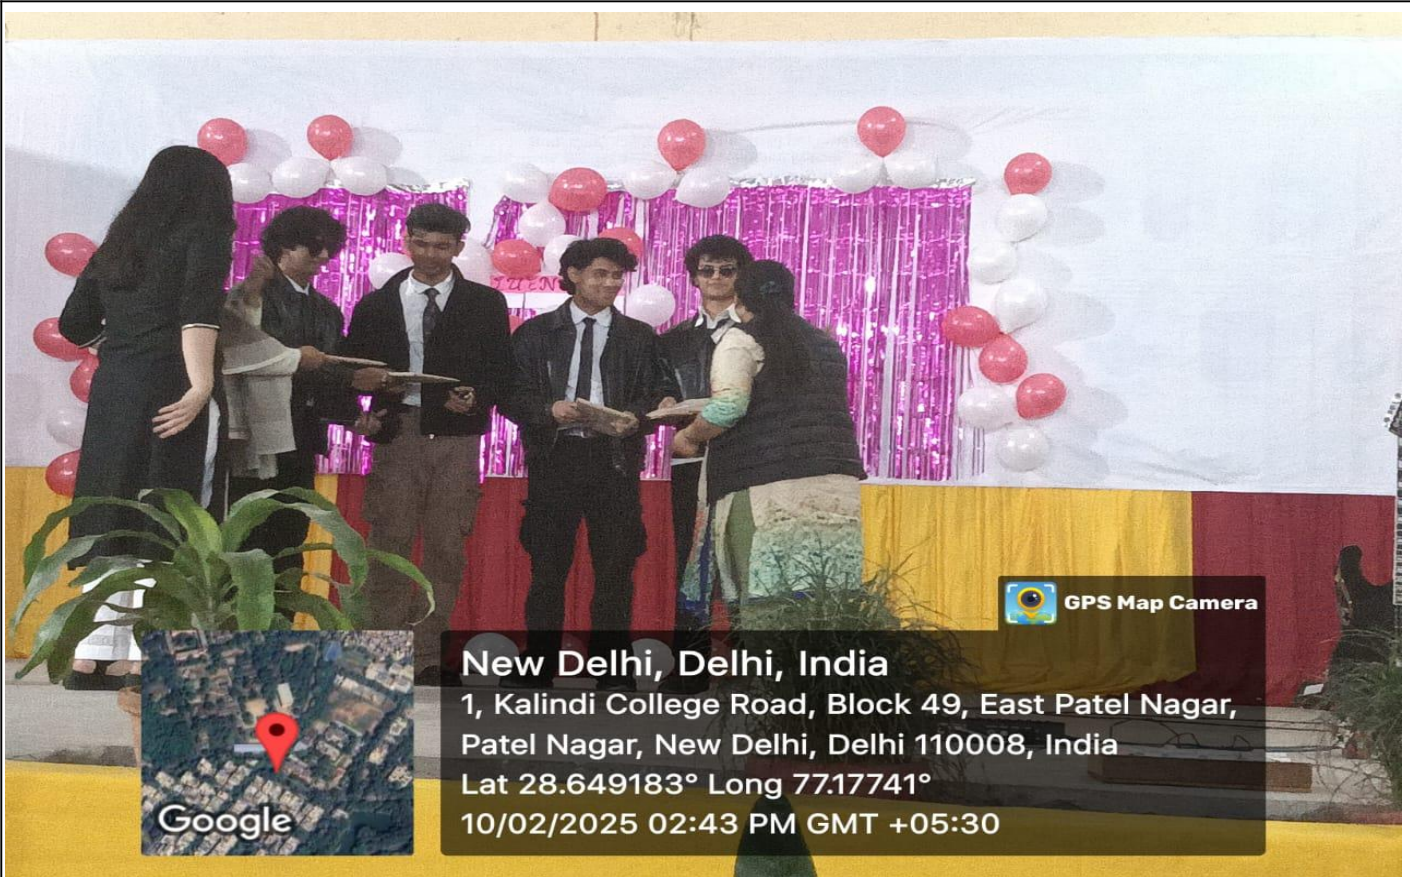

The evening continued with a high-energy dance performance, which left the audience mesmerized. The dancers' impeccable coordination and enthusiasm made it a visually stunning spectacle, drawing cheers and admiration from the crowd. This was followed by Round 2 of Miss Freshers, where contestants demonstrated their talents through various performances. From singing to dancing and other unique showcases, each participant left an impression with their creativity and confidence.

To further elevate the excitement, a Group Dance Performance was staged, bringing together multiple talented dancers in a synchronized and powerful act. The collective energy and passion of the performers created an unforgettable moment in the event, reinforcing the celebratory spirit of the evening.

The final and most challenging segment, Round 3 of Miss Freshers, featured the much-awaited Q&A round. Contestants were tested on their wit, presence of mind, and ability to articulate their thoughts. Their responses reflected intelligence, humor, and depth, making it a thrilling conclusion to the competition. As the judges deliberated on the results, the audience was kept entertained with a series of dance performances, ensuring that the energy remained high throughout the evening.

SATTVA EVENT REPORT 2024-25

Name of the event : Online Seminar on MCA COUNSELLING

Date : April 6, 2025

Resource Person/Guests/Alumni : Name - **Mr. Rithukar Chadha(Director Of Landmark Institute)**

Teacher Coordinators : Dr.Nidhi Arora, Dr.Anshula Sangwan,
Ms.Kanishka Solanki,

No. Of Attendees: 205

OVERVIEW:

Sattva – The Computer Science Society of Kalindi College, University of Delhi, organized an **online seminar on MCA COUNSELLING on 6th April 2025** via **Google Meet from 12pm onwards** . The session featured **Mr. Rithukar Chadha**

, an informative online webinar was conducted on MCA counselling, aimed at guiding students through the admission process, eligibility criteria, and career opportunities associated with the Master of Computer Applications (MCA) program. The session was led by an experienced academic counsellor who provided in-depth insights into top MCA colleges, entrance exams such as NIMCET and CUET, and effective preparation strategies.

The speaker walked students through the application procedures, cut-off trends, and seat allocation processes, while also sharing tips on college selection based on ranking, faculty, placements, and specialization options. Students were also made aware of the importance of building a strong academic profile and staying updated with relevant deadlines.

The webinar was highly engaging, with an active Q&A session where the counsellor addressed a wide range of queries related to exam preparation, college preferences, career prospects post-MCA, and government vs. private institutions. The session proved extremely helpful for students planning to pursue MCA and looking for structured guidance in navigating the counselling process.

➤ Introduction

Sattva – The Computer Science Society of Kalindi College, University of Delhi, successfully conducted an online seminar on MCA COUNSELLING on 6th April 2025. The online webinar was conducted by a highly experienced academic professional, Mr. Ritukar Chadha who holds an MSc and PhD in Mathematics. With a strong academic background and years of teaching experience, including a tenure as a visiting faculty member in reputed colleges, the speaker currently serves as the Director of Landmark Institute.

The session aimed to provide students with a clear understanding of the MCA (Master of Computer Applications) counselling process, including entrance exams, eligibility criteria, and college selection.

➤ **Session Highlights**

The webinar was led by Dr. Rithukar Chadha, an esteemed academic with an MSc and PhD in Mathematics. With extensive teaching experience, including serving as a visiting faculty member at reputed colleges, and currently holding the position of Director at Landmark Institute, Dr. Rithukar Chadha brought valuable insights into the MCA counselling process.

He began by discussing the significance of the MCA (Master of Computer Applications) program in today's technology-driven world and how it serves as a gateway to promising careers in software development, IT services, data science, and more. He thoroughly explained the various entrance examinations such as NIMCET and CUET, along with detailed guidance on eligibility criteria, application procedures, and key preparation strategies.

During the session, Dr. Rithukar Chadha provided a step-by-step overview of the counselling and admission process, covering essential aspects like cut-off trends, college rankings, and specialization choices. He also offered practical advice on selecting the right institution based on academic goals and career plans.

Beyond the technicalities, he highlighted the long-term career prospects after MCA and offered guidance on building a strong academic profile. The session also included recommendations for trusted study resources and tips to stay focused and competitive. His expertise and clarity made the session extremely valuable for aspirants planning their future in the field of computer applications.

➤ **Interactive Discussion and Q&A**

The session was highly interactive, with students actively participating in discussions and posing thoughtful questions related to the MCA admission process and career pathways. Dr. Rithukar Chadha addressed a variety of queries, including differences between entrance exams like NIMCET, CUET, and university-specific tests, strategies for effective preparation, and tips for choosing the right college based on specialization and placement records.

Students also sought clarity on the scope of MCA in today's job market, the relevance of MCA compared to other postgraduate options, and the role of internships and certifications in strengthening one's profile. Dr. Rithukar Chadha provided insightful answers, shared real-life examples of successful MCA graduates, and highlighted opportunities in sectors such as IT services, data analytics, software engineering, and academia. The engaging Q&A session helped resolve doubts and provided students with a clearer roadmap for pursuing MCA and planning their future in the tech industry.

➤ **Conclusion**

The webinar proved to be an enriching experience for all attendees, offering comprehensive guidance on the MCA counselling process and future career prospects in the field of computer applications. Dr. Rithukar Chadha's expertise and clear explanations helped demystify common concerns regarding entrance exams, college selection, and career planning. The session equipped students with valuable insights, practical tips, and a sense of direction as they prepare for the next step in their academic journey. Overall, the webinar successfully fulfilled its objective of empowering students with the knowledge and confidence needed to pursue a career in the ever-evolving world of technology.

The screenshot shows a Google Slides presentation with a yellow background. The slide content is as follows:

Real-World AI Applications:

- Healthcare: AI-assisted diagnosis (IBM Watson), drug discovery, robotic surgery.
- Finance: AI for fraud detection, stock predictions, and algorithmic trading.
- E-commerce: Personalized product recommendations, chatbots, and customer service automation.
- Education: AI-based adaptive learning systems (Coursera, Khan Academy).
- Entertainment: AI-generated music, video editing, and gaming NPCs.

What is the Scope of AI?

The AI industry is expanding exponentially across multiple sectors, transforming the way businesses operate and creating a massive demand for AI professionals.

Current and Future Scope:

AI Market Growth: The global AI market is projected to reach \$1.5 trillion by 2030, growing at a CAGR of 37.3% from 2023 to 2030.

India's AI market is expected to grow to \$17 billion by 2027.

At the bottom of the slide, there is a small notification bar that reads: "view.google.com is sharing your screen. Stop sharing" with a "Stop" button.

The presentation interface includes a top bar with "Sign in" and "Share" buttons, and a bottom taskbar with various application icons and system status indicators.

SATTVA EVENT REPORT 2024-25

Name of the event : Inaugural Seminar on Supercharging Research with AI Tools, Trend and Techniques

Date : April 11, 2025

Resource Person/Guests/Alumni : Name - **Dr.Shilpa Srivastava** (Associate Professor , Christ(Deemed to be University) , Delhi NCR Campus)

Teacher Coordinators : Dr.Nidhi Arora, Dr.Anshula Sangwan, Ms.Kanishka Solanki,

No. Of Attendees: 193

OVERVIEW:

Sattva – The Computer Science Society of Kalindi College, University of Delhi, organized an Inaugural Seminar on **Supercharging Research with AI Tools, Trend and Techniques** on **11th April 2025** from **9:30-11:30am** . The speaker highlighted how AI is revolutionizing various sectors through powerful tools such as ChatGPT, Google Colab, Hugging Face, and TensorFlow, which enable tasks ranging from natural language processing to machine learning model development. Current trends discussed included the rise of generative AI, increasing integration of AI across industries like healthcare, finance, and education, and the growing importance of ethical AI practices. The session also emphasized practical techniques, encouraging students to explore real-world datasets, work on mini-projects, and stay updated through platforms like Kaggle and research communities. Overall, the session offered valuable guidance for students looking to build foundational and advanced knowledge in AI and stay aligned with the latest developments in the field.

The session also delved into current AI trends, including the **emergence of generative AI, automated machine learning (AutoML), edge AI, and the growing use of AI in robotics, cybersecurity, and data-driven decision-making**. The importance of **ethical AI**, data privacy, and responsible AI development was also stressed, as these are becoming critical in today's tech-driven world.

The session offered a comprehensive roadmap for students to explore the field of AI, adopt hands-on tools, follow industry trends, and apply key techniques to build a strong foundation for future careers in technology and innovation.

□ Introduction

Sattva – The Computer Science Society of Kalindi College, University of Delhi, successfully conducted an insightful online session on **AI Tools, Trends, and Techniques**. The webinar was led by **Dr. Shilpa Srivastava**, a distinguished academic with expertise in emerging technologies and computer science education. The session focused on introducing students to the latest advancements in Artificial Intelligence, including widely used tools such as **ChatGPT, Google Colab, Hugging Face, and TensorFlow**, along with key trends like **generative AI, ethical AI practices, AutoML, and edge computing**. Dr. Srivastava also shared practical techniques for beginners, encouraging students to engage in hands-on projects, explore open-source platforms, and stay updated with research developments. The session proved to be highly beneficial in enhancing students' awareness of the dynamic AI landscape and inspiring them to explore AI-driven career paths.

□ Session Highlights

The webinar was led by **Dr. Shilpa Srivastava**, a distinguished academic with deep expertise in computer science and emerging technologies. With a strong academic background and a passion for tech-driven education, Dr. Srivastava brought valuable insights into the evolving field of **Artificial Intelligence**. She began by emphasizing the growing impact of AI in today's digital world and its relevance across various sectors such as healthcare, finance, education, and software development. The session introduced students to essential **AI tools** like **ChatGPT, Bard, Google Colab, Hugging Face, TensorFlow, and PyTorch**, explaining their roles in natural language processing, machine learning model development, and data-driven automation.

Dr. Srivastava elaborated on current **AI trends**, including the rise of **generative AI, AutoML, edge computing**, and the increasing focus on **ethical and responsible AI**. She also explained practical techniques for beginners, such as working with open-source datasets, engaging in small-scale AI projects, and using platforms like **Kaggle** for hands-on learning.

The session further covered strategies to explore AI career paths, recommended learning platforms, and tips for building a solid foundation in the field. Dr. Srivastava's clear explanations and practical advice made the webinar highly beneficial for students aspiring to explore or build a career in Artificial Intelligence.

□ Interactive Discussion and Q&A

The session was highly interactive, with students actively engaging in discussions and posing insightful questions related to Artificial Intelligence and its applications. **Dr. Shilpa Srivastava** addressed a wide range of queries, including how to get started with AI tools, the differences between platforms

like **TensorFlow, PyTorch, and Hugging Face**, and the practical uses of tools such as **ChatGPT** and **Google Colab** in real-world projects.

Students also sought clarity on the career scope in AI, the relevance of AI compared to other tech domains, and the importance of certifications, internships, and project work in building a strong AI profile. Dr. Srivastava provided well-informed responses, shared examples of AI-driven innovations, and highlighted career opportunities in areas like **machine learning, data science, natural language processing, and AI research**.

The dynamic Q&A session helped demystify many concepts and offered students a clearer understanding of how to begin or strengthen their journey in the field of Artificial Intelligence.

□ **Conclusion**

The online session on **AI Tools, Trends, and Techniques**, organized by **Sattva – The Computer Science Society of Kalindi College**, proved to be an enlightening experience for all participants. Through the expert guidance of **Dr. Shilpa Srivastava**, students gained a deeper understanding of the ever-evolving field of Artificial Intelligence, its practical applications, and the skills required to succeed in this domain. The session not only introduced students to powerful AI tools and current industry trends but also provided actionable insights and learning pathways for those aspiring to build a career in AI. With its informative content and interactive format, the webinar successfully sparked curiosity, encouraged active participation, and inspired students to explore the vast opportunities that AI has to offer in today's technology-driven world.

SATTVA EVENT REPORT 2024-25

Name of the Event: Byte Size Stories Reel Making Competition

Date: April 11, 2025

Venue: Computer Science Department

Prize Money: 1st place (₹ 2000), 2nd place (₹1500), 3rd place (₹1200)

Winners Details:

1st prize - Name - Jahnvi Gupta
College - Kalindi College
Course - BA Program
Semester -2nd
Prize Amount - ₹2000

2nd prize - Name - Ayush Shrivastav
College - Gurugram University
Course - Btech CS Cyber Security
Semester - 4th
Prize Amount - ₹1500

3rd prize - Name - Aakash
College - Gurugram University
Course - Btech CS Cyber Security
Semester - 4th
Prize Amount - ₹1200

Teacher Coordinators:Dr. Nidhi Arora, Dr. Anshula Sangwan, Ms. Kanishka Solanki

No. of Attendees: 7

Overview:

Byte Size Stories, a Reel Making Competition, was organized by SATTVA, the Computer Science Society of Kalindi College, as a vibrant part of its annual fest, QUBIT 2025. The competition took place from 9:30 AM to 3:00 PM, providing participants with the opportunity to explore the entire event and creatively document its highlights.

The participants actively moved around the campus, capturing every aesthetic detail — from the colorful decorations of the campus and department, to the buzzing energy at the various stalls, and the excitement around other competitions such as BGMI, Board Battles, and Stitch Perfect (inspired by Shark Tank). They also recorded key moments from the seminar and student interactions, weaving all of it into engaging short-format reels.

The students showed immense dedication — planning their shots, coordinating scenes, editing on the go, and paying attention to transitions, music, and storytelling. Their hard work and creativity were clearly reflected in the final outputs. All 7 participants, guided by 3 coordinators, brought forward unique perspectives that beautifully showcased the spirit of QUBIT 2025 through their lenses.

Conclusion:

After a thorough review of all entries, based on creativity, editing, and content flow, Jahnvi was awarded the first prize, Ayush secured the second prize, and Akash received the third prize for their exceptional reels. Their efforts truly stood out, and all participants were appreciated for capturing the essence of the fest in such a dynamic and entertaining way

SATTVA EVENT REPORT 2024–25

Name of the Event: QUIZBIT – Inter-College Tech Quiz Competition

Date: April 11, 2025

Venue: Computer Science Lab

Organized By: Sattva – The Computer Science Society, Kalindi College (University of Delhi)

No. of Attendees: 10

Teacher Coordinators: Dr. Reena Jain, Dr. Nidhi Arora, Dr. Anshula Sangwan, Ms. Kanishka Solanki

Winners – Tech & Aptitude Quiz

1st Prize – Name: Ayush Karn

- **College:** University School of Information, Communication & Technology (USICT), GGSIPU
- **Course:** MCA (Software Engineering)
- **Semester:** 2nd
- **Roll No.:** 10416404524
- **Prize Amount:** ₹2000

2nd Prize – Name: Priya Mishra

- **College:** Kalindi College
- **Course:** B.Sc. (Hons) Computer Science
- **Semester:** IV
- **Roll No.:** 23570058
- **Prize Amount:** ₹1500

3rd Prize – Name: Parul

- **College:** Kalindi College
- **Course:** B.Sc. (Hons) Computer Science
- **Semester:** VI
- **Roll No.:** 22582007
- **Prize Amount:** ₹1200

Overview:

Sattva, the Computer Science Society of Kalindi College, organized an exciting inter-college tech fest event titled “**QUIZBIT**” on April 11, 2025. Held in the Computer Science Lab, this competition aimed to test the technical, analytical, and logical reasoning skills of participants through an engaging quiz competition.

Under the umbrella of **QUBIT 25**, QUIZBIT attracted a large number of tech enthusiasts from universities and colleges across Delhi NCR. The event witnessed vibrant participation, challenging the intellect and curiosity of students through two stimulating rounds of quiz-based competition.

The event was inaugurated with welcoming remarks from the coordinators, and the participants were briefed about the rules and structure of the competition. The teacher coordinators, along with student leads Vedanta (Secretary) and Muskan (Treasurer), managed the seamless execution of the event.

Event Structure:

Round 1 – Prelims (Level 1):

- Format: 30 multiple-choice questions (MCQs)
- Duration: 30 minutes (1 minute per question)
- Focus: Basic technical knowledge, computing fundamentals, and awareness of emerging technologies
- Objective: Shortlisting top candidates for the final round

Round 2 – Finals (Level 2):

- Format: 5 logic-building and coding-based questions
- Duration: 25 minutes (5 minutes per question)
- Focus: Advanced technical knowledge and analytical problem-solving
- Objective: Assessing core programming skills and logical thinking

POSTERS:

The poster is for a quiz competition titled 'QUIZBIT QUIZ COMPETITION'. It features a blue and white color scheme with a background of abstract circuit-like patterns. At the top left, there are logos for the University of Delhi and Kalindi College. The top center text reads 'इत्तवा Computer Science Society Kalindi College, University of Delhi Accredited 'A+' Grade by NAAC'. To the right is a circular logo with a stylized 'S'. The main title 'QUIZBIT' is in large, bold, blue letters, with 'QUIZ COMPETITION' in smaller letters below it. A small robot character is on the left. Below the title, a white box contains the event details: Date: 11th April 2025, Time: 12 am onwards, Venue: Computer Science Lab. To the right of this box is a graphic of a clipboard with a question mark and checkboxes. Below the date box is a QR code labeled 'SCAN HERE'. In the center, there is a graphic of a person holding a sign that says 'QUIZ' and another sign with 'A', 'B', and 'C'. To the right of this is a laurel wreath with the text 'Win Exciting Cash Prizes, Gift Hampers and Certificate'. At the bottom, there are six boxes listing the organizers: Prof. Meena Charanda (Principal), Dr. Reena Jain (Teacher-in-Charge), Dr. Nidhi Arora (Co-ordinator), Dr. Anshula Sangwan (Co-ordinator), Ms. Kanishka Solanki (Co-ordinator), and Student Co-ordinators Vedanta (Secretary) and Muskan (Treasurer) with their contact numbers. The bottom right corner has the text 'Join Us' followed by Instagram and LinkedIn icons and the handles 'cs_sattva' and 'Sattvacs'.

RULES & REGULATIONS

Description - Tech to toe the ultimate tech quiz and visualization competition where various tech based questions will be asked.

Eligibility - Only students of Universities and Colleges of Delhi NCR can participate with valid IDs.

All you need to know:

1. Students from any college in India are welcome to participate.
2. Individual participant only.
3. This event will be conducted in two rounds.

Prelims (Round 1): Participants will be provided with different tech related and aptitude-based questions in this round.

Level 1 (L1):

Focus: Basic technical knowledge, fundamental computing concepts, and general awareness of emerging technologies.
Consist 30 MCQ question for 30 mins per question 1 min.

Level 2 (L2): Final Round

Focus: Advanced technical knowledge and analytical thinking.
Coding questions in which you have to build logic and write.
Consist 5 questions for 25 minutes each question 5 mins.

Highlights:

- The competition challenged participants with tech-based, aptitude, and coding questions, encouraging them to apply both theoretical and practical knowledge.
- The event created a competitive yet enthusiastic atmosphere that sparked conversations and collaboration among students from various institutes.
- Winners were awarded **exciting cash prizes, gift hampers, and certificates** for their outstanding performance.
- Winners were awarded exciting cash prizes, gift hampers, and certificates for their outstanding performance.

Closing Remarks:

The event concluded on a high note, with an expression of gratitude towards all participants, volunteers, and organizers who contributed to the smooth execution of the event. The importance of such competitions was emphasized, highlighting how they provide a platform for students to test their knowledge, sharpen their analytical thinking, and build confidence.

QUIZBIT was a resounding success, offering an intellectually stimulating experience that encouraged learning, competitiveness, and collaboration. It stood as a proud initiative under the banner of **Sattva – the Computer Science Society of Kalindi College**, promoting technical excellence and student engagement beyond the classroom.

No. of Attendees: 20

Overview:

The **Bot Drop BGMI Tournament**, organized by Sattva, the Computer Science Society of Kalindi College, was held on **April 11, 2025**, at 1:30 PM in Computer Science Department. This thrilling event aimed to bring gaming enthusiasts together to compete and showcase their strategic and tactical skills in Battlegrounds Mobile India (BGMI).

The event began with a warm welcome to all participants and attendees, followed by a symbolic gesture to inaugurate the tournament. The competition was structured into three intense rounds:

1. **First Round:** All 20 players participated.
2. **Second Round:** The top 7-8 players advanced.
3. **Third Round:** A 1v1 battle, representing three teams.
4. **Fourth round:** A 1v1 battle between final contenders, 2 teams.

After hours of adrenaline-pumping gameplay and strategic battles, the winners were announced:

- **1st Place:** Dev Kumar
- **2nd Place:** Vikas
- **3rd Place:** Sachin

The event concluded with the organizers expressing heartfelt gratitude to the participants, volunteers, and audience for their enthusiastic involvement, making the tournament a grand success. The **Bot Drop BGMI Tournament** celebrated the spirit of gaming, teamwork.

POSTER:

The poster is for a gaming contest titled 'BOTDROP BGMI GAMING CONTEST'. It features a dark blue background with various logos and text. At the top, there are logos for Kalindi College, University of Delhi, and the Computer Science Society. The text 'QUBIT'25 INTER-COLLEGE TECH FEST PRESENTS' is prominently displayed. The main title 'BOTDROP BGMI GAMING CONTEST' is in large, bold letters. Below this, the date, timing, and venue are listed. A QR code is provided for registration. The names of the organizers and coordinators are listed on the left and right sides. A cartoon illustration of a person gaming is on the right. A 'PLAY' button is on the left. A 'Win Cash Prizes, exciting Gift Hampers and Certificate' banner is on the right. A 'Student Coordinators' section is on the right. A 'JOIN US' section is at the bottom right.

Overview :

“Pitch Perfect,” organized as part of QUBIT’25 – the Annual Tech Fest of Kalindi College’s Computer Science Society, was a dynamic startup pitching competition held on 11th April 2025 at Sangam Parisar. The event aimed to inspire entrepreneurial thinking among students by providing a platform to ideate, innovate, and present real-world business solutions.

Open to undergraduate students from across colleges, the competition unfolded in three exciting rounds: a pitch summary submission, an elevator pitch without slides, and a final detailed presentation with Q&A. Each round was designed to assess creativity, clarity, feasibility, and presentation skills.

Participants brought forward impressive and diverse startup ideas addressing social, technological, and environmental challenges. The event encouraged critical thinking, teamwork, and communication – essential skills for budding entrepreneurs. Judged by a panel of professionals and faculty members, the finalists were evaluated on originality, market potential, and strategic approach.

With active participation, engaging pitches, and insightful judging, “Pitch Perfect” became one of the most talked-about events of the fest. It not only celebrated entrepreneurial spirit but also empowered students to think beyond the classroom. Winners were awarded certificates and exciting prizes, while all attendees left enriched and inspired.

Rules & Regulations

1. Eligibility:

- Open to all undergraduate students of all universities and colleges in Delhi NCR (individuals or teams of two members).
- Each team can submit only one idea.

2. Registration:

- All teams must register by the given deadline.
- Team names and idea titles must be unique and appropriate.

3. Idea Submission:

- Submit a brief executive summary (1-page) covering:
 - Problem statement
 - Proposed solution
 - Target market
 - Revenue model (if applicable)
 - Unique selling point (USP)
- Optional: Pitch deck (max 5-7 slides) or short video (2-3 mins).

4. Round Structure:

- ◆ **Round 1: Screening / Idea Submission**
 - Judges shortlist teams based on originality, feasibility, and clarity.
- ◆ **Round 2: Elevator Pitch (Semi-finals)**
 - 2-3 minute verbal pitch without slides, followed by 2 mins of Q&A.
 - Focus on clarity, confidence, and viability of the idea.
- ◆ **Round 3: Final Pitch (Grand Finale)**
 - 5 minutes detailed pitch presentation (PPT allowed), followed by 2 mins Q&A.
 - Must cover business model, market research, competition, and finances (if applicable).

5. Rules During the Event:

- No offensive or plagiarized content.
- Time limits will be strictly enforced.
- Only team members can present; no external assistance.
- Judges' decision will be final and binding.

Sattvac

Pitch Perfect" was a dynamic and intellectually charged startup pitching competition, held as a part of *QUBIT'25* — the Inter-College Tech Fest organized by the **Computer Science Society of Kalindi College**, University of Delhi. The event took place on **11th April 2025** at CS LAB 1, bringing together enthusiastic undergraduate students from across universities and colleges in Delhi NCR.

The competition aimed to ignite the spirit of innovation and entrepreneurship among students, encouraging them to step out of their comfort zones and present real-world solutions through innovative startup ideas. Participants either registered individually or in teams of two, and each team could pitch only one unique business idea.

The event was structured into **three rounds**:

Screening Round: Teams submitted a one-page executive summary describing their startup idea, covering elements like problem statement, proposed solution, target market, revenue model, and unique selling point. This round ensured that only the most feasible and original ideas moved forward.

Elevator Pitch (Semi-Finals): Shortlisted teams delivered a 2–3 minute verbal pitch without any slides, followed by a short Q&A with the judges. This tested participants' ability to communicate their vision clearly and confidently under pressure.

Final Pitch (Grand Finale): The top teams presented a detailed 5-minute pitch with slides, followed by a Q&A. This round evaluated the depth of the business model, market analysis, and financial planning.

Strict rules were enforced regarding originality, presentation time, and self-dependence, ensuring a fair and intellectually honest competition. The judging panel evaluated teams on the basis of creativity, clarity, feasibility, and confidence.

The event witnessed an engaging atmosphere filled with creativity, entrepreneurial enthusiasm, and healthy competition. Winners walked away with **cash prizes, gift hampers, and certificates**, while all participants gained valuable experience and exposure.

The event was successfully coordinated by a dedicated team of faculty and student organizers, and proved to be an inspiring platform for young innovators to pitch their ideas and take a step closer toward turning them into reality.

SATTVA EVENT REPORT 2024-25

Name of the event : Seminar on How to Prepare Civil Services Examination (Complete Planning and Strategy)

Date : April 15, 2025

Resource Person/Guests/Alumni : Name - **Himanshu Bhaskar (IRS) , Mayank Sir (Assistant Faculty)**

Teacher Coordinators : Dr.Nidhi Arora, Dr.Anshula Sangwan, Ms.Kanishka Solanki,

No. Of Attendees: 145

OVERVIEW:

Sattva – The Computer Science Society of Kalindi College, University of Delhi, organized **Seminar on How to Prepare Civil Services Examination on 15th April 2025 from 11:00 am onwards**. The session also shed light on advanced preparation strategies for aspirants aiming to take their journey to the next level, especially through platforms like Next IAS, which offer structured classroom programs, test series, and mentorship by experienced faculty. The speaker emphasized the value of integrated preparation, where Prelims, Mains, and Interview phases are approached holistically. Special focus was given to GS Paper IV (Ethics), optional subjects, and dynamic essay writing techniques that reflect critical thinking and multidimensional perspectives.

Additionally, the importance of personalized time management, daily answer writing practice, and current affairs analysis from trusted sources like The Hindu, Indian Express, and government websites was highlighted. Students were encouraged to adopt a disciplined and consistent approach, use digital platforms for revision and mock interviews, and stay motivated through peer learning and self-assessment. The session reinforced that with the right guidance, mindset, and strategy, success in the civil services is achievable and within reach for dedicated aspirants.

Himanshu Bhaskar
(IRS, UPSC CSE 2023)

Mayank sir
(Assistant Faculty)

➤ **Introduction**

Sattva – The Computer Science Society of Kalindi College, University of Delhi, successfully conducted an insightful online session on **Civil Services Preparation: Strategies and Insights**. The webinar was led by **Himanshu Bhaskar & Mayank sir**, a distinguished academic with a strong background in mentoring and guiding aspirants for competitive examinations. The session focused on introducing students to the structure and evolving nature of the **Civil Services Examination (UPSC)**, covering key stages such as Prelims, Mains, and the Personality Test, along with essential subjects like Polity, History, Current Affairs, and Ethics. Dr. Srivastava highlighted effective preparation strategies, recommended trusted study resources such as NCERTs, government reports, and editorial analysis, and emphasized the importance of time management, answer writing, and consistent practice. The session also encouraged students to stay informed about national and international issues, engage in mock tests, and maintain a disciplined routine. Overall, the session proved highly beneficial in raising students' awareness about the civil services pathway and inspiring them to pursue impactful careers in governance and public administration.

➤ **Session Highlights**

The webinar was led by **Himanshu Bhaskar**, a distinguished academic with deep expertise in public administration and competitive exam mentoring. With a strong academic background and a passion for guiding students in their civil services journey, Himanshu Bhaskar brought valuable insights into the evolving landscape of the **Civil Services Examination**.

He began by emphasizing the significance of the **Indian Civil Services** in shaping the nation and its relevance across various sectors such as governance, policy-making, law enforcement, education, and public welfare. The session introduced students to essential preparation tools and resources such as **NCERT books, standard reference materials, government reports, current affairs platforms like PIB and Yojana**, and mock test series.

Himanshu Bhaskar elaborated on current exam trends, including the increasing analytical nature of Prelims, the demand for multidimensional and critical answers in Mains, and the growing importance of ethics and personality in the Interview stage. He also explained practical techniques for beginners, such as building a strong foundation in GS subjects, practicing daily answer writing, and using platforms like **NextIAS** for structured guidance.

The session further covered strategies to explore various services under UPSC, choosing the right optional subject, time management techniques, and tips for staying motivated throughout the preparation journey. **Mr. Bhaskar's clear guidance and motivational advice** made the webinar highly beneficial for students aspiring to build a meaningful and impactful career in public service through the civil services.

➤ **Interactive Discussion and Q&A**

The session was highly interactive, with students actively engaging in discussions and posing insightful questions related to **Civil Services Examination preparation and career pathways in public administration**. **Mr. Himanshu Bhaskar** addressed a wide range of queries, including how to get started with UPSC preparation, how to balance Prelims and Mains study plans, and strategies for mastering subjects like Polity, History, and Current Affairs.

Students also sought clarity on choosing the right optional subject, the role of answer writing and test series, the impact of mock interviews, and how to maintain consistency and motivation during the long preparation journey. **Mr. Bhaskar** provided well-informed and practical responses, shared success strategies of previous toppers, and highlighted career opportunities not only in the IAS but also in allied services like IFS, IPS, IRS, and more.

The dynamic Q&A session helped clear many doubts, offered realistic preparation insights, and provided students with a clearer roadmap on how to begin or strengthen their journey toward cracking the **Civil Services Examination** and contributing meaningfully to the nation.

➤ **Conclusion**

The webinar on **Civil Services Preparation**, conducted by **Mr. Himanshu Bhaskar**, proved to be an enlightening and motivational experience for all attendees. It offered a comprehensive overview of the UPSC examination process, effective preparation strategies, and valuable insights into the role of civil servants in shaping the nation. The session successfully addressed both

foundational and advanced aspects of the exam, empowering students with clarity, confidence, and a practical approach to their preparation.

Through interactive discussions, expert guidance, and real-world examples, the session inspired students to pursue their aspirations with dedication and resilience. It also emphasized the importance of discipline, consistency, and a strong ethical foundation in building a successful career in public service.

Overall, the webinar was a significant step toward guiding and preparing young minds for one of the most prestigious and impactful career paths in the country.

Vestureal – THE FAREWELL REPORT 2024–25

Name of the Event: Vestureal – *THE FAREWELL*

Date: April 15, 2025

Venue: Sangam Parisar

Resource Persons:

- Prof. Meena Charanda, Principal
- Dr. Reena Jain, Teacher-in-Charge
- Dr. Nidhi Arora, Coordinator
- Dr. Anshula Sangwan, Coordinator
- Ms. Kanishka Solanki, Coordinator

No. of Attendees: Over 150

No. of Participants: 11

Title Winners:

-  **Miss Farewell** – *Mahika*
-  **1st Runner-up** – *Sneha Bhatt*
-  **2nd Runner-up** – *Abhilasha*

Overview:

On April 15, 2025, *Sattva*, the Computer Science Society of Kalindi College, hosted its much-awaited farewell event titled “**Vestureal – THE FAREWELL**” at Sangam Parisar. More than just a ceremonial goodbye, Vestureal was a vibrant celebration of tradition, emotion, and memories — beautifully encapsulated in the tagline “*Tradition in Vogue, Emotion in Threads.*”

The event brought together students and faculty to honor the graduating batch, blending heartfelt moments with joyful celebrations in a setting filled with laughter, music, and emotion. It served as a platform to commemorate years of hard work, friendships, and unforgettable college memories.

The program commenced at **1:00 p.m.**, graced by the presence of **Prof. Meena Charanda**, the esteemed Principal of Kalindi College, alongside **Dr. Nidhi Arora** and **Dr. Anshula Sangwan**, who collectively added grace and warmth to the event.

Event Highlights:

1. Welcome & Opening Ceremony

The farewell began with a grand welcome of all guests and students. The venue, decorated to perfection, reflected the essence of tradition with a contemporary flair.

2. Principal's Address

Prof. Meena Charanda delivered an inspiring address, commending the final-year students for their perseverance and encouraging them to embrace the journey ahead with courage and resilience.

3. Teacher Speeches

Teachers including Dr. Reena Jain and Dr. Nidhi Arora shared touching anecdotes, expressing pride and heartfelt wishes for the graduating students.

4. Cultural Performances

The event was lit up with vibrant dance performances, soulful songs, and fun-filled skits, all prepared by juniors to give their seniors the most memorable send-off.

5. Titles and Honors

Custom titles were awarded to final-year students, celebrating their unique personalities and contributions throughout their college journey.

6. Fun Activities & Photo Booth

Interactive games, a memory wall, and a themed photo booth added a fun twist to the event, letting everyone relive their best moments.

7. Glimpses & Memories

A short video montage capturing the unforgettable memories of the outgoing batch left many teary-eyed and nostalgic.

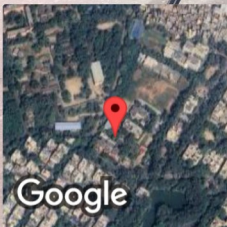

8. Registration & Participation

A dedicated QR code was provided for student registrations, ensuring a seamless and organized experience for all attendees.

Closing Remarks:

The event concluded with a heartfelt thank you from the faculty and coordinators. The anchors gracefully signed off, urging students to carry forward the spirit of Kalindi with pride and love.

As students bid their goodbyes, the atmosphere was filled with both joy and emotion — a beautiful fusion that marked a fitting end to an unforgettable chapter. *Vestureal* was not just a farewell — it was a grand celebration of everything that made college life extraordinary.

“Tradition, laughter, memories – your best goodbye awaits.”

Sattva once again succeeded in creating moments that would be cherished for a lifetime.
