PRINCIPAL'S NOTE

Kalindi College is a prestigious institution of academic excellence and achievement. It is amongst one of the finest colleges within the University of Delhi which imparts higher education to young women in India. To empower women is to empower a nation.

Today, the main aim of education is to build the powers of the human mind and spirit rather than just acquiring information. We believe in providing our students an environment rich in knowledge and supportive for their extra curricular interests.

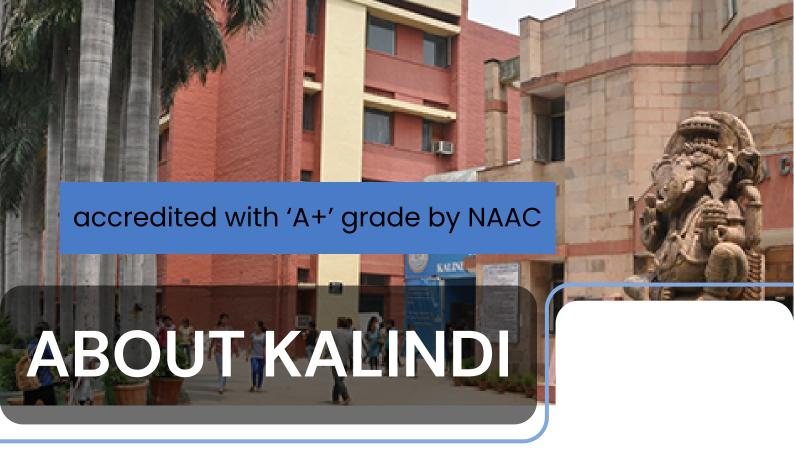

It is wonderful to look back at the last few years of the college where there is so much to feel proud of and so much to celebrate. The college has a tradition of excelling in Sports and extracurricular activities, in which our students continue to bring us laurels at the university, zonal and national levels year after year.

I feel proud to acknowledge the contribution of highly qualified, dynamic and multi-talented faculty, non-teaching staff and my students for this.

We run 16 departmental societies and 29 Programmes/Committees which endeavor to enrich the academic and extra-curricular standards of our students. Our teachers work hard throughout the year with the students to provide them with high quality educational experience in the form of debates, group discussions, workshops, symposia, seminars and cultural competitions. Eminent personalities are invited from all walks of life to address our students and expose them to new ideas and thoughts.

I strongly believe that- "All odds, all challenges and all handicaps of life can be overcome with strong determination, persistent hard work, insurmountable patience and unshakeable tenacity."

My best wishes to all the students of Kalindi College. Prof. Meena Charanda Officiating Principal

Kryptus, the Placement Cell of Kalindi College, University of Delhi, is dedicated to bridging the gap between students and career opportunities. The cell organizes placement drives, workshops, and skill-building sessions to prepare students for the professional world. It collaborates with renowned companies and institutions, empowering students to achieve their career aspirations and build a strong foundation for their future.

Student Union

The college's Student Union is an active body that represents students and organizes a variety of events, from cultural festivals to educational seminars. Numerous societies focus on areas like literature, drama, and environmental awareness, creating a dynamic and inclusive campus atmosphere.

NITI

The Consultancy and Internship Cell

Founded in 2024, NITI is the consultancy and internship cell of Kalindi College, committed to empowering students with hands-on opportunities to gain valuable professional skills and industry experience. With a dedicated founding team of 11 members, we focus on bridging the gap between academic knowledge and real-world application, helping students secure internships that pave the way for meaningful career growth. Our mission is to foster career-ready skills and provide a launchpad for students to excel in today's dynamic job market.

National Service Scheme

National Service Scheme is a community service program under the Ministry of Youth Affairs & Sports, Government of India. Its vision is to involve students in community service and nation-building activities, fostering leadership, empathy, and social responsibility. NSS Kalindi currently has 3 working projects, Project Samvriddhi, a project dedicated to enhancing the educational experiences of underprivileged children. Project Sankalp - an initiative aimed at promoting sustainability and eco-friendly practices within the community, and Project Vishisht - this project focuses on improving the health and well-being of the community.

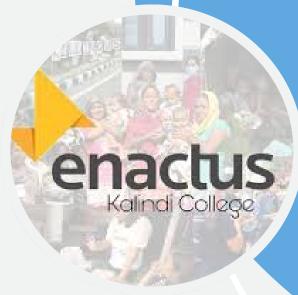

NCC

National Cadet Corps

National cadet corps (NCC) which comes under the Ministry of Defence, Government of India, was established in 1917 to supplement the strength of the Indian army. It focuses on the development of the cadet at the physical, mental, social and intellectual levels. It inculcates the qualities of courage, fellow-feeling, discipline, leadership and a secular perspective. It also instills a spirit of selfless service, sportsmanship and untiring dedication to duty. The objective is to create human resources through organizational training of goal - oriented youth, who can assist the armed forces and serve the nation.

Enactus Kalindi, the dynamic student-led team from Kalindi College, Delhi University, is on a mission to create change through innovative solutions. Since 2017, they've been tackling critical issues with impactful projects like Project Rehmat, empowering women from manual scavenging communities; Project Weran, reducing agricultural waste while boosting rural incomes; and Project Rahee, recycling waste tyres into eco-friendly products. Together, these initiatives are empowering communities, protecting the environment and paving the way for a sustainable future.

CDF

Connecting Dreams Foundation- Kalindi Chapter

The CDF Kalindi Chapter is devoted to fostering social growth through its diverse initiatives. Project Inara, addresses the crucial need for mental health awareness, . Project Kilkari, combats illiteracy by providing educational opportunities to underprivileged children, nurturing a brighter future. Project Inayat, celebrates creative minds, encouraging artistic expression and skill development among women and advocates for women empowerment.

Together, these projects embody the chapter's mission to inspire change and empower communities.

2023-24 SEMINARS

The last few placement seasons have shown us that recruiters are leaning more towards hard skills rather than just grades, which is why we, at Kryptus, believe in providing our students with real on-ground knowledge from experts in their respective fields. We believe the wisdom imparted by these experts allows our students to make better-informed decisions about their future, whether it is to continue with higher education, enter the workforce, or prepare for competitive exams. We achieve this goal by hosting insightful seminars, workshops, and more, each designed to help students explore their career paths.

01 How to Do Well in Case Studies?

Headed by **Mr. Sunil Dua**, he emphasized on the fact that case studies are very much relevant when it comes to professional interviews, internships, jobs, admission process for higher studies and also inter college events. It included key tips and tricks to crack case studies.

02 Career Prospects at RBI

The session on RBI career prospects with **Anshvey Kaintura** and **Yogender Kumar** offered firsthand knowledge of the roles and opportunities at **India's central bank**.

03 UPSC Session

For our civil services aspirants, we held a session on UPSC with **IPS Shubham Jain** and **Dr. Sumesh Chahal**, who broke down the path with pragmatic advice and relatable stories.

2023-24 SEMINARS

04 Personal Interview Skills

Our workshop on **personal interview** skills gave students a chance to practice and receive feedback, helping them feel more confident about the real thing.

05 What After Graduation?

For those unsure about life post-college, a talk on 'What After Graduation' with a Senior Regional Head from T.I.M.E. covered options from further studies to job preparation, emphasizing discovering what they are really looking for in life.

These are just some examples of the kinds of **events Kryptus, the Placement and Career Counseling Cell** of **Kalindi College**, hosted in the last academic

session to help its students make the most of their life
after graduation. We plan on continuing to do the same
for our current and future batches.
