A meeting of IQAC, (Screening Committee for Promotion of Assistant and Associate Professor) was held on 25/01/2024, at 12:30 pm to discuss the promotion case of Dr. Sudha Gulati, Department of Physics, file and following were discussed:

1. Her file received on 25/01/2024 and we conducted our meeting on same day.
2. We received the file in loose binding (kept in file folder) this type of binding is unacceptable because there are chances of misplacement/loss of important documents submitted by the Candidate so it is requested to submit the complete file in a proper manner i.e. Spiral binding.

This would secure the papers (documents) and also it will be helpful to both IQAC and Candidate to mark the particular page (it may not be lost or replaced) if any correction/improvement required.

3. The same has been conveyed to her in last meeting held on 16-01-2024, however we didn't receive the file in spiral binding.

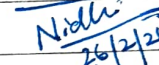

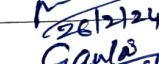

4. So the file may be returned for spiral binding.
