

KALINDI COLLEGE

UNIVERSITY OF DELHI

KALPधरा

The Environmental Society

TALK ON CERVICAL CANCER SCREENING

Funding agency (Internal / External) and amount: NA

Name of the Convenor: Dr. Shanuja Beri

Co- Convenor : Dr. Akansha Rai

Dr. Sunaina

Dr. Mirinchonme Mahongnao

Dr. Pooja Yadav

Ms. Priya Yadav

Date: February 19th, 2025

Time: 10:30 AM to 12:00 PM

Name of the Event: Talk on Cervical Cancer Screening

Collaborating agency, if any: Pathkind Diagnostics Pvt. Ltd.

Number of Students and Faculty: 66

Total number of students who participated: 61

Faculty: Dr. Shanuja Beri, Dr. Akansha Rai, Dr. Sunaina, Dr. Mirinchonme Mahongnao, Dr. Pooja Yadav, Ms. Priya Yadav

Number of participants outside of Kalindi College: NA

Highlights of the Event

- Informative talk on cervical cancer screening which spread awareness amongst students.
- The doctor made students aware about the causes and symptoms and screening measures

FLYER OF THE EVENT

🧡 Exclusive Talk on Cervical Cancer Screening 🧡

📍 Venue: Seminar Room, Kalindi College

📅 Date: Wednesday, 19th February 2025

🕒 Time: 11:00 AM onwards

🌟 Your Health Matters!

Let's Talk About It 🌟

🩺 Featuring Expert Speaker:

Dr. Isheetta S Ahuja

MBBS, MD, DNB (Pathology)

Pathkind Diagnostics Pvt. Ltd.

💡 Why Should You Attend?

✅ Learn the importance of early screening & prevention

✅ Get expert insights from a leading pathologist

✅ Ask your questions in an interactive Q&A session

✅ Take a step towards awareness and empowerment

🔴 Cervical cancer is preventable—let's fight it together! 🔴

🚀 Don't Miss Out! Spread the Word. Bring Your Friends.

EVENT DETAILS

Kalpdhara - The Eco Club of Kalindi College organized a **Talk on Cervical Cancer Screening**, an engaging and informative lecture on **19th February, 2025** which focused on raising awareness about cervical cancer was held at Seminar Room, Kalindi College for students. The session was conducted by Dr. Isheeta S. Ahuja, a specialist in cancer prevention and treatment. The goal of the event was to educate students on the importance of early detection, prevention, and maintaining healthy habits to reduce the risk of the same.

Many students from various departments participated enthusiastically in the talk, with the faculty members including Convenor **Dr. Shanuja Beri**, and Co Convenors **Dr. Akansha Rai, Dr. Sunaina, Dr. Mirinchonme Mahongnao, Dr. Pooja Yadav and Ms. Priya Yadav**. Apart from the convenors and co convenors, several other faculty members joined to get informative insights from the lecture.

Dr. Isheeta S. Ahuja began by discussing cervical cancer, explaining its key risk factors. The talk emphasized the importance of getting vaccinated to reduce the risk of cervical cancer later in life. Dr. Isheeta also spoke about the importance of regular health screenings, such as the Pap smear, which can detect changes in the cervix that may lead to cancer. She encouraged students to take proactive steps towards their health and to consider vaccination as a preventive measure.

A key message throughout the talk was the importance of adopting healthy lifestyle habits to reduce the risk of cervical cancer. Dr. Isheeta S. Ahuja recommended eating a balanced diet, exercising regularly, avoiding smoking, and limiting alcohol consumption, and how these habits can contribute to overall health and well-being.

The students were engaged and asked several thoughtful questions during the session, including when to schedule regular health check-ups. Dr. Isheeta S. Ahuja provided clear and practical advice, ensuring that students understood the steps they can take to protect their health.

In conclusion, the talk was an informative and valuable experience for the students, helping to raise awareness about the risks of cervical cancer. The session provided practical advice on prevention and the importance of early detection, leaving students with a greater understanding of how they can take charge of their health.
